Mr. Heinricks Was Ready To Give Up. Then He Found How to Regain Health.

"My first sleep in 3 months was on the second night after I began using Milks Emulsion. I had had a bad case of stomach trouble and constitution for years and was ready to give up. I was troubled with gas, dizziness, bloat after esting, gnawing sensation and cramps in the stomach. Milks Emulsion was a Godsend to me. I want everyone to know about a medicine that will cure cases like mine."—C. E. Heinricks, 702 S. Alabama St., Indianapolis, Ind.

Thousands of sufferers from catarrh of the stomach, indigestion and bowel troubles, have found that Milks Emulsion gives prompt relief and real justing benefit.

Milks Emulsion is a pleasant, nutritive food and a corrective medicine. It restores healthy, natural bowel action, doing away with all need of pills and physics. It procuctes appetite and quickly puts the digestive organs in shape to assimilate food. As a builder of flesh and strength, Milks Emulsion is strongly recommended to those whom sickness has weakened, and is a powerful aid in resisting and repairing the effects of wasting diseases. Chronic stomach thouble and constipation are promptly relieved—usually in one day.

This is the only solid emulsion made,

A thankful letter about the benefits received from using Sulpherb Tablets. Its effects are like grandmother's remedy of sulphur, cream of tartar and mo-lasses. But this consists of sul-phur, cream of tartar and herbs, in a sugar-coated tablet, easy and pleasant to use, for bad blood, stomach, liver and bowel

Mr. John M. Plemons, Ring-gold, Georgia, writes: "I had an awful bad case of stomach trouble and constipation, and had the service of a specialist with only temporary relief. I saw an advertisement of Sulp-herb Tablets and began using them, and in a short time noted very good results, and I further used them, and at this time am perfectly well as far as I can tell. I don't recommend anything unless I receive some good results. Some friends use them and they also note good results, etc." Druggists sell Sulpherb Tablets everywhere. Don't take ordinary "sulphur" tablets and be disappointed.

Easy to Make This Pine Cough Remedy

mands of families swear by its compt results. Inexpensive, and saves about \$2.

You know that pine is used in nearly all prescriptions and remedies for coughs. The reason is that pine contains several peculiar elements that have a remarkable effect in soothing and healing the membranes of the throat and cheat.

Pine cough syrups are combinations of pine and syrup. The "syrup" part is usually plain sugar syrup.

To make the best pine cough remedy that money can buy, put 2½ ounces of Pinex in a pint bottle, and fill up with home-made sugar syrup. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, you make a full pint—more than you can buy ready-made for three times the money. It is pure, good and very pleasant—children like it.

You can feel this take hold of a cough cr cold in a way that means business. The cough may be dry, hoarse and tight, or may be persistently loose from the formation of phlegm. The cause is the same—inflamed membranes—and this Pinex and Syrup combination will stop it—usually in 24 hours or less. Splendid, too, for bronchial asthma, hoarseness, or any ordinary throat ailment.

Pinex is a highly concentrated compound of genuine Norway pine extract, and is famous the world over for its prompt effect upon coughs.

Beware of substitutes. Ask your druggist for "2½ ounces of Pinex" with directions, and don't accept anything else, Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Ft. Wayne, Ind.

MEAT CAUSE OF

Take Salts to flush Kidneys if Back hurts or Bladder bothers.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is a source to be a so when the weather is bad you have rheumatic twinges. The urine gets sloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or

three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush off the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a table-spoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of mous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weak-

Jad Salts is inexpensive; cannot injure, and makes a delightful effer-vescent lithia-water drink.

Hudson for Five Years the Master in Motor and Style

Hudson Created the Touring Limousine, the Sedan and Other Distinctive Body Designs, and the Exclusive Super-Six Motor.

Don't Fail to See "The Special Exhibition" "It will be heard then on its merits and a final decree entered so that the losing side can appeal to the supreme court if it desires." of Special Show Models at Our Salesroom

No other fine car is so well regarded by so many people as the Hudson Super-Six. The proof is everywhere about you. More than 85,000 are now in service, and for five years it has been the world's largest selling fine

You will see more Hudson closed and chauffeur-driven cars on the fashionable boulevards than any other make. Observe its predominance in any assemblage of fine cars.

Each body type is noted for handsome appearance and rich completeness of every detail. Hudson created new standards of beauty. All know how its leadership in design is acknowledged.

But Hudson's chief appeal must always be in performance.

What Car Can Match Hudson's Proofs?

If any car disputes Hudson's supremacy in speed, endurance, hill climbing or acceleration, it is not by official proof.

Hudson history is written in the records of the greatest speed and endurance tests known. All automobile engineers were seeking ways to reduce motor vibration when Hudson solved the problem with the patented Super-Six motor. It added 72 per cent to power and almost doubled efficiency. No weight

or cylinders were added.

The Super-Six at once established its leadership by every avenue open to proof. 'It became the most famous speed car, winning all important stock car speed records, and with special cars embodying the Super-Six principle it won distinction in all championship speedway events.

It Proves the Endurance You Want in Your Car

But it was not to prove speed that these tests were made. Hudson merely established

its speed qualities in development of its value as a reliable, enduring car, such as you want. And remember, it was chiefly through endurance, made possible by its exclusive mo-

tor, that Hudson won these victories. Such tests crowd scores of miles into one. They impose a strain that could be equalled, in ordinary driving, only by years of hard use.

These Tests Helped Build the Present Hudson

These records are three, four and five years old. Yet they have never been matched. And Hudson is a better car today because of what they taught.

Its 7,000-mile run, across the continent and back, in 10 days and 21 hours, and its 24hour run of 1,819 miles, equalling a distance from New York to a point west of Denver, showed ways to improve the Super-Six. New metal compositions resulted from

these experiences. Ways to overcome minor troubles were discovered. Owners have helped, too. They gave information that led to elimination of faults common to all cars. But not the slightest change has been made in the Super-Six motor principle. For

no way has been found to improve it. Hudson's Leadership in Sales Holds Unbroken

And because Hudson has found no rival in the five years since it began its recordwinning career, its sales leadership among all fine cars has been steady and secure.

Hudson production has always been under the demand. This year shows a repetition of the shortage. Immediate deliveries for the most part are out of the question. So to get a Hudson at all this summer calls for early,

We suggest that you place your order at once to assure delivery.
