

WOMAN WINS RECORD SUM IN DAMAGE SUIT

Verdict for \$12,950 Largest Ever Granted for Injuries Sustained in Automobile Crash in Douglas County.

Clayton B. Erb, 506 South Thirty-first street, must pay \$12,950 for injuries suffered by Mrs. George Sparks, when the Sparks and Erb automobiles collided at Thirty-ninth and Dodge street the night of September 10, 1919. This was the verdict returned by a jury in District Judge Redick's court today in a suit for \$16,500 brought by George Sparks for the loss of the services and companionship of his wife and for his own injuries and damage to his automobile. Mr. Sparks is manager of a department in the Brandeis stores.

The verdict is said to be the largest ever granted for injuries sustained in an automobile accident in Douglas county. Mrs. Sparks was confined to her bed for three months after the accident and doctors say she will never regain her former health.

A few weeks ago Mrs. Sparks won a verdict of \$2,500 in the same case.

STOMACH TROUBLE AND CONSTIPATION ENDED

Suffered So He Couldn't Work for a Year, but Mr. McCormick Was Cured Promptly.

"I had stomach trouble and constipation for five years. One year of this time I was unable to work, suffering untold agony. I doctored with some of the best physicians, also took many proprietary medicines, but could not find permanent relief. Finally a friend recommended Milk's Emulsion. The first few doses relieved me greatly, and three bottles of it effected a permanent cure."

C. A. McCormick, Anderson, Ind.

Mr. McCormick is only one of many hundreds who have endured torture for years and then found that Milk's Emulsion gives blessed relief and real, lasting benefit. It costs nothing to try.

Milk's Emulsion is a pleasant, nutritive food and a corrective medicine. It restores healthy, natural bowel action, doing away with all need of pills and physics. It promotes appetite and quickens the digestive organs in shape to assimilate food. As a builder of flesh and strength, Milk's Emulsion is strongly recommended to those whose sickness has weakened, and is a powerful aid in resisting and repelling the effect of wasting diseases. Chronic stomach trouble and constipation are promptly relieved—usually in one day.

This is the only solid emulsion made, and so palatable that it is eaten with a spoon like ice cream. Truly wonderful for weak, sickly children.

No matter how severe your case, you are urged to try Milk's Emulsion under this guarantee—Take six bottles home with you, use it according to directions and if not satisfied with the results, your money will be promptly refunded. Price 60c and \$1.20 per bottle. The Milk's Emulsion Co., Terre Haute, Ind. Sold by druggists everywhere.

High Heeled Shoes Out of Style, Says Y. W. Director

"High-heeled shoes are not only unhealthy, but they are also out of style," declares Miss Galena Stowell, physical director at the Y. W. C. A. "And we are going to prove it to Omaha women, when we put on display all styles and makes of shoes from Omaha, Chicago and New York merchants at our Health week exhibit, beginning March 28.

"The most modish women in the country today are wearing street shoes with broad toes, straight line, flexible shank, and low heel. "During our Health week, we will teach women exercises to strengthen their arches so they can wear low-heeled shoes."
