

COUNCIL TURNS DOWN PROTEST ON OPEN SUNDAY

Refuses Action on Petition From Women's Societies To Stop Dances and Amusements.

The city council voted Tuesday to place on file without action a written protest, submitted by representatives of various organizations of women, and urging that all Sunday commercialized amusement be prohibited.

The protest was signed by the following women: Mrs. William Berry, Mrs. H. G. Claggett and Mrs. Mrs. C. J. Roberts, for the Douglas County Woman's Christian Temperance union; Mrs. C. L. Hempel and Mrs. W. H. Hatteroth, president and secretary, respectively, of the Omaha Woman's club; Mrs. A. A. DeLarme, president of Women's Missionary Federation; Mrs. Carrie Ada Campbell, general secretary of the Young Woman's Christian association; Miss Mary Anthony, superintendent of the City Mission.

City Commissioner Ringer was alone in voting against placing the protest on file. A delegation of nearly 100 women attended the council meeting to reinforce their written protest.

Mayor Favors Base Ball.

The discussion between the women and the city officials resulted in some sharp words. Commissioner Zimman in particular taking a positive stand in favor of Sunday amusements, properly regulated.

Mayor Smith addressed the following remarks to the women: "If you come here merely to protest against the use of city property, such as the Auditorium, for Sunday dances, there would be little doubt but that your request would be honored, but when you ask that all Sunday commercialized dances shall be stopped, you are asking too much. There is no more harm in Sunday dancing than there is in Sunday base ball. I go to Sunday base ball games and holler my head off. I am afraid that if you examine the records of the district court you will find that many of the worst crimes result from Sunday automobile rides, and yet you would not stop Sunday automobiling, would you?"

"Awful Things Happen."

"You don't know the awful things that happen at these dance places," said Mrs. G. W. Covell of the Woman's Christian Temperance union.

"I wish to explain that our state law specifically exempts Omaha in the matter of Sunday dancing," explained Commissioner Zimman, who has charge of the Auditorium, where a recent Sunday night dance held under municipal auspices had been referred to by the women.

Study the Birds.

"We are moving step by step," replied Mrs. E. B. Towl, member of the Board of Public Welfare and mother of City Commissioner Towl.

Northwest Warriors Seek Aid From American Legion

"It is part of the duty of the northwest warriors' committee to intelligently educate the people as to the real aims and purposes of the American Legion," said J. W. Bryant, chairman of the warriors' executive committee, to state officials of the Iowa-American Legion at a luncheon at noon at the Hotel Fontenelle.

Mr. Bryant met with the American Legion officials to enlist their support and co-operation in the Americanization campaign against radicalism which the northwest warriors' committee expect to launch in Iowa.

"Bolshevism, I. W. W.'ism and socialism are the triplets of destruction in modern society," said Mr. Bryant in his talk.

According to the report of the Lusk committee, there are 36,000 paid, trained agitators in this country."

Highjackers Scorn Fruit in Raid on Cellar of Parson

While the Rev. Charles W. Savidge lay peacefully dreaming Monday night of marriage ceremonies yet to be, highjackers, in their nightly canvass for the remaining liquor supply in Omaha, forced two doors at his residence, 2228 Maple street, searched the cellar, and then departed, empty handed as far as Mr. Savidge knows.

According to Mr. Savidge, the gentry of the speedy car, heavy truck and ready gun, accomplished what amounted to almost a safe-cracking job in opening his outside cellar door. The spring lock was neatly punched out, after holes had been drilled around it. They examined the contents of his cellar, forced an inner door leading to his fruit room, and searched that thoroughly. A large quantity of canned fruit, valued by Mrs. Savidge at \$200, which had been moved, bore testimony to their thoroughness, but none of it was taken.

It is believed that the highjackers appeared some time after midnight. Before starting their operations on the door they cut the telephone wires on the outside. None of those sleeping in the house was awakened. "What puzzles me,"

Don't Spoil Your Hair By Washing It

When you wash your hair be careful what you use. Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is Mulsified coconut oil shampoo, for this is pure and entirely greaseless. It's very cheap and beats anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.
