FOUND CARDUI GREAT BENEFIT

South Carolina Lady Suffered Until She Couldn't Stay Up or Go Anywhere. Tells How Cardui Helped Her Get Well.

Batesburg, S. C.—In telling how she found relief from troubles that had caused her much suffering, Mrs. E. E. Oswalt, of this place, says: "Each month I would begin to suffer with my back and head. My limbs would ache and I would chill. I wouldn't be able to stay up no matter what I wanted to do, or where I wanted to go. My people tried giving me different medicines and teas and tonics, yet I didn't get any better.

"Some one told me of Cardui, and I began to take it. I noticed it helped me. I kept it up. After a few months I didn't have any trouble. For about six months I used it, before

"I found I was all right, and from that day to this have never had any trouble at this time. I have taken it since, a bottle or two in the winter, especially when I have been exposed, and would take a cold, for I consider it the best thing a woman can take to tone up the system, keep off nervousness, and increase the appetite. I certainly know it has been of great benefit to me.

If you are weak, nervous, or suffer from womanly troubles such as Mrs. Oswalt mentions, take Cardui, the Woman's Toric.

All good druggists sell Cardui.

Heart Beats

By A. K.

Evolution
Some may call
This period
Of unrest.
The sphere of woman
Is rapidly changing.
We hope for the best.
But woman!
Be not over joyed
That you shall have
Your rights—
Let "caution"
Be your watchword
Lest the power be misused.
Conceal your pride
Of intellect—
Treat quietly your rights.
Learn all you can—
Develop your brain
But take care you don't lose
To the "Clinging vine."
Think vast thoughts—
Make quick decisions—
Discuss great subjects
In a moderate tone—
And never let go
The feminine charm.
One who assumes
A masculine mask
Is the shoddiest poser—
And will breed contempt
Wherever she goes.
The "Clinging vine"
May not have much brain—
But she knows how to utilize
What she has—
So she smiles.
And is sweet to look upon.
We all have capacity
To carry our knowledge—
But some lack wisdom—
And sense
To control it.
It will take all our wits
Diplomacy
And charm
To remake the world
To our liking.

Pershing for President Campaign Reveals Women's Interest.

Miss Edna Perrin, secretary of the Pershing for President campaign in Nebraska, makes the following announcements:

Women Must Register.

In towns of Nebraska with a population of 7,000 or more women must register, in order to be eligible to vote at the primary election. They must register before April 10 as registration closes 10 days before the primaries which come April 20.

In Omaha women register in the office of the election commissioner at the court house. The office is open every day except legal holidays. In Lincoln the place of registration is the clerk's office in the city hall. The office is open from 8 to 4:30 and during the last week of registration the office will be open from 7 to 9 p. m. for business people.

County Organizations.

A complete organization has been perfected in Cass county with Mrs. Frank Dunbar of Plattsmouth as chairman. Mrs. Dunbar has just made a tour of the county and reports the women very enthusiastic. She says that she feels that Cass women will give almost a unanimous vote for Pershing.

In Dawson county Mrs. Jessie B. Bacon of Gothenburg has charge of the organization work and from the reports sent in Pershing will carry the county by a large majority.

Miss Amelia Rasmussen of Osceola is heading the movement in Polk, the first county to be organized. Every town in Polk has sent in large lists of names of active supporters.

Women May Be Delegates.

It is possible that Nebraska women may be represented at the national republican convention by women delegates. In at least two Nebraska districts an effort is being put forth by friends of prominent women to induce them to enter the fight for district delegate or alternate.

Dance Clothes.

Dear Miss Fairfax, Omaha Bee: As so many different ones have written to you for advice, we thought we would try our luck. What is the proper dress for a girl on the dancing floor? Is it proper to wear spats while dancing in a small town? What is the most appropriate thing for a girl to wear to a dance? Are evening dresses all right? Supposing you had a dance every two weeks in your town is it right for a girl to attend every one? Is it proper for girls and boys to use colored stationery for correspondence?

What time of the day or evening should a boy come to see his lady friend and when should he leave. Please put answers in Thursday Bee.

SNOW WHITE AND ROSE RED.

Wear slippers or high dress shoes. Spats should not be worn while dancing in a small town—a large town—well, that is different. Evening clothes for formal dances are proper, but a dinner dress is usually much prettier and quite as appropriate. Not more than one woman in 50 is pretty in evening clothes. If you have an invitation to each one, I see no reason why you should not accept them. If these affairs are informal, then you may wear anything you please—even spats.

F. B.—A solution of your problem will require a great deal of tact on your part. Many men are careless about their personal appearance and yet are the finest kind of men otherwise. "mother" of the club, who leaves soon for Wyoming was made an honorary member. Letters were received and read from Mrs. Charles Van Tuyl of Minneapolis, Mrs. M. Van Horn of Oregon, and May Girard Andrews.

erwise. Don't judge people too much by their clothes. Everyone, however, should be neat and clean and make an effort to wear clothes that at least do not attract attention for being out-of-date. I cannot tell you what words to say nor when to say them to spur this fine young man to give more attention to himself. You do not wish to wound his feelings and will therefore have to judge quickly when an opportunity to speak has come. If you have kindness in your heart you will say the right thing.

R. M.—You can find a list of colleges in the World Almanac. If there is a library in your town you can no doubt secure a copy of the almanac. For a very small charge you can purchase it from any book dealer.

Tell-Me—Most training schools for nurses require that an applicant be a high school graduate. If the young man you love has good habits and is considerate of you and loves you truly, I can see no objection to your marriage. Talk to your mother and find out why she objects. Usually mothers have pretty good reasons and I should advise you not to act hastily.
