

RALLY MEETING OF REPUBLICAN WOMEN PLANNED

Wednesday Gathering in Lyric Building Most Important Before Primaries, Says Mrs. Draper Smith.

Mrs. Draper Smith, chairman of the republican women's committee, announces that the meeting of republican women called for Wednesday afternoon in the Lyric building, Nineteenth and Farnam streets, will be the big rally for the primary.

Miss Nettie Bauer, national organizer, assigned to Nebraska by the women's division of the republican national committee, will speak at this meeting and will offer the benefit of her wide experience as an organizer. She will tell the women how they can simplify their work to obtain the best results.

Mrs. M. D. Cameron of this city, district representative of the national committee, has gone to Lincoln to meet Miss Bauer, who speaks tonight in the capital city. Mrs. E. E. Drake of Beatrice, state chairman of the women's division, will attend the meeting here Wednesday afternoon.

"This meeting on Wednesday will be the most important for republican women before the primary next month," Mrs. Smith said. "After Miss Bauer has spoken to us, we will then have group meetings of the ward chairman and their precinct workers. We invite all republican women to attend this meeting and hear Miss Bauer, whether they are precinct workers, or members of the rank and file."

The republican women's committee, 310 South Nineteenth street, has received 30,000 circulars for general distribution. Women are invited to call at headquarters.

ASKS RECEIVER FOR MANHATTAN OIL COMPANY

John B. Nichols Files Suit Accusing Officers of Unfair Practices.

An accounting of the affairs of the Manhattan Oil company and appointment of a receiver were asked yesterday by John B. Nichols in a suit filed in district court against the company, George A. Steele, its vice president; C. A. Youngerman, secretary-treasurer; James P. Howe, president, and Mrs. Amanda Howe, his wife.

Nichols alleges that Mr. Howe has issued to himself 14,380 shares of the company's stock, and to his wife 1,498 shares for which shares he alleges no services were given or money paid, except a promissory note which is held by Mr. Howe, Nichols alleges.

He charges that Messrs. Youngerman and Steele have conspired with Mr. Howe to control the company to the detriment of the small stockholders. He says large sums have been taken from the company's assets by the defendants and charges that Mr. Howe has used funds of the company in developing other corporations in which he is interested. Nichols charges that unreasonably large salaries have been paid.

He charges the defendants issued large amounts of stock to themselves and through the stock is selling at a premium. This, he alleges, is a fraud upon the minority stockholders.

A plan is now on foot to increase the capitalization from \$300,000 to \$1,000,000 which, Nichols says, is a move not necessary to provide funds for operating the company.

The company's main plant is at 1433 North Eleventh street. It is in a flourishing condition. A semi-annual dividend of 10 per cent on the common stock was declared last December. Mr. Nichols has also filed suit for \$1,609 of the \$2,400 which he says is due him for this dividend. He was paid only \$780, he says, though he owns 2,400 shares of stock, par value \$10 a share.

Of the past six months, he has been assigned to cases out of Chief of Detectives Dunn's office. Previous to that, Detective Cunningham was in charge of the moral squad and was instrumental in establishing that force as a separate department.

He was appointed to the police force as patrolman in April, 1900, and was made a detective several years later.

On September 29, 1913, he was severely wounded in a gun battle with a negro desperado in the basement of Mauer's cafe, that was at 1306-08 Farnam street. This home-made remedy is a wonder for quick results. Easily and cheaply made.

Here is a home-made syrup which millions of people have found to be the most dependable means of breaking up stubborn coughs. It is cheap and simple, but very prompt in action. Under its healing, soothing influence, chest soreness goes, phlegm loosens, and the business of coughing, tickling in throat stops and you get a good night's restful sleep. The usual throat and chest colds are conquered by it in 24 hours or less. Nothing better for bronchitis, hoarseness, croup, throat tickle, bronchial asthma or winter coughs.

To make this splendid cough syrup, pour 2½ ounces of Pinex into a pint bottle and fill the bottle with plain granulated sugar syrup and shake thoroughly. If you prefer, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, you get a full pint—a family supply—of much better cough syrup than you could buy ready-made for three times the money. Keeps perfectly and children love its pleasant taste.
