

FUND CAMPAIGN FOR POLAND NOW BEGUN IN OMAHA

Quota for City \$10,000—Citizens' Committee Takes Initiative—Drive Ends Saturday.

Omaha is asked to raise \$10,000 as its quota in a nationwide drive of the National Polish committee of America for \$1,000,000 to afford immediate relief for Poland.

A general canvass by letter is being made throughout the city in an effort to raise the funds.

The canvass which began Monday, will continue until March 27.

The Polish-American citizens' committee of Omaha is taking the initiative in the local campaign. The American citizens' committee, to have charge of the work, has been selected as follows: John L. Kennedy and the Rev. M. F. Gluba, honorary chairmen; Thomas W. Koziol, chairman; F. M. Madura, secretary; W. A. C. Johnson, Live Stock National Bank, treasurer; Randal Brown, Howard Baldrige, E. Buckingham, F. W. Judson, L. M. Lord and the Rev. R. L. Wheeler.

Poland, a new republic, was more completely devastated than any of the other European countries as a result of the war and was almost completely cut off from any outside assistance during the conflict. Today Poland is seeking peace and a chance to work and build. There were short crops in 1919 and the population, with famine directly upon them, have turned to America for aid until a new crop is harvested. Omaha is asked to aid with a contribution of \$10,000.

Welfare Board Gets Government Seeds For Omaha Gardens

F. H. Weirich, superintendent of the Board of Public Welfare, has received 10 large sacks of government vegetable and flower seeds, which will be distributed as soon as the ground is in condition for planting.

Mr. Weirich and Mayor Smith conferred today with Joseph Ihm, who had charge of the garden campaign last season. An enlarged program will be carried out this season. Clubs will be encouraged among the school children and gardening will be encouraged among adults.

The welfare board will promote the cultivation of vacant tracts and lots through a registration bureau which will be opened.

The city council has appropriated \$1,500 for this work, the Board of Education set aside \$3,500 and the Chamber of Commerce is expected to appropriate \$1,500.

Mayor Smith and Mr. Weirich urge citizens to plan early for gardens.

"Even if you have only a small space available for cultivation, do not neglect the opportunity to make it yield valuable food products," they urge.

Expect to Complete Argument in Paving Suit by Jamin Root

Arguments in the suit of Jamin B. Root against the Douglas county commissioners and the Allied Contractors, Inc., to prevent them from proceeding to pave 12 miles of Lincoln highway with bituminous composite instead of brick, were begun yesterday morning in District Judge Sears' court.

Attorneys said they expected to complete the argument yesterday. Judge Sears may decide at once, then, whether or not to grant an injunction against the paving, or he may take the case under advisement.

It is expected that, no matter how the suit is decided, it will be carried to the supreme court.

Judge Sears decided last Friday that the "agreement" signed by the five county commissioners, before the special election of last June in which they pledged themselves to use brick exclusively for paving Douglas county roads, has no legal binding effect.

Omaha Manufacturers Plan Three Interesting Meetings

New provisions of the workmen's compensation laws of Nebraska will be explained to members of the Omaha Manufacturers' association at the Chamber of Commerce Friday, by Frank A. Kennedy, state labor commissioner.

New plans for vocational training in schools, proposed by the state vocational education bureau, will be explained at a meeting of manufacturers a week from Friday. C. A. Fulmer and L. A. Hartley, officials of the bureau, will speak.

For the following Friday meeting of the association, Julien Arnold, commercial attaché at the American legation at Peking, will be the speaker. Mr. Arnold will discuss industrial conditions in China and possibilities for development of American business there.

Nebraska Farmers Face Shortage of Hired Help

Two or three more weeks of good weather will permit farmers to start breaking ground for spring planting, according to E. C. Schepler of Lyons, who was in Wednesday with a shipment of cattle. According to his views some of the farmers in his section are getting ready for the rush of spring work, fixing fences and repairing farm machinery.

"One of the great difficulties facing the farmers of Nebraska at present," said Mr. Schepler, "is the hired help situation. The many stories of high wages appearing in the press pointing rather than exaggerating conditions."

Live Stock Men Leave for Chicago to Attend Meeting

A number of representatives of various live stock commission firms of the Live Stock exchange left Omaha Tuesday for Chicago, where they will attend the conference on stock shipping losses, called for March 24 by the National Live Stock exchange. The conference will be held in the assembly hall of the Saddle and Siroin club at the Chicago stock yards.

It is announced that the principal object of the conference is the formulation of plans for the elimination of loss by means of shipping losses and is open to the world. Every effort is to be put forth to make the conference constructive and not destructive in its deliberations.

Charges Man Drew \$10,000 On Ill Husband's Account

Thomas Geary, South Side, testified in county court today that \$10,000, alleged to have been withdrawn by him from the account of James Carroll in the Commercial Savings and Loan association, July 1, 1919, was due him from business transactions between him and Mr. Carroll.

The suit for the \$10,000 was brought by Mrs. Margaret Carroll, who is the widow of James Carroll. His death bed when the money was drawn out by Mr. Geary and she contends the money belongs in the estate of her late husband.

New Baby Station Is Planned for Omaha Poor by the Nurses

The babies in the poor section of the city surrounding the Seventh and William streets are going to have a comparatively happy and safe summer this year if the plans of Mrs. Louis Nash work out.

Mrs. Nash and other women interested in the Christ Child society will open a baby station at Seventh and William streets.

"We will do all we can to strengthen the hold of the helpless little darlings on life during the hot season," said Mrs. Nash yesterday.

"Our plans are not worked out yet, but we expect to perfect them at the meeting of the Christ Child society in April."

"A station where mothers will be taught how to care for their babies, medical attendance and a plentiful supply of good, fresh, nourishing milk will be features of the work."

Municipal Ice Stations To Be Opened April 15

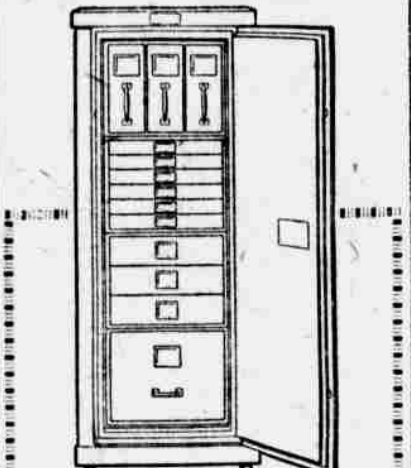

The Metropolitan Water board will open the "jitney" ice stations about April 15.

Municipal ice will be served from 20 stations, which will be three more than last season. A traveling ice station will be added to the equipment this year.

The mobile station will be placed in neighborhoods for periods of hours, according to a schedule and it will be kept replenished with ice hauled in trucks from the ice plant.

Alleged Auto Thief Is Found Guilty On Testimony of His Pal

Harry Compton was found guilty by a jury in District Judge Troup's

court of stealing an automobile belonging to Goodwin S. Bell of La Platte, Neb. The verdict was returned, sealed, at 10:30 o'clock Monday night after the jury had deliberated six hours.

Compton's "pal" Pearl Elderding, testified against him. Elderding declared that a gang to which he belonged stole 18 automobiles in a

single month. This was his highest record, he said. The Bell car was taken from Fifteenth and Farnam streets, in June, 1918.

Retiring Fireman Presented Gold Watch by Comrades

"What time is it by your watch and chain?" was frequently asked

yesterday of John W. Simpson, retiring assistant chief of the fire department.

He was presented with a valuable gold watch and chain and Masonic emblem by the men and officers of battalion No. 1 of the fire department. Capt. Robert W. Oliver made the presentation and City Commissioner H. B. Zimman expressed a

few words in praise of the excellent record which Mr. Simpson won during 33 years in the service.

The retiring assistant chief will go into the fire insurance and real estate business.
