

HOPES FOR BIG TRACK MEET AT OMAHA KILLED

Efforts to Bring Missouri Valley Association Together for This Year Proved Unsuccessful.

The Missouri Valley high school track meet will not be held in Omaha or any other place this year, according to Coach Harold R. Mulligan of Central high school.

The war was the reason for the meet being indefinitely postponed. Since then there has been little action on bringing the association to life again.

It takes too much money to send the track teams to the meet," said Coach Mulligan. "The schools cannot afford it. Should the meet be held, Omaha is the place to have it because it was selected by the last meeting of the association. There is no suitable place in Omaha for a big meet."

Little Chance for Meet. "The meet would have broken up as early as 1915 had it not been for sports track enthusiasts in Kansas City and St. Joseph," continued Mr. Mulligan. "But these men have left school. I concluded therefore that there is very little chance of staging the meet, especially this year."

The local high schools will have to be content with the class, inter-city and state meets this year. The first two will be held in Omaha. The annual state meet will be held in Lincoln May 15.

The proposed meet between the local and Council Bluffs high schools is something new in this vicinity. This is the first time that all local high schools will have track squads.

Coach Mulligan has much material, although only two veterans are back. Herlman Swoboda, who placed in the half-mile last year in the state meet, and Howard Turner, high jumper, are expected to repeat their performances of last season.

Turner Looks Good. Turner will try the high hurdles this year, and should do something in the state meet. Beryl Meston, who took first place in the state meet, is ineligible because of studies.

Floyd Green, who placed fifth in the 100-yard dash, is back this year. Frank D-uh is the only Central man that has been practicing.

Hagen Looms as Golfer To End England's Reign

Detroit Club's Professional May Sweep Away Great Britain's Supremacy of Links, Which Has Withstood All Onslaughts for Many Years.

Over a stretch of years England has seen supremacy in many sports pass to the United States. We are now perched on the pinnacle of boxing, athletics and tennis.

The despairing Briton, glancing down the short list of sports where his countrymen still hold the upper hand, picks up courage when golf is reckoned. Ah! here is a game century-old, one that England has safely defended against the world, which means mostly the U. S. A.

In former years the British Isles could probably produce 50 capable players to every one developed in this country. The record of international matches was topsy-turvy with English victories.

Travis Annexes One. To be sure, Walter J. Travis did manage to annex the English amateur title about 15 years ago, and Francis Ouimet, when only a mere youth, triumphed over Harry Vardon and Ted Ray, famous English professionals, in the American open championship in 1913 at Brookline.

It was officially announced yesterday by H. R. Sells, sales manager, that the Union Outfitting company team, last season's class B and City league pennant winners, would not be in the field this coming season.

Therefore the franchise held by Union Outfitting company backers has been forfeited and the Paxton-Vierling, last season's runner-ups in the American league, who were awarded the franchise held by the Outfitters, in case the latter team decided not to enter, have been given their franchise and the City league, which will play class A ball this year, has been completed for the season.

The following six teams are in the race for the 1921 pennant: Riggs Optical company, Paxton-Vierlings, McCaffrey Motor company, Union Stock Yards, H. R. Bowens and Nebraska Power company.

Season Opens April 18. President Jacobs of the league, yesterday announced that the opening games on Sunday, April 18, will be as follows: Nebraska Power Co. against McCaffrey; Bowens against Paxton-Vierling; and Union Stock Yards against Riggs Optical Co.

Meet at City Hall. The Inter-City and Booster leagues will meet tonight at the city hall. Four teams have already applied for entry in the Inter-City circuit. They are the Townsends, Omaha Printing company, Hermansky/Pharmacy and the Sprague Street Merchants.

CREIGHTON WILL BE REPRESENTED IN DRAKE MEET

Bill Adams and Ed O'Neill to Represent Blue and White in Annual Drake Tennis Tournament.

Will Adams, city tennis champion, and Ed O'Neill, both Creighton students, will represent Creighton in the annual Missouri Valley tennis tournament at Drake university, Des Moines, in May.

It will be Creighton's first appearance in tennis competition in several years.

Adams was Iowa state champion in 1916 and was a member of the championship doubles team that won the city title here on two different occasions.

O'Neill ranks among the best net players in the city.

O'Neill and Adams have played together for several years on Omaha courts and Creightonites are expecting them to show some class in the Drake meet.

First American Team To Enter Olympiad Before Next Friday. New York, March 14.—Active participation of the United States in the seventh Olympiad, at Antwerp, Belgium, will begin with the sailing of the entry of a hockey team on or before next Friday, which will be the first formal entry by the Americans.

This was one of many important decisions reached at the meeting of the American Olympic committee here Saturday. Quick action was necessary owing to the fact that the entries close on March 19 and the play begins April 20.

President Wilson was unanimously elected honorary president of the committee and Mathew P. Halpin, of the New York A. C. team manager, the same position he held on the American Olympic teams of 1906-08.

CANDIDATES FOR MAROON TRACK TEAM GAIN PEP

Coach Adams' Energies Centered on Preparing Squad for State Conference Meet.

The closing of the basketball season last Friday night, and the sudden arrival of a balmy brand of spring weather, has put "pep" into the candidates for Coach Adams' track squad which numbers nearly 35 Maroons.

Coach Adams' energies are centered on preparing a Maroon team for the annual state conference field and track meet, May 22, at Nebraska Wesleyan university.

Good Material in Sight. Adams has some very good material in school, and with his ability to mold together a team, the university should show some class in track this year.

ILLINOIS BEATS UNIVERSITY OF IOWA IN TRACK MEET

Champaign, Ill., March 14.—Illinois defeated the University of Iowa, in a dual indoor track meet by a score of 62 to 31.

The meet was the only first place winner. The conference indoor track one mile relay record was broken when a team composed of Spink Emery, Donohoe and Schlapfer, of Illinois, bettered the former record of 3:29.3-5 by one second.

Illinois easily won the dashes and distance runs. Nearly 3,500 students attended the meet which was held in the armory.
