**FEDERAL AGENT KILLS HOPES OF NEBRASKA WETS**

**Nation Dry Forever, Declares Deputy Prohibition Commissioner of United States.**

H. M. Gaylord, deputy prohibition commissioner of the United States, issued here yesterday a statement scoring agitation for modification or repeal of federal prohibition as "useless and tending only to excite public unrest."

He said, however, his visit here had no connection with the recent announcement of early publication in Omaha of the first issue of "Public Sentiment," anti-prohibition weekly, whose backers claim it will have national support.

"The prohibition battle is over and the nation is 'dry' forever," Mr. Gaylord asserted. "The present congress in a 'dry' congress and the next one will be even more 'dry.' All of the thinking people of the country are back of rigid enforcement of prohibition measures. There will be no real fight against enforcement anywhere. Any segregated outbreaks or agitation will be mere flashes in the pan."

Squelches all Hopes.

Mr. Gaylord, here to confer with James H. Hanley, prohibition commissioner for Nebraska, squelched any remaining hopes Nebraska "wets" might have, that drug store sales of liquor might be permitted in this state.

"Internal Revenue Commissioner Roper has made a decision in Washington that in all states where state laws are more stringent than the federal prohibition enforcement act, the state laws will be followed," he

stated. "There isn't the slightest doubt of the enforcement of Nebraska laws against drug store sales of liquor. No permits will be issued by federal officials to Nebraska druggists."

H. A. Larson of Denver, supervising federal prohibition agent for the northwestern district, including Nebraska, was here yesterday to meet Mr. Gaylord and Commissioner Hanley.

He said details of organization of prohibition field agents for Nebraska were being perfected.

The whole force of federal prohibition commissioners, supporters and agents, will be functioning fully by April 1, Mr. Gaylord announced.

**High School Student Makes Good Record in Six Studies**

Sam Samuelson, son of Simon Samuelson, 2523 Parker street, has the distinction of leading all other students at Central High school for the semester closing February 6, with six A's to his credit. Young Samuelson received a grade of A in English, Latin, Greek, geometry, mechanical drawing and bookkeeping. He is carrying the same subjects again this semester. He is a sophomore.

Other high students for last semester were: Rose Segal, with five and one-half A's, and Renwick Hill, Edson Smith, Mildred Cohn, Bertha Finkenstien, Barbara Moscrop and Helen Adele Turpin, with five A's each.

**Omaha Patent Attracts Attention at Auto Show**

An Omaha product which is attracting much attention at the Auto show is a short turn device for trailers which causes the rear wheels of the trailer to turn with the truck, to which it is attached by a steering device. Trials made over rough roads with trailers carrying loads of a ton, at a speed of 35 miles an hour, have proved the efficiency of the device. It is handled in Omaha by the Chief Trailer company, 336 First National bank building, of which Frank C. Best is vice president and general manager, and is on exhibition at booth 24 at the Auto show.

**48 of the First Fifty**

Pierce-Arrow trucks are still running after 8 years. Even if their service were now ended, each would have cost less than \$600 a year depreciation.

It will pay to buy durability. Time is the biggest expense item in truck operation. Durability means operating a long time and all the time—minimum time lost on the road or in the shop.

No. 2 the first Pierce-Arrow truck marketed is used by the International Brewing Company of Buffalo for key deliveries between Buffalo and neighboring towns.

To demonstrate the practicability of the worm gear, then new, it ran fully loaded over the road from New York to Boston on May 28th, 1911, in 20 hours. After 7 years' commercial use, it repeated this run in 18 hours and 7 minutes, carrying the same load. Its fame has spread throughout the country.

It has traveled in 8 years 160,000 miles.

**Omahan Named Vice Consul to London Not Yet Accepted**

Thomas Gentleman, son of Mrs. Mary Gentleman, 2917 Dodge street, appointed yesterday vice consul at London, has been a member of the diplomatic service for nearly three years.

Immediately after the proclamation of war in 1917 Mr. Gentleman was assigned as assistant secretary of the American embassy at Paris, where he served until last fall. He was relieved from his duties there and returned to the United States in September. After a visit of 12 days with his mother and sisters, Misses Agnes and Dorothy Gentleman, he returned to Washington, where he has been studying under the guidance of the State department.

Mr. Gentleman was born in Omaha in 1897, had his primary education in schools here and later attended Creighton university. He also studied business courses and during his diplomatic service read law. According to Mrs. Gentleman, her son has not yet made up his mind to accept his appointment to the London embassy.
