## Chicago Grain

By CHARLES D. MICHAELS.

Chicago, March 6. - Highest Chicago, March 6. — Highest prices of the season for all corn futures except for May were made today and May sold at the best price since the middle of last August. Last prices were the best of the week, without any new bullish developments. Net gains were 25%c to 35%c on corn, 1/4c to 11/2c on oats; 3c to 33/4c on rye, and 31/4 on barley.

Gains for the week were: Corn. The many advertisements by 6½c to 75%c; oats, 35%c to 3¾c; rye, banking and brokerage houses of the 10½c to 11¾c; harley, 9¼c; pork, issues which have appeared of late 35c; iard, 85c to 90c, and short ribs indicates that a wide circle of in-

trade. Later shorts started to cover and found limited offerings, May mains to be seen whether or not jumping to \$1.45, a new high on the present upturn. Other deliveries sold at new high figures for the season, and the close was about the No top, with March \$1.51; May, \$1.4434; No

Rye was in good demand. Futures were sold by local traders and bought by strong commission houses and closed at the top. No. 3

on track sold \$1.68%.

Barley strong and 1@2c higher.

Spot sales were at \$1.45@1.56.

# Farm Mortgage Bonds

The modern first farm mortgage bonds are merely an ordinary mortgage of large size divided into bonds of convenient denomination, usually \$100, \$500 and \$1,000. They possess all the advantages of an individual mortgage as an investment.

These bonds are in bearer coupon form, registrable as to principal, with interest and principal payable at the office of the United States Trust Company. The interest and principal on mortgages and mortgage bonds. originated by the United States Trust Company are collected by the company and remitted to the proper holders thereof free of charge.
