## REDISTRICTING MEASURE PASSES SECOND READING

### Plan to Change Legislative Districts in State Carries by a Vote of 63 to 19.

Lincoln, Neb., March 11.—(Special.)—By a vote of 63 to 19, the constitutional convention passed on second reading proposal 314 which divides the state into legislative and senatorial districts and counties having more than one representative shall be divided into as many districts as representatives are to be elected instead of as a whole as at present. The basis of apportionment shall be as shown by the census and the legislature may reapportion the state not oftener than once in 10 years.

Proposal 303, North's proposition for eliminating the senate and making a one house legislature over which the lieutenant governor should preside, brought on a tangle from which the members were unable to unwind themselves. Trouble was caused by the submission of the proposition in two forms, one for one house and the other for two. The convention settled the debate by putting the final adjustment over until Friday when it is hoped some one will have a vision which will solve the tangle.

### Short Ballot Dies.

Short ballot advocates appear to have given up all hope of cutting down the elective officers of the state and by a practically unanimous vote the convention considered a motion of Meserve to bring back Proposal 327, and reinstate the office of land commissioner.

A matter of considerable importance came up when President Weaver appointed three committees which will have the promulgation of a plan for submission of the work of the convention to the voters.

### Appoint Three Committees.

The members of the three committees are as follows:

Manner and form of submission: To Peol, chairman; Byrum, Coufal, Flansburg, Holbrook, Magney, Matteson, Meserve, McLeod, Norval, Olson, Peterson, Pitzer, Scott, Tyler, Varner, Wiltse, Votava.

Public Information: Keefe, chairman; Anderson, Bigelow, Butler, Cornell, Cowan, Davies, Howard, Lewis, Lute, Marvin, Pugsley, Rankin, Reem, Sears, Stebbens, Wilson of Dawes.

Address to the People: Weaver, chairman; Abbott, Albert, Beeler, Donohoe of Holt, Epperson, Evans, Fernau, Hearty, Hastings, Jackson, Junkin, Lahner, McDonald, Norman, Norton, Nye, Pollard, Saunders, Sellick, Sidner, Spillman, Stewart, Taylor, Wall.

### Pass Second Reading.

The following proposals were passed by the constitutional convention on the second reading:

- No. 330—Providing that all springs, coal, oil or minerals on state-owned land shall never be alienated, but laws may be made for leasing or development on rental or royalty basis. Vote, 61 for; 39 against.
- No. 128—Declaring water in natural streams for domestic use and for irrigation as a natural right, and that no unappropriated water for public use shall ever be denied, priority user to have preference, vested rights to be reserved. Vote, 75 to 4.
- No. 248—Public utility corporations incorporated under laws of another state must become a body corporate under Nebraska laws to do business in this state. Vote, 66 to 11.
- No. 278—Public utility corporations shall not issue stock or bonds except for money, labor or property actually expended, and all fictitious stock, dividends or other fictitious increase of capital stock or indebtedness, shall be void. Vote, 77 to 6.
- No. 274—The voting stock of public utility and other movable property shall be liable to execution and sale in same manner as personal property of individuals. Vote, 75 to 1.
- No. 275—Require every public utility corporation organized or doing business in the state to report to the State Railway commission under oath all data regarding the business required by the commission or by laws. Vote, 75 to 1.
- No. 265—County authorities shall never assess taxes the aggregate of which shall exceed 50 cents per \$100 valuation, as shown on grand assessment roll, except by special act of the legislature, except by vote of the people. Vote, 76 to 2.
- No. 232—The use of waterpower when deemed a public use shall never be alienated, but may be developed as prescribed by law. Vote, 75 to 4.
- No. 224—No distribution of the general school fund shall be made to districts which during the year have a maintenance school during the minimum term required by law. Vote, 75 to 1.
- No. 111—Jerry Howard's proposal providing that laws may be made for the regulation, hours and conditions of employment of women and children and securing such employees a proper minimum wage. Vote, 70 to 12.
- No. 314—Balances compensation of members of the legislature from \$600 to \$800 per session. Vote, 75 to 6.

## Held for Wearing Uniform in Sympathy Plea for Alms

Lincoln, Neb., March 11.—(Special.)—Frank Fiala came here from Omaha wearing an army uniform, asking alms. He is being investigated by police and American Legion officials. He declares his uncle resides in Tobias, Neb.

After much question by army recruiting officers, he admitted that he had not been in military service, and was not entitled to wear the army uniform. He is being held by police.

## Department of Labor Clerk Stricken With Smallpox

Lincoln, March 11.—(Special.)—A young woman employed in the office of the department of labor has been stricken with smallpox, working up to the time she was taken ill. As a consequence there is much agitation on the top floor of the state house for none of the numerous good looking clerks want to take any chances of having their beauty ruined by pockmarks.

## Omaha District Judges All Seek Renomination

Lincoln, March 11.—(Special.)—The six Douglas county district judges, Charles Leslie, Charles A. Goss, Arthur C. Wakeley, Lee Estelle, Alexander S. Truap and W. A. Redick, filed their petitions with the secretary of state for renomination in the Fourth judicial district.

Pills Cured in 6 to 14 Days  
Druggists refund money if FAZO OINTMENT fails to cure itching, Blind, Bleeding or protruding Fissures. Stops Irritation, Swelling and Heat. You can get relief now after the first application. Price 50c.

## Discrimination Charged in Disposition of Freight Cars

Lincoln, March 11.—(Special.)—The Farmers Grain & Supply Co. of Hildreth has written to the state railway commission protesting against the action of the Burlington railroad in not furnishing grain cars. The neighboring towns of Kane, Franklin and Bloomington, it is said, have been able to get cars with the result that 50,000 bushels of grain which should have gone to Hildreth has been taken to other towns.

J. M. Haskins of the Atkinson Community club sends a similar protest regarding cars for shipping hay. He says that they are unable to get cars at Atkinson while at Stuart they are getting plenty, with the result that much trade which should come to Atkinson goes to Stuart.

## Hold Farmer Guilty for Smuggling Load of Booze

Lincoln, Neb., March 11.—(Special.)—Clifford K. Martin, Blue Hill farmer, was found guilty in federal court today of transporting 295 quarts of intoxicating liquor from St. Joseph, Mo., to Hastings last July.

He has not yet been sentenced. The liquor was stored in a compartment of a Pullman car at St. Joseph and carried in 11 suit cases and other packages. Martin denied having anything to do with placing the liquor on the train.

## Omaha Man Sentenced

Lincoln, Neb., March 11.—(Special.)—Louis J. Unger of Omaha, pleaded guilty in federal court here today to disposing of morphine and sending poisons through the United States mail. He was fined \$100 and costs on the first charge, and sentenced to 60 days in the county jail on the second count. His case was transferred from Omaha to Lincoln when he urged an early hearing to plead guilty.

Lighting Fixtures, Burgess-Grandson—Adv.

## JACKSON WILL ACCEPT FILING FRIENDS REPORT

### Former Speaker Will Contest With Grant L. Shumway For Democratic Nomination for Governor.

Lincoln, March 11.—(Special.)—Speaker George Jackson will accept the filings made for him as candidate for the democratic nomination for governor. This is the statement made by members of the convention to whom he expressed his intended action before leaving for home.

This will make two filings for the democratic nomination, Grant L. Shumway having filed some time ago. Petitions have been filed for former Governor John H. Morehead at two different times, but each time the five days given for acceptance has elapsed without the necessary action on the part of Mr. Morehead.

The following filings for office were received by the secretary of state:

E. M. Neubarner of Orleans, for the republican nomination for the state senate from the Twenty-first district, represented in the last two sessions by J. W. Hammond of Cambridge.

Henry Behrens for renomination as a republican candidate in the Twenty-second representative district.

E. A. Wight of Wolbach, for renomination as a republican in the Fifty-second representative district.

Henry M. Kidder of Fremont, as district judge in the Sixth judicial district.

## Hastings Man Will Continue Fight for License Tag Screws

Hastings, Neb., March 11.—(Special Telegram.)—J. H. Riffe, good roads advocate and officer of the Old Highway, has announced his intention of bringing suit against Governor McKelvie and other state officials charged with the enforcement of the motor vehicle law. The action will be for a principle, for

damages and for about 500,000 screws, the latter to be distributed among the 210,000 car owners in Nebraska.

Mr. Riffe refused to attach the 1920 seal and certificate of registration to his car because the state would not furnish the screws. He hoped thus, he said, to compel the state to obey its own laws, passage of which he had himself advocated, but instead he was fined \$33.75.

On the advice of his attorney that his only recourse is by "direct action," he paid the fine and will bring suit for damages, claiming that the state officers are mulching the car owners of the state out of about

\$20,000 a year by making them buy screws.

This week a representative of State Agent Hyers came to deliver the delinquent screws to Mr. Riffe and to "talk things over," but Mr. Riffe refused to give car to any peace proposals that does not embody his point No. 1, that the state deliver screws with each seal.

## Kearney to Hold Special Election On School Bonds

Kearney, Neb., March 11.—(Special.)—The Board of Education, at a special meeting held last night, determined to call a special election

in April for voting \$125,000 bonds for a new school building, and completing equipment of gymnasium in two grade schools. The new building will be erected on the high school campus and will accommodate 400 students. A new building will relieve present congestion.

## Fremont Paving On Lincoln Highway Ordered Resumed

Fremont, Neb., March 11.—(Special.)—State Engineer Johnson has ordered John Kerns, superintendent for the Hugh Murphy Construction company, to resume work on the construction of six miles of concrete

paving west of Fremont on the Lincoln highway. It is expected that the work will be completed June 1.

## Librarian of Peru Normal For Last 12 Years Dies

Auburn, Neb., March 11.—(Special.)—Miss Mary Tynon, assistant librarian at the Peru State Normal school for the past 12 years, died at her home there of heart disease Tuesday.

She had just returned from an Omaha hospital where she had been taking treatment. Miss Tynon was the daughter of William Tynon, a wealthy pioneer of the state. She
