The situation in the western industrial regions and in upper Silesia, firmation particularly Breslau, is still serious, the advices add. The country populations, however, are calm.

EBERT CONTROL OF GOVERNMENT PLEASES ALLIES

Warned That German Disorder Imperils Good Relations of Country Abroad.

By PARKE BROWN.

York Times-Chicago Tribune Copyright, 1920. Berlin, March 22.-Berlin representatives of the United States, Great Britain, France, Italy and

Belgium have expressed to the souri, also is planning to resign. Ebert government their satisfaction with his recovery of control. They warned him that German disorder imperils the establishment of good relations abroad and improvement in provisioning the country and in the unfavorable economic conditions through relief measures already projected.

Numerous meeting of the majority socialists, independent socialists and communists in Berlin formally have declared that not only are they for a representative government, but also that the party heads have proved so unsatisfactory that they must be replaced immediately. Special elections will be called soon. The independents plan election of their factory councils today.

The north end of Berlin practially is cut off from the rest of the city by trenches, barbed wire and patrols. This is the laboring section where the government, is straining every nerve to keep order.

Russia and Germany Must Be Recognized To Escape Starvation

Rome, March 22.-Premiere Nitti, outlining to the chamber of deputies the policy of the new cabinet, declared all European countries were facing a difficult situation and were threataened with famine unless peace should quickly be re-established. 300,000,000 workers do not produce to be announced soon from the day.
