OMAHA BOWLERS MUST SHOW SOME CLASS IN A. B. C.

Count of 600 in Singles Means About \$8-210 Have Bettered That Mark Already. Peoria, Ill., March 27.—(Special.)—Omaha bowlers who have not rolled in the A. B. C. events here had better tune up their "eights" as some big counts are needed to get among the leading money winners. A 600 count in the individuals, at present time, is worth about \$8. Two hundred and ten scores of 600 and better have already been hung up by the bowlers who have participated in the monster event. The tournament is just a little more than half over and some of the crack bowlers from all parts of the area are still to roll. Break Many Records. For the first time in the history of the ten-pin game 3,000 marks were registered in a single tournament in the five-man event. Two world records were also knocked off with high individual marks of 2,201 and one for the five-man three-game event. Predictions are that the world's mark of 3096 hung up by the Brucks No. 1, Chicago, will stand despite of the fact that several vicious attacks have been launched against it by several teams.

Must Bowl 2802. A team in order to land better than 35th position in the tourney must knock off better than a 2802 total, while marks of better than 1,201 is necessary to land higher than 26th place in the two-man. Positions among the individual leaders are at a premium. Marks of 600 or better are needed to land among the high 40. Twenty-seven counts of 1,800 or better have been registered in the all-events. The Scott's Tents, Omaha, are holding down 38th position among the five-man team contenders with a 2,805 total. None of the Omaha two-man teams were able to hang up a mark of 2,000 or better. William Learn and Jim Martin top the Omaha bowlers in the doubles with 1,194, which gives them 30th position. Al Wartchow is leading the individuals with 634, which gives him 45th place. Will Barron, with 613, is in 105th place and Wally Schoenman, with 612, is in 117th place. The Omahaas team holds down 65th position with a 2,720 total. Wartchow was the only Omaha ten-pin smasher to land a berth among the leaders in the all-event. He tipped 1,806 pins in his nine games. Leading scores including Saturday night follow:

Archdale, Leading Sire of West Has Famous Offspring

In a small barn and paddock near the city limits of Fremont, Neb., the greatest speed producing son of Expedition is spending his declining years in peace and comfort. The horse is Archdale 37304, by Expedition 14900, son of Electioneer 125, by Hambletonian 10, by Abdallah 254, a son of Almont 33; second dam Coquette, by American Clay 34; third dam, Lizzie Carr, by Carr's Lexington, Jr. He is owned by N. J. "Nick" Ronin, dean of trotting horse breeders of Nebraska. Archdale, who is now 23 years old, was purchased by Mr. Ronin when he was 5, just 17 years ago.

He has been a "member of the family" ever since. At the close of 1919, he had 46 in the 2:30 list, 25 in the 2:20 list, 8 in the 2:10 list and two in the 2:05 list. A few of his famous get include Dudie Archdale, 2:03 1/4; Mariondale, 2:05 1/4; Miss Archdale, 2:09 1/2; Doctor Archdale, 2:09 1/4; Lord Kitchener, 2:09 1/4; Sadie S., 2:07 1/4; Lee Dale, p. 2:09 1/4, and many others. Every one of his get, which have gone to the big rings, have taken marks of 2:10 or better. Archdale is remarkably well preserved for a stallion of his age. It is sound as the day he was foaled and is still getting his average of speed-producing sons and daughters.

FIRST DAY OF SANDLOT BASE BALL SEASON

Several Practice Games Scheduled Today—McCaffreys Not to Have Team. Base Ball Today! That familiar expression is to be used today for the first time this season in amateur circles here. Several amateur teams have scheduled practice games on city sand lots for this afternoon. River-view park will be the scene of a base-ball conflict between Paulson Motor Co. and a team representing Local No. 28, Butchers' Union. Games are also booked for Municipal field, Miller Park and Fontenelle park. Amateur base ball received a jolt yesterday when Manager Ray Maxwell of the McCaffrey team announced that his team would not be known as the McCaffreys this year as that firm had withdrawn their backing. Maxwell was undecided whether McCaffrey Bros.' refusal would throw members of his team open to offers from other names or whether he would hold his team together in hopes of getting another backer. For the present he is holding it men together. With men like Frank Delehanty, Jim Coleman, Joe Wolf, Trummer, Lane, McAndrews, Christenson, Swanson, Budura, F. of the McCaffrey team several amateur teams are on their toes waiting for Maxwell's decision. McCaffrey's withdrawal put a crimp in the organization of the City league.

Commercial league managers will meet Thursday night and American league magnates Wednesday night. Fans Must Be Good. Pugilists as well as spectators, who are among those present at matches pulled off by the National Sporting club in Detroit will "have to be good" in the future. Sheriff Duke Coffin, sheriff of Wayne county, has been appointed official timekeeper for the club and will officiate in the capacity along with his duties as sheriff of Michigan, supervising bouts under the Michigan state boxing commission rules. Train for Olympiads. Buenos Aires, March 27.—Athletes of Argentina, Uruguay and Chile are training enthusiastically for the South American Olympic championship games to be held in Santiago, Chile, April 23-25. The Uruguayan team has already been selected and it was announced today that Argentine national championships by which this country's team will be selected will be held on April 4.

ROURKES TRIM MINNEAPOLIS; SCORE, 10 TO 3

Manager Lelivelt's Homer Clinches Game—Palmero And Freynick Give But Seven Hits. Okmulgee, Okl., March 27.—(Special Telegram.)—Heavy stick work and fast base-running gave Omaha an easy victory over Minneapolis American association here Saturday, 10 to 3. Brilliant playing by half a dozen of the Omaha boys featured the game. Manager Jack Lelivelt claims first honors by making a home run with the bases full in the eighth inning. Freynick and Palmery pitched in fine shape and held the Millers to seven hits. Maulins and W. Weily played a good game in the infield and also hit when hits were needed. Donica was out of the game on account of a slight accident to his hand which will keep him out of the game for several days. Welch, who took his place, got two safeties and played a good game in the field. Minneapolis got away with a good start, but Lelivelt's men came back strong and tied the score in the third. CHARLEY PETERS WANTS TO MEET MARIN PLESTINA

Sarpy Sheriff Returned Home Last Week Indignant at Chicagoan's Assertion. Charley Peters, Sarpy county sheriff, is peeved. Charley's ability as a heavyweight wrestler is well known about Omaha and Nebraska. It is also well known to certain Chicagoans, Charley says. Yesterday Charley and his manager, Jack Lewis, penned the following note to Marin Plestina, Chicago heavyweight wrestler, and Plestina's manager, Joe Marsh: Dear Sirs—You have been filling Chicago newspapers with a lot of mere words on how no wrestlers wanted to meet Plestina. Have you forgotten our frequent offers of the past eight months? This is just to remind you that Charley Peters will wrestle Plestina anywhere in the United States any day for any amount of money. This is your opportunity to cut out the talk and get into action. Peters can beat Plestina and we want the opportunity to prove it on the mat. Peters has been thrown by but three men in the nine years of his activity on the mat. He is entitled to a match with Plestina. Please favor us with a prompt reply. Yours, CHARLEY PETERS, JACK LEWIS. The Sarpy sheriff has been wrestling on the Pacific coast. He now tips the beam at 204 pounds. "I'm in better condition now than I ever was before," said Peters.

COPS' BASE BALL TEAM ANXIOUS TO DEFEAT FIREMEN

Hostilities have been sounded. The coppers have challenged the firemen to battle. The conflict will be staged on a world that he has 34 coppers trying out for the policemen's ball team and that each one is a star. Joe declares Chief Eberstein is worried to death over the athletic ability of his hired hands because he is afraid big league clubs will draft 'em away from him. So Joe in his challenge frankly warns the fire-fighters that they are due for a trimming. "With 34 players and \$1,200 worth of equipment, Joe doesn't see how the coppers can lose. Joe wants the firemen to hurry up and accept his challenge so the game can be played early. He wants to play it in May. With this game off his hands, the bluecoat leader figures on tackling bigger fish. Joe has got it into his head that he is the manager of the best ball club in the state. The accompanying photograph shows Joe all dolled up in a base ball suit. Joe is long on decorations and all he says he needs now is a little batting practice, his coaching voice still being unimpaired. Penn Champions. Princeton, N. J., March 27.—The University of Pennsylvania won the college basketball championship of the United States here Saturday by defeating the University of Chicago 33 to 21 in the deciding contest of a three-contest series. Johnny on the Spot!

Boy! Page the first robin! Johnny Dennison, new manager of the Bowsens of the City league, issued his first call for practice yesterday. The said practice will be held at 2:30 today at Thirty-second and Dewey — providing the weather bureau doesn't bring on a tidal wave before that hour arrives. Johnny says he is hiding no dark horses and invites rival managers to come out and look his gang over. "If they see anything they can use, they're welcome to it," says philosophic Johnny. "It won't stop me from winning the pennant, anyway!"
