Nebraska Women Will Support Pershing SOCIETY

Miss Edna Perrin of the woman's committee in the Pershing-for-President organization has received the following statements from prominent Nebraska women:

I certainly am with you in the campaign of Pershing for President and will do everything I can to help further the interests of the women's organizations. My husband says he will vote for him if he is the only man in Nebraska who does.—Mrs. William Evans, Atkinson.

I intend to vote for Pershing for president and will do all I can to help my neighbors to see what a good man he is for the place.—Miss Alice Ehler, Hastings.

You have my help in regard to John J. Pershing for president. I will work with you in anything I can do. Please give me instructions. He is a pure, good man and we need such a one in this day when the world should be held for good.—Mrs. A. M. Grogg, Maywood.

General Pershing will get my vote for the presidency. Since he was an instructor in our university and his home and interests are here, we as Nebraskans, should give him our vote. I will talk for him and help in that way and hope for his success.—Mrs. M. A. Hostetler, Shelton.

I am a warm personal admirer of General Pershing. The organization of the army perfected under him was wonderful. He wished our boys to express the highest ideals of young manhood.—Alice Howell, Lincoln.

I will be glad to help organize Polk county. It will be a fine thing for Nebraska to have the honor to nominate a man like John Pershing. I will do my best to help in any way I can.—Mrs. Lou H. Myers, Osceola.

We are heartily in favor of Pershing for president. We believe him to be 100 per cent American and fully capable of taking the responsibilities of the country on himself and that he will serve his country as dutifully at home as he did "over there."—Mrs. Anna R. Snell, Lawrence.

We are with you wholeheartedly in the campaign and you can count on our family to further the movement to make John Pershing president. He has shown his business ability in his organization wherever he has been. I have known him for many years and he has gone steadily and consistently ahead. It is an honor to Nebraska that he belongs to us.—Mrs. C. F. Ladd, Lincoln.

Things to Remember. Old felt hats make excellent soles for bedroom slippers or for inner soles to slip in rubbers to keep the feet warm.

When one of both fasteners of a glove has pulled out darn the hole and sew an ordinary dress snap near the old fastening and the glove is useful again.

The quickest and easiest way to stone raisins is to place them on a tin plate and heat them thoroughly in a hot oven. The heat causes the raisins to split easily and it is no trouble to remove the stones.

A pinch of baking-soda will make lima or butter beans more tender and digestible if added when they are boiling. It also hastens the process by one-half the time required.

MOTHERS Reduce your doctor's bills by keeping always on hand—VICK'S VAPORUB

The Quick Way to Stop a Cough This home-made syrup does the work in a hurry. Easily prepared, and saves about \$1.

You might be surprised to know that the best thing you can use for a severe cough, is a remedy which is easily prepared at home in just a few moments. It's cheap, but for prompt results it beats anything else you ever tried. Usual colds, the ordinary cough or chest cold in 24 hours. Tastes pleasant, too—children like it—and it is pure and good.

Four 3/4 ounces of Pinex in a pint bottle; then fill up with plain granulated sugar syrup. Or use clarified molasses, honey, or corn syrup, instead of sugar syrup, if desired. Thus you make a full pint—a family supply—but costing no more than a small bottle of ready-made cough syrup.

And as a cough medicine, there is really nothing better to be had, at any price. It goes right to the spot and gives quick, lasting relief. It promptly heals the inflamed membranes that line the throat and air passages, stops the annoying throat tickle, loosens the phlegm, and soon your cough stops entirely. Splendid for bronchitis, croup, hoarseness and bronchial asthma.

Pinex is a highly concentrated compound of Norway pine extract, famous for its healing effect on the membranes. To avoid disappointment ask your druggist for "3/4 ounces of Pinex" with directions and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Ft. Wayne, Ind.
