= "BLACK JACK" IS CHIVALROUS **SOLDIER ENEMY**

Fellow Officers Say Pershing Is Type Who Helps Adversaries After He Has Defeated Them.

By F. H. BARROW.

Washington, March 30 .- (Special) -"General Pershing is a chivalrous soldier," a retired army officer remarked when discussing presidential posibilities, "although it is most and activities have never overshadowed his civilian viewpoint. "He is the type who fights relent-lessly until he has beaten his enemy and then helps him. His fellow of ficers say that he attained his present rank because he soldiered hard, and it is a pretty good sign that he has fairly won his rank when he is so generally well thought of

the grade of captain to that of over the abs-brigadier general by President baby, Evelyn. Taught Moros Base Ball.

Solved Moro Problem.

"It was in the Philippines that 'Black Jack' Pershing did his greatest work and won glory for himself and the American army. A little more than 10 years ago the United States faced a tremendous problem in the Philippines. Almost incessant warfare had existed between Patrick Cudahy, wealthy meat the Christians and Moslems in the packer, left an estate valued at aparchipelago since Magellan was proximately \$2,500,000, according to slain during the voyage in which the inventory of appraisers filed in Europeans first circumuavigated the county court.

problem. Its entire weight was shifted to the broad shoulders of the then Captain Pershing and h straightened under the burden an carried it to the end.

"In 1899 he became adjutant general, executive officer of the department of Mindanao and Jolo. In this capacity he studied the Moros and the Moro problem. He tried in every honorable way to conciliate the native chiefs and judges or dattos, but the Moros would not take the word of a white man. Later they learned that Pershing's word was never
