

## MAYOR CALLS FOR ACTION ON HIGHJACKERS

**Directs Police to Put  
Forth Special Effort,  
In a Letter to  
Eberstein.**

Mayor Smith yesterday afternoon stated that he wrote a letter to Chief of Police Eberstein, directing that the police department put forth an effort to suppress the operations of highjackers who are making nightly visits at the homes of many citizens. "As mayor of this city I have the right to address letters to the police department," the mayor stated when asked if there was any particular circumstance which caused these instructions to be directed from his office rather than through the commissioner of police.

He did not believe it would be a matter of public policy to divulge the text of the letter.

**Special Squad Formed.**  
A special squad of police has been equipped with revolvers and shotguns for night work along the lines suggested by the mayor.

The mayor declined to discuss the matter more than he did in the letter and that he did so by the authority which he holds as "chief executive and conservator of the peace."

Chief Eberstein referred to the mayor's letter during yesterday's session of Police court. The police dragnet is to be operated more vigilantly during the night hours.

"I have not seen the letter and will not comment on this until I see the letter," Police Commissioner Ringes said.

An inquirer of the contents of the mayor's letter to the police chief came yesterday in Central police court when six alleged "highjackers" were arraigned on charges of vagrancy.

Chief Eberstein offered a few words to Police Judge Fitzgerald during the hearing of the men.

"The mayor has directed me to get after these fellows, and I'm going to keep after them for their high-jacking methods," the chief said.

**Wants New Legislation.**  
He advocates legislation pertaining to thefts of liquor. Vagrancy of breaking and entering are practically the only charges that can be lodged against persons arrested for "highjacking." Vagrancy alone is the only charge that police place against suspects of liquor thefts.

**Famous Philosopher Will  
Speak to Jews in Omaha**

The Omaha Zionist organization announced today Dr. Zhitlovsky of New York City, famous Jewish philosopher, journalist and lecturer, will speak under Zionist auspices here next Sunday evening at Metropolitan hall.

Dr. Zhitlovsky's abilities, idealism and devotion to Jewish interests have made him a prominent national figure and a leader of the democratic movement in European Slav countries, Omaha Zionists state.

**Jury Discharged After It  
Stays Out for Two Nights**

After being in the jury room two nights and a day, without reaching a decision, the jury which heard the evidence in the trial of Joseph Witte on a charge of assault was discharged by District Judge Troup yesterday. The complaining witness against Witte was a 13-year-old girl whom he and his wife had hired to take care of their small baby.

## Plan to Centralize Work of Charitable Institutions of City

A special committee to make a survey of the various charitable institutions of the city for the purpose of eventually centralizing them and possibly supervising their expenditures through a budget system was appointed at a meeting of the public welfare committee of the Chamber of Commerce yesterday.

"There are about 20 charitable organizations in the city," said T. L. Combs, chairman of the committee, "and all are doing good work. We believe that if these organizations were centralized, however, better results might be accomplished, as it is inevitable that the expenditures of so many organizations in all parts of the city would at times overlap. We do not believe there has been any extravagant waste on the part of any organization, but we believe that there could be more efficiency in the methods of spending if the organizations were centralized."

No definite plan of centralization has been evolved, Mr. Combs said, but the committee hopes to have some definite plan formulated within month.

**Sends \$500 to Boy Scouts  
Because "He Can't Assist"**

"Sorry can't help on drive. Enter my subscription for \$500." This telegram was received at Boy Scout headquarters yesterday from Park Billings, vice president of the Billings Dental Supply Co., who is now in Miami, Fla.

"Looks to me as though he is helping on the drive," said Scout Executive Hoyt.

This is the largest individual subscription received so far in the drive by Omaha Rotarians for \$35,000 for Boy Scout activities in Omaha this year. One-third of the money is to be used to construct permanent buildings, a water supply system, small electric light plant and wireless station at Camp Gifford, south of the city.

Several thousand dollars are already paid in. Fifty Rotarians are actively at work on the canvass and 3,000 letters have been sent out.

## PNEUMONIA LEFT BOY WEAK AND SICKLY

**Parents Were Almost Hopeless,  
But He Is Now Well  
and Strong.**

"Our little boy's health was so poor we were afraid we were going to lose him. He is 10 years old, and has had weak lungs ever since he was eight months old, caused by pneumonia. We have been very careful with him and doctored him continually, but we had almost despaired of ever having a strong, well boy."

"But since giving him Mils Emulsion, all his trouble is gone, and he is in perfect health."—Mrs. G. W. Smiley, 20 Maple St., Dayton, O.
