

# NETTIE E. BAUER HAS WORD FOR WOMAN VOTERS

Makes Plea For Organization and Co-Operation in Speech Here—Sure Amendment Will Be Ratified.

Nettie E. Bauer, sent to Nebraska by the women's division of the republican national committee, yesterday afternoon told the republican women of Omaha, at an address in the Lyric building, that she was confident that national suffrage will be effective in time for the women of this state to come into full vote for the primary April 20.

She brought an inspiring message to the women who are entering into party organization and the ramifications of party politics and urged the women to join the republican party.

The meeting was called to order by Mrs. Draper Smith, chairman of the local republican women's committee. She introduced Mrs. M. D. Cameron of the state central committee.

**Urges Organization.**

"Nonpartisanship means non-effectiveness," Miss Bauer told the women. "You can not be effective outside of the party. You must have organization and co-operation."

"Women must remember that their duty to their country did not end when the war was over. We must continue our patriotism."

"Women must learn that the majority rules and they must not get peeved if the minority can not always have its way. You have been knocking at the gate so long that you may think you can have your own way in everything. I believe in evolution, rather than revolution."

"I believe that Nebraska should have at least one woman representative in congress in 1923 and I think there will be at least 48 women in congress that year."

**Men Ready to Co-Operate**

"I find that you have liberal primary laws here in Nebraska and I also find that the men are ready and willing to co-operate with the women in the field of politics."

Miss Bauer reminded the women that 90 per cent of the republicans in the lower house of congress and 86 per cent in the senate voted for the suffrage amendment.

"Women are interested in organization work and we have all learned what organization work really means," Mrs. Cameron said. "We must have purpose and principle for effective organization work. The republican party has purposes and it stands for sound principles. The history of the party is the best evidence."

**Partisan Work New.**

"Partisan work is new to women who have not learned to think of each other in terms of party affiliation. We have a vision of what the ballot means to American homes and to our party. We must carry out our citizenship with wisdom."

"One thing we must have in our work and that is men. We need comradeship and co-operation. We need practical, common sense, fearless men in our work."

Harley G. Moorhead, election commissioner, was equal to the occasion of explaining the operations of the primary and election laws. He advised the women to vote early, but made no reference to voting often. By voting early, he explained, the working men in the evening would not be delayed.

**Allowed Four Ballots.**

He also stated that the women are entitled by law to four ballots, which allows for three which may be spoiled in marking. He added that the signing of ballots by voters will invalidate them.

An opinion given by Charles E. Hughes to Mrs. Carrie Chapman Catt heartened the women in the belief that favorable action in Delaware would mean the full vote forthwith.

**Rotary Club Subscribes**

**\$5,000 to Boy Scout Fund**

Fresh impetus was given to the campaign in Omaha to raise \$5,000 for the Boy Scout movement when members of the Rotary club voluntarily subscribed \$5,000 to the fund at the regular noon luncheon in the ballroom at the Hotel Fontenelle yesterday. This brings the total subscribed to \$20,000. The club hopes to complete the campaign within two weeks.

The discussion of plans to carry the Boy Scout campaign to a satisfactory conclusion consumed most of the time at the luncheon, so that it was impossible for some of the features of the regular program to be given. The scheduled addresses of Charles Steinbaugh and Ray Gould, for this reason, will be given at the next meeting of the club.

## Over The Political Fence

If "all is fair in love and war," will the same rule apply to politics, now that women have entered this field of activity? Is chivalry to be discarded in the realms of politics? These questions have been asked by Anxious Inquirer.

Charles E. Foster, police magistrate, evidently takes a chivalrous view of the situation. When he learned that he and Mrs. Draper Smith were rival candidates for the one delegateship which the Seventh precinct of the Ninth ward is entitled to in the republican county convention, he withdrew his name rather than enter into a contest with a woman. Mrs. Smith is chairman of the republican women's committee. It has been hinted that the motive which impelled the judge to withdraw was the prospect of being defeated by a woman. Those who are more charitably inclined credit him with chivalrous motives.

Charles L. Altstadt has likewise withdrawn as a candidate for delegate to the republican county convention from the Third precinct of the Sixth ward, leaving Mrs. Blanche J. Horn without a contest for this seat.

"I want women," said H. G. Moorhead, election commissioner, explaining that he wanted them to register for the April primary and he wants them to register early. He explained that only 7,500 have registered to date and he wants to avoid a rush during the last few days of the registration, which will be closed April 9 for the primary.

Harry A. Fischer has withdrawn as a republican candidate for the Water board, which leaves this contest between Frank A. Shotwell and C. M. Wilhelm.

The election commissioner's office will be open next Saturday to 9 p. m. for the accommodation of men and women who wish to register or to revise their registrations.

"Interest in public affairs, national, state and city, should be ever present and active and not abated from one year's end to the other. Every public duty is honorable," said the late William McKinley.

W. J. Bryan will speak at Fremont next Saturday afternoon, according to information received here yesterday from Dan J. Stephens, former congressman and present candidate for delegate-at-large to the democratic national convention on the Bryan slate. Mr. Bryan will come to Omaha from Fremont to speak

## MOSES P. O'BRIEN NAMED TO SUCCEED OUSTED OFFICER

Son of Late General O'Brien Is Appointed Adult Probation Officer.

Moses P. O'Brien was appointed adult probation officer for the county, to succeed H. Andreasen, discharged on Monday, at a special meeting of the district judges of Douglas county at noon yesterday.

The late incumbent was discharged following an investigation of his activities in recommending paroles, after Omaha women had protested his securing a pardon for James P. "Red" Donahue, convicted of assault and battery against a young woman.

here in the Auditorium Saturday evening. Harland L. Mossman, chairman of the local Bryan campaign committee, will preside at the Saturday night meeting. Mrs. H. J. Bailey, chairman of the women's division of the local "independent democratic committee," is sending thousands of letters to women in connection with the Bryan meeting in the Auditorium.

## Aged Wine, Cached In Camouflaged Cave, Falls to Highjackers

Highjackers raided a wine cache on the farm of Frank Laenser, two and one-half miles north of Florence, taking 240 gallons of wine. The liquor was concealed in a cave which was covered with 15 feet of brush and was supposed to have been sufficiently camouflaged to have escaped detection.

The stock was six to eight years old and was kept in barrels.

## Children Suffer Because Culprit Gives Wrong Name

C. E. Lang, 2217 D street, believes he is the victim of a malicious joke. Saturday night police records disclosed the arrest of a young man and woman for holding hands in public. The young woman gave her name as May Dawson of Valentine, Neb., and her companion that of C. E. Lang, 2217 D street.

Mr. Lang, who is a father and who swears that he was at home with his family Saturday night, tells a pathetic story of how his children

Investigation reveals indications of the guilty young man, who forfeited his cash bond in Central police court Monday, giving Mr. Lang's name and address in a successful effort to keep his identity unknown. The girl was fined \$25 and costs.

JOHN J. PERSHING

A Nebraskan Led Us ---In War

A Nebraskan Can Lead Us ---In Peace

And--- Nebraska Decides

NEBRASKANS show your colors! Let the world know where you stand.

Are you going to join with California in putting that state's Favorite Son across?

Are you going to play "second fiddle" to New Hampshire by helping that state make a New Hampshire man President?

Or are you, as you should, going to join with other Nebraskans in giving your own Favorite Son the biggest majority a candidate ever received?

The final date for filing in Nebraska has passed.

Lowden, Harding, Poindexter and all the other "Presidential Possibilities," with the exception of two, have conceded Nebraska to its own son, JOHN J. PERSHING.

Nebraska Republicans will choose between JOHNSON of California, WOOD of New Hampshire,

and PERSHING OF NEBRASKA. Of these three, Nebraskans will, as a matter of course, unite on their own citizen, General Pershing, especially when that citizen has so well proved his splendid qualifications for the office.

If any state, from Maine to California, or from Michigan to New Mexico, could claim Pershing as its citizen that state would propose his availability for President with the unanimous support of the electorate of the state. **NEBRASKA CAN NOT DO LESS.**

Nebraska has intelligent citizens.

Nebraska has as much initiative as California or New Hampshire.

Nebraska is as deserving of recognition as any state in the union.

Nebraska has in John J. Pershing a world recognized leader.

The Nation waits only for word from Nebraska to nominate and elect him President.

You can do Your Part at the Polls, April 20th
