Good Furniture Is Low Priced and Plentiful at Hartman's

In almost every city in the United States furniture dealers are seriously handicapped because of a scarcity of merchandise. Every furniture factory in the country is working to capacity, and even then are unable to satisfy the demand. The result of such a condition is, of course, high prices and limited selection, but fortunately this condition does not exist at Hartman's. Because of our tremendous distribution in normal times, furniture manufacturers want our business—our orders get prompt attention; we are given the lowest possible prices. Now we want you to profit by the advantages our institution gains from furniture manufacturers—we want you to fully realize the advisability of buying from Hartman's, and we therefore ask you to visit our store tomorrow on an inspection tour. Your credit is always good.
