

### HIRD STRYKER IS CANDIDATE FOR BIG CONVENTION

Seeks Nomination as Alternate—Firm Believer in Pershing—Identified With American Legion.

Hird Stryker of Omaha is a candidate for alternate district delegate to the national republican convention, and petitions are being circulated to put his name on the primary ballot.

Mr. Stryker is a son of A. F. Stryker, secretary of the South Omaha Live Stock Exchange, and is a native of Omaha. He was one of the first Omaha men to enlist in the army after this country entered the war against Germany.

On his return to Omaha, Mr. Stryker began the practice of law.

He is now a member of the law firm, Crofoot, Fraser, Connolly and Stryker. He attended the University of Nebraska for three years and later took a law course at the Harvard law school and at the University of Chicago. He has been actively identified with the American Legion since the war.

Will Vote for Pershing.

In a statement announcing his candidacy Mr. Stryker said: "Every delegate to the national republican convention from Nebraska will be bound by the preferential decision of the party in this state as expressed at the April primaries. My support as an alternate, if I am elected, will go unreservedly and wholeheartedly to the candidate for the presidential nomination who may be designated by Nebraska republicans as their choice."

"I shall cast my preferential vote at the April primaries for General Pershing.

"When the war started our nation tackled the biggest job it had ever faced. Every citizen was in on the work. The man chosen from among all the people of the nation as the executive of the job was General Pershing. The job is done and we are proud of it.

"General Pershing came back home recognized by the whole world as the man who successfully headed the biggest enterprise the greatest nation in the world ever accomplished. He is named to Nebraska, whence he started, and he acknowledges allegiance to this state. He is not a candidate seeking the nomination.

"His nomination must be secured by those who believe in him, rather than through his own activities; and the nation will look to Nebraska for the strongest endorsement. There is no other candidate in the field with a record of achievement that can be compared with him. It is Nebraska's duty to the nation and to the party to present his name to the convention.

"In this day every man's attitude toward government is subject to analysis. General Pershing's attitude will bear the closest analysis. He headed those who gave the most to perpetuate those things for which America stands. He is a great American."

Army Essays Written by 11,000,000 School Children

More than 11,000,000 of the 15,000,000 eligible school children in the United States wrote essays in the national army contest upon "What Are the Benefits of an Enrollment in the United States Army?" according to reports from Washington, D. C.

"Award Day" will be April 19, when local prizes totalling more than \$1,000,000 in value will be awarded in all districts and the national winners will be announced by Newton D. Baker, secretary of war, Gen. John J. Pershing and Gen. Peyton C. March.

Colonel Welsh's Weather Nothing to These Thieves

Despite the fact that the thermometer is about as low as it has been in Omaha all winter, six electric fans were reported stolen from the offices of the Bankers' Realty Co., 100 Bee building, early yesterday morning.

ADVERTISMENT BUILDING STRENGTH AFTER GRIP OR PNEUMONIA

One of the best known professional men in New York (his name will be given on request) says: "After an acute attack of typhoid pneumonia I had a racking cough and lost twenty pounds in eleven days. I never was so completely run-down in my life. I was about to go to a hospital when I began to take Father John's Medicine which, after I had taken it faithfully, restored me to sound health. I regained flesh as I had lost and have since been as well as ever in my life. I have since learned that my physician has been in the habit of prescribing Father John's Medicine in such cases."

For the getting-well stage after grip or an attack of any serious disease, no better strength-builder can be found than Father John's Medicine, because its elements are pure and wholesome food, which is easily taken up by the weakened system and promptly turned into new, vital strength. It is a safe tonic for all the family because it does not contain alcohol or any dangerous drugs in any form. Its merit is proven by more than sixty years of ever-increasing success.

### Bold Daylight Burglar Gets \$50 From Residence

Daylight burglars broke into the home of Adolph Stein, 1314 North Twenty-fifth street, Thursday afternoon during the absence of the family. A pass key was used, police discovered.

The thieves stole \$50 from Mr. Stein's clothes and overcoat.

### ROHLFF GLEEFUL AT COUP OVER "HIGHJACKERS"

Intimate Friends of Former Liquor Dealer Tell of Secret Cavern Which Yawns at Thieves.

Intimate friends of Henry Rohlf, former liquor dealer and recent victim of "highjackers," report that Henry is shaking hands with himself. Henry, they say, has scored triumph over "booze hounds" who have been raiding Omaha homes recently with .45 caliber artillery and telephone wire clippers.

A surplus stock of rare liquor refreshments were stored in a secret compartment in the basement of the Rohlf theater, 2339 Leavenworth street, three weeks ago, according to Henry's friends.

No one but Henry knows where the liquor is now, his pals say.

O Tempora! O Mores!

H. A. Taylor, manager of the Rohlf theater, did not even know where the secret compartment was, he says.

But the other night "highjackers" tore down a brick wall dividing the secret compartment from the other half of the basement of the theater. Evidently the highjackers had a suspicion or a hunch.

O Tempora! O Mores! Nothing but foul air and dingy cobwebs

greeted the inroad of the booze thieves. The manager of the theater discovered the debris the next day.

He notified Mr. Rohlf.

Will Let It Age More. Henry laughed, and laughed some more. So did his intimate friends when the tale was spread broadcast. The stock of "Auld Lang Syne" spirits was moved three weeks ago to "somewhere in Douglas county."

Somebody must have remembered the "Raid of the Highjackers" on Henry's former home three weeks ago when \$1,000 worth of wine was taken.

"I guess he'll let it age, too," a thirsty pal of Henry's remarked.

Little Competition Faces Judge Crawford at Primary

There is one job that office seekers in Douglas county are not wasting their time in trying to secure. That is the office of county judge. Bryce Crawford, republican, the present incumbent, is the only candidate who has filed in the office of Election Commissioner Moorhead for nomination at the April primaries.

Seven candidates are in the field for nomination for public defender, which pays \$3,600 a year and involves little work. John W. Yeager, Keen hotel, and H. E. Cochran, 1021 South Thirty-sixth street, both republicans, filed yesterday for this position.

Norman C. Gault, Y. M. C. A., filed for nomination as justice of the peace on the republican ticket. John M. Gibb, democrat, 4732 North Thirty-sixth street, added his name to the list of candidates for the state legislature. Dominick Catalde, democrat, Twenty-first street and Avenue K, East Omaha, filed for road overseer in District No. 19.

### One Man Is Injured As Street Cars Crash Together at Corner

One man was injured when an east-bound Farnam street car crashed into the front end of a north-bound Crosstown car at Twenty-fourth and Farnam streets, at 8:30 a. m. yesterday. E. H. Hansen, 2108 Vinton street, suffered a wrenched back and bruises about the body. He was motorman on the Crosstown car.

Failure of air brakes to work properly on the Farnam car was the cause of the crash, V. L. Schlosser, 2224 Howard street, motorman on the Farnam car said. He escaped injury by crouching to the floor with his hands on the emergency brake.

Scores of passengers on both cars on their way to work were frightened by the impact of the collision.

The Crosstown car was hurled clear from the tracks, the rear trucks alone remaining on the rails.
