HOW TO ACQUIRE HAIR BEAUTY.

You can enjoy a delightful shampoo with very little effort and for a very trifling cost, if you get from your druggist's a package of canthax and disperse a teaspoonful in a cup of hot water. This makes a full cup of shampoo liquid, enough so it is easy to apply it to all the hair instead of just the top of the head. Your shampoo is now ready. Just pour a little at a time on the scalp and hair until both are entirely covered by the daintily perfumed preparation that thoroughly dissolves and removes every bit of dandruff, excess oil and dirt. After rinsing the hair dries quickly with a fluffiness that makes it seem heavier than it is, and takes on a rich luster and a softness that makes arranging it a pleasure.

"After reading about Cuticura Soap and Ointment I decided to get some. I used two cakes of Cuticura Soap and two boxes of Cuticura Ointment for three weeks, when I was healed."
