## Democratic Women On Recrd

The Independent Democratic women have organized, not for the purpose of splitting any political party, not to further the political ambitions of any individual, nor for the purpose of giving vent to any personal animosities or to foster any political antagonisms.

The purpose of the organization is definitely to stand for the perpetuation and enforcement of the prohibition amendment, and, as citizens and voters of Nebraska, to secure representatives in our government who will truly voice the will of the people.

For this reason, and for this purpose, this organization will put forth every effort to elect delegates to the Democratic National convention at San Francisco, who stand for these principles, and who will be guided by them in performing their duties as delegates.

Our opposition to Mr. Hitchcock is based solely upon the fact that he has not represented the will of his constituency on important issues in which we are particularly interested;

Mrs. Cosgriff is the daughter of Mrs. M. C. Phelan of this city.

Mrs. Andrew Bethge and daughter, Theresa, returned Monday evening from Salt Lake City, where they had been called by the serious illness of Mrs. Bethge's daughter, Mrs. C. F. Wells.

Mr. and Mrs. Richard Metcalfe are in Washington, D. C., with their son, Capt. Buehler Metcalfe.

namely, in the attitude he has taken towards the prohibition and suffrage amendment, and in his doubtful support of the administration on many important issues. We believe his work as democratic leader in the senate, to which position he fell heir, has been rendered less effective because of his previous record.

# Armour's Nut-ola

## Buying Suggestions for March

- Star Ham—"The Ham What Am"
- Star Bacon with *Nut-ola* Eggs
- Nut-ola* Evaporated Milk
- Nut-ola* Canned Meats
- "Simon Pure" Leaf Lard
- Nut-ola* Grape Juice
- Vegetole (Vegetable Shortening)
- Nut-ola* Oil (for cooking and salads)

COCOANUTS and peanuts are conceded by food experts to be high in nutritive value and very healthful. Nut-ola Margarine is made from these, churned in pasteurized milk and seasoned to a nicety with choice dairy salt.

Doesn't this make Nut-ola appeal to you as good for your table. It is good, too, for just imagine what a delicious, appetizing flavor is found in a spread for bread composed of just these choice foods. This is the reason why Nut-ola is becoming so generally popular. Test its goodness yourself—you will then want to use it every day, as others do. Be sure to ask for and get Armour's Nut-ola Margarine. You will be delighted with its fine quality.
