

South Side MEN ACCUSED OF BUYING STOLEN TIRES ARE HELD

South Siders Charged by Thief as "Fences" Bound Over for Trial On \$1,000 Bonds.

Charles Schwalm, grocer, 2235 South Twentieth street, charged with buying from Joe Nightingale five automobile tires to the value of \$115 knowing the same to be stolen, and Edward Lincoln, 719 South Thirty-fifth street, charged with buying from Nightingale 13 tires valued at \$390, knowing them to be stolen, were each bound over for trial in the sum of \$1,000 in the South Side police court Tuesday.

Nightingale, who confessed to the South Side police that he broke into the store of Herman Ure at Papillion the night of March 6, was the principal witness against the defendants.

Nightingale testified he and two other men stole a lot of tires from Ure and loaded them into an automobile truck and that he sold eight of the tires for \$50 and five of them for \$35.

Both defendants furnished bail and were released. They waived their right to offer a defense in police court.

Search for Officer Who Was Dismissed; Seen to Leave City

A search is being conducted for Patrolman P. Downs, who was dismissed from the police force Monday by Chief of Police Eberstein on a charge of conduct unbecoming an officer. An additional charge of passing a worthless check for \$20 is pending against Downs, Chief Eberstein said.

Downs was seen to leave Omaha at 1:15 Monday afternoon on a Union Pacific train. He was accompanied by a woman, Policeman Disk on duty at the Union station declared.

The charges against Downs resulted when he was reported by a patrolman for racing madly up and down L street on the South Side on a motorcycle with a girl who gave her name as Marie Davis, living in Albright, and when arrested, police say, had two quarts of liquor in the car with him.

"We won't stand for that kind of stuff," was the comment of Police Commissioner Ringer in connection with the dismissal of Patrolman P. Downs of the South Side.

Mutt and Jeff Bandits Hold Up Man On South Side and Get \$3 Cash

The short and tall highwaymen are back at work again on the South Side, according to L. Walsh, 4813 South Twentieth-second street, who reported to the police Tuesday that while on his way home Monday night about 9:45 he was held up by two unmasked men with revolvers on M street, between Twenty-second and Twenty-third streets, and relieved of \$3.

He described one of the men as 21 years old, dark, six feet tall, 160 pounds in weight and wore a dark suit, cap and overcoat and had a blue steel revolver.

The other man was about 20 years old, five feet, two inches in height, weighed about 140 pounds, dark complexion, and wore dark cap, suit and overcoat and blue steel revolver, he said.

New Packing Plant Handles 1,000 Hogs For 5-Hour Record

One thousand hogs were slaughtered, dressed and hung up in the cooling room of the Skinner Packing plant on the South Side in the record time of five hours yesterday.

R. C. Howe, general manager of the new plant, which was just opened for business last week, declared today that this test of the equipment and staff of the firm was made in an effort to break records of the South Side.

Not a hitch in proceedings was noticed from the time the hogs were led to the slaughter house until their carcasses, dressed for consumption at the tables of Omaha, were hung in the cooling room, according to Mr. Howe, who declared the test a fitting example of the efficiency of the new plant.

E. H. Schroer Dies on His Farm Near Manhattan, Kan.

Word was received Tuesday at the Exchange building of the sudden death Sunday on his farm near Manhattan, Kan., of E. H. Schroer, up to a month ago head of the bureau of markets at the local stock yards. He is survived by a wife and a daughter. The funeral was held Tuesday afternoon at Manhattan, with burial in a Manhattan cemetery.

Farm Motor Truck to Be Leading Factor In Transportation

The farm motor truck is going to be a great factor in the transportation problem the coming season, according to Charles Fawcett, a live stock man of Alliance, who was a visitor at the stock yards Tuesday.

"Few people realize the importance of Omaha as a common center of a great live stock and farming area, in which there will be a great demand for motor trucks and in which there are already many thousand such trucks in use today," said Mr. Fawcett.

"The 14 states of which Omaha is nearly the center produced last year, \$6,500,000,000 worth for the entire country and \$4,500,000,000 worth of live stock out of a total of \$8,000,000,000 worth for the entire United States. These same states furnished two-thirds of the country's corn and three-fourths of the country's wheat."

U. S. A. Retail Store To Be Closed on April 1

Official notice was received by Manager Wrede of the United States Army retail store in the South Side city hall that the store would close permanently April 1. This store has been a great factor in reducing the cost of living to the people of the South Side.

Quite a supply of goods can yet be bought at the store that are quoted far below the regular price, which includes bacon at 20 cents a pound, regular 40-cent cans of corn beef, 23 cents; 80-cent cans of baking powder, 45 cents; tomatoes, 9 cents; summer underwear, 50 cents a garment; 20-cent cans ginger, 7 cents; new double cotton blankets, \$3; combination wheel and lead harness, \$70 set; fine saddles, \$30 and \$40; 2-pound cans choice roast beef, 45 cents, and many other bargains.

Zimman Ordinance for New Appraisal of Gas Plant Filed

"Talk politics or the weather or springtime but don't talk gas," replied Mayor Smith yesterday when he was asked if there had been any developments in connection with the \$1,000,000 bond proposition which the Water board had presented to him last Saturday.

The only reference made to the gas question at the meeting of the city council was the placing on file of Commissioner Zimman's ordinance for another appraisal of the gas plant, the necessity of this ordinance having been removed when the city council voted to acquire the plant.

Commissioner Ure asked Mayor Smith and Commissioner Ringer if they would reconsider their ordinance which were directed against the ordinance to reject the appraisal. Neither would change front on this question.

VETERAN OMAHA FIREMAN LEAVES SERVICE APRIL 1

Retirement of Assistant Chief Simpson Opens Promotions Down the Line of the Department.

John W. Simpson, assistant chief of the fire department, will retire on pension April 1 and will be succeeded by George G. Crager, who has been promoted from battalion chief. Mr. Crager will be succeeded by Ernest C. Newhouse, who has been promoted from the rank of captain to battalion chief.

The retirement of Chief Simpson removes one of the most capable firemen ever in the service of the city. He is leaving the department on account of the condition of his throat and lungs, upon the advice of a physician. His recent serious illness affected him in a manner which will require a long rest for convalescence.

Alleged Pickpocket Captured; Police Find 13 Purses In His Room

Women in the city who have lost purses and handbags to pickpockets will have a "rag to chew" with one long-fingered, sleight-of-hand Mexican named Antonio Gutassos, now being held by police.

He was arrested yesterday after a running chase of two blocks by Special Detectives Larry Finn and Otto Tagal.

Mrs. John Munroe, 1625 1/2 Maple street, was Antonio's latest victim, police say. With deft fingers, the Mexican was seen to pilfer Mrs. Munroe's purse for a glove in which was concealed \$8 in currency. The detectives watched and gave chase to Antonio.

Mrs. Munroe was unaware she had been a victim until Antonio was forced to hand over the glove.

In the Mexican's room at 121 Douglas street, was found 13 women's handbags and purses, containing nothing but powder puffs and rouge containers, the detectives said.
