The Huskers' record for the year

is no small matter, as the team battled some of the best basket fives in the middle west. On the schedule were Michigan Aggies, Notre Dame and Indiana. The Hoosiers were only one of this trio that was able to humble the Huckers. Coach Steihm's team took the first battle by a score of 24 to 20, while the Huskers came back the next night and swamped the Hoosiers 38 to 18. Colorado Team Wins.

The only other team that was able to register a victory over Ne-braska was the Colorado college ag-gregation. The Tigers defeated Ne-braska 25 to 23 on their own floor. The Huskers, however, succeeded in drubbing the Tigers 32 to 21 on the But so does a Plattsburgh training Colorado floor and gained two detrench. cisive victories over them on the Nebraska floor.

Nebraska played all of her games played on a trip through Iowa, Illi-nois and Indiana and another through Colorado. Most of the Huskers' victories were by wide margins while the only defeats suffered were by close scores.

An invitation extended to the University of Chicago basket ball team for two games here with the Husk-ers was ignored. The Maroons are champions of the Big Ten conference and Coach Schissler wished to match his powerss with them. Val-pariso, whom Nebraska defeated de-cisively in two games, held Chicago to a very close victory on the same floor that the Hushers played Val-

Coach Schissler deserves much credit for his handling of the Husk-er team. He worked a system of three teams of almost equal powers at the first half of the season. This system was used to good advantage and at the same time, all of the men were given an opportunity to show their ability.

Patty's Playing Feature.

Toward the middle of the season. Toward the middle of the season, Schissler had found his first squad, which proved to be one of the greatest Nebraska has ever had. Patty as one of the forwards hung up an enviable record on scoring for the year. In several games, his scores alone would have been sufficient to defeat the opponents.

China Enters Boxing, "Squared-Ring" Game In Yankee-Like Manner

Sydney, Australia, March 7.— China has gotten into the boxing game in a real Yankee-like manner. or perhaps it might be better to say from the first three money winners Austrian style, for it remained for and 3 per cent from fourth money. Jack Munro, manager of the stadium here, to bring about a Sixteen Teams Entered in match for the championship of the Chniese empire.

Manager Munro selected the best two Chinese boxers in this part of the world—Rud Kee, now of Melbourne, and Taggie Young, fighter of Chinese parentage, who belongs to Sydney. Both are lightweights and quite clever.

The match was arranged for 20 rounds at 135 pounds ringside, and for eight rounds it was a rip-roaring scrap, with honors even. Then Kee began to show his superiority and put Young down for the count of nine, the bell averting a knockout. At this point both lads fell off in their work, using only one hand to box with, and in the twelfth the referee stopped the bout, "no contest."

This decision was the result of puspicion that there was some "queer" work being done by some of the sharps back of the Chinamen. An investigation was made, and it was discovered that both boys had really injured their arms, and could not do differently. The promoters paid the two Chinese and will remarks them at a later date.

TRIMS WESTERN **OPEN CHAMPION**

Walter Hagen Defeats Jim **Barnes Before Large Crowd** in Close Match Over New Orleans Links.

New Orleans, La., March 7.—Walter Hagen, Detroit, national open golf champion, in a brilliant rally defeated Jim Barnes, western open champion of St. Louis, over the Country club links here Sunday, 1 up, in 37 holes. Hagen's sensational finish was made before a gallery of more than 1.500. He squared the more than 1,500. He squared the match with a 12-foot putt for a "birdie," 3 on the 17th hole in the afternoon round and won the de-ciding hole when Barnes hooked his

tee short off the green. .

After playing the first 15 holes even, Barnes took a commanding lead by winning four out of the next five holes, the second being halved in fours. It was after being four down that Hagen made his sensational rally. He won the sixth and seventh in fours, Barnes taking fives on each. The eighth was halved in par three and Hagen won the ninth, to 6. One down at the turn, Hagen won

the 10th hole with a "birdie" three, squaring the match. The 11th was halved in fours and Barnes again went one up by winning the 12th, 4 to 6. Barnes then startled the gal-leries with an "eagle" two on the 305-yard 13th. He drove his mashie niblick 125 yards from behind a mound hiding the cup, on to the green about a yard from the pin and rolled in. Barnes again went two up by winning his hole. Hagen won the 14th, 4 to 5, and the 15th and 16th were halved in

four. Hagen then squared the match with a 12-foot putt for a "birdie" three on the 17th. The 18th was halved in four, Barnes missing his putt for a three, and the extra hole went to Hagen, 3 to 4, the champion eaching the green from the tee and taking two putts.
