

## NEELY SCORED FOR RELEASING BONE FROM JAIL

United States Commissioner Loses Faith Following Attempt of Youth to Release Federal Prisoners.

United States Commissioner R. D. Neely was under fire at the federal building yesterday for permitting the release from jail last Thursday of W. H. Bone, who confessed Saturday night to being the man who smuggled into the county jail revolvers, cartridges and saws with which 12 federal prisoners planned to accomplish a general jail delivery.

Bone in his confession stated he passed the jail delivery materials to prisoners at the jail last Friday afternoon, the day after his release was made possible through a "sob" plea presented to Commissioner Neely by Mrs. Birdie Wharton, 4312 Seward street, with whom Bone had been boarding for two months.

Following Mrs. Wharton's plea, Bone was released on his own recognizance and on a temporary bond signed by Mrs. Wharton, who later failed to qualify as a property holder for the \$1,000 bond required.

Assistant United States District Attorney Frank A. Peterson said the Bone case should result in more care in accepting bonds for prisoners held to the federal grand jury and declared releases in all cases should not be ordered until after investigation of questionable bondsmen.

Postoffice Inspector Coble and deputies in United States Marshal Flynn's office also criticized action in releasing prisoners on inadequate bonds.

Commissioner Neely said Federal Judge Woodrough approved the Bone release.

"Maybe it was a 'bone' play," he admitted, but everything looked all right.

He has lost faith in women's pleas for prisoners, he said.

Commissioner Neely canceled an inadequate Bone's former bond of \$1,000 yesterday and set \$2,000 as the new figure. Bone was unable to furnish the amount.

## Central High School Cadet Company "C" Leads Regiment

Cadet Company C at Central High school is leading the regiment in pep and spirit since the winning of first place in the "Purple and White Week" pageant Friday. A jazz orchestra is being formed which will play at mass meetings and at a company banquet to be given later this month. Company C is the only company so far that is awarding medals to its men for individual drill. Richard Wagner is captain. The following are lieutenants: Rasgorshek, Ortmann, Parker and Elledge. ## Ten Years Younger Than His Years

Doesn't it make you feel good—cause you to straighten up and feel "chesty"—when someone guesses your age at ten years or so younger than you really are? You look into your mirror, smile with satisfaction and say to yourself: "Well, he didn't make such a bad guess, at that."

The point is: You're no older than your vitality. If a man is strong, vigorous, mentally alert, fine and fit at 60 he has a better chance of living up to 80 than a man of 30 who is weak and run-down has of living up to 60. While none of us can stay the years nor stop time, we should all make an heroic effort to successfully resist the effects of time by ever keeping our vitality at par.

When you sense a feeling of slowing down of your physical forces—when your stomach, liver, kidneys and other organs show signs of weakness—when you notice a lack of your old time "pep" and "punch"—in other words, when you feel your vitality is on the wane, you should com-

## FOUR INJURED IN TWO AUTOMOBILE ACCIDENTS HERE

Victims Suffer Cuts and Bruises—None Fatal—No Arrests Made.

Four persons were injured in two automobile accidents that occurred almost simultaneously at 9:30 yesterday morning at Tenth and Jackson streets and Forty-second and Dodge streets.

George Gans of Grand Island, Neb., injured at Tenth and Jackson streets, was rushed to St. Joseph's hospital. His injuries are internal, but he will recover, physicians say.

The accident was a collision of a northbound Tenth street car and an automobile driven by George Armbrust of Gretna, Neb.

Mrs. T. H. Tracy, 1712 North Twenty-fifth street, occupant of an automobile which her husband was driving, fortunately escaped serious injury or possible death when she crouched in the front tonneau of the car an instant before it was struck broadside by an automobile driven by George Thrain, employee of the Nebraska Paige Automobile company.

Mrs. Tracy suffered bruises about the body. Her husband was injured internally. He was unconscious for a half hour. Both were taken to their home.

George Thrain was slightly injured about the legs and arms. No arrest was made.

## Ministers Defer Action On Publicity for Church

A report of the committee on publicity of the ministerial union submitted at the monthly meeting of the body at the Y. M. C. A. Monday morning, was carried over until the next morning for further consideration.

According to members of the union, the matter of the proper kind and amount of publicity for churches is a big problem today. Additional discussion of the report will be had at the April meeting. Representatives of the press may be invited to attend that session to explain and suggest courses that might be followed.

Dr. D. E. Jenkins read a paper on "What is the Effect of Some Current Views on the Virgin Birth of Christ?" Dr. Jenkins opposed any of the views that question this.

## Defer Action On Proposal To Reduce Electric Rates

The city council committee of the whole deferred action for two weeks Monday on an ordinance prepared by Corporation Counsel Laund, and offered by Commissioner Butler, for the proposed reduction of electric light and power rates. It is proposed to fix the maximum rate at 5 cents per kilowatt hour and to permit the company to fix a graduate schedule below the maximum, subject to approval of the city council.

"This plan would save the small consumers \$140,000," announced Commissioner Butler.

## Campaign for \$500,000 to Start for Bellevue College

Bellevue college will be reopened as soon as a fund of \$500,000, planned by the board of trustees at a meeting in the University club, can be raised, it was announced Monday.

Financial difficulties closed the school, but the sale of 215 acres of land adjacent to the buildings has alleviated the burden.

The institution will continue as before, and will be co-educational.

### Nab 24 Negroes in Big Game of "African Golf"

Harry Norman, proprietor of a pool hall, 4717 South Twenty-seventh street, was fined \$50 and costs in South Side court Monday after conviction on a charge of conducting a disorderly place.

Twenty-three negroes, arrested as inmates, were discharged. Sergeant Mike McCarthy and Detectives Baughman and Herdina raided the pool hall Sunday night. They say gambling was going on and that cards and "African golf" were the games played. Cards, a set of dice and a small amount of money found on a table were seized by the officers.

### Division in Church Scored By Evangelist Whiston

The sin of division in the church was handled without gloves Sunday by Dr. R. F. Whiston, who is conducting a meeting in the South Side Christian church.

"The strength we ought to use unitedly in building up a mutual kingdom to God is often wasted in fighting each other," he said. "We have altogether too much churchianity and too little Christianity."

It was announced that the evangelist would give his famous baseball sermon on "Heroes" Wednesday night.

### What causes Indigestion

An excess of acid in the stomach sours the food and starts fermentation. Distressing gases form. Your meals don't digest but lay like lumps of lead. Then you have heartburn, flatulence, fullness, belching, headache, and real misery in the stomach and intestines.

A few tablets of "Pape's Diapiesin" bring relief almost as soon as they reach the stomach. "Pape's Diapiesin" costs little at drug stores.

**MANY CASES OF RHEUMATISM NOW**

Says We Must Keep Feet Dry, Avoid Exposure and Eat Less Meat.

Staff off the damp ground, avoid exposure, keep feet dry, eat less meat, drink lots of water and above all take a spoonful of salts occasionally to keep down uric acid. Rheumatism is caused by poisonous toxin, called uric acid, which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine. The pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed, thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system, eventually settling in the points and muscles causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant, effervescent lithia-water drink which overcomes uric acid and is beneficial to your kidneys as well.
