

OFFICER SAVES PEDESTRIANS IN PATH OF TRUCK

Traffic Policeman Averts Possible Accident by Leaping On Moving Driverless Machine.

An automobile truck running wild on Farnam street was stopped Monday afternoon by Traffic Officer Farmer as it plunged toward the plate glass front of the Sherman & McConnell drug store at Twenty-fourth and Farnam streets.

Officer Farmer leaped to the truck, seized the steering wheel and applied the brakes in time to prevent the car speeding over the sidewalk and into the drug store window. Lives of several pedestrians were endangered.

The truck had started east in Farnam street after striking and running over the driver, Floyd Buchanan, Twenty-first and Cass streets, while he was cranking the car. Buchanan's injuries were slight.

First Prisoner in Canine Calaboose Awaiting Trial

Humane Society Head Investigating Pardons And Paroles.

"Dick" is the first canine prisoner to be held in custody by the Humane society in its shelter or "jail" at 1446 North Sixteenth street, where Charles McClain is the jailer.

This dog was sentenced by the police judge to be killed to expiate the crime of biting a girl. The dog's owner appealed the case to the district court and until the case shall have been adjudicated in the higher court, Dick will remain in custody of the Humane society.

Mr. McClain states that Dick is a model prisoner and has never shown any vicious tendencies since placed in jail. The dog has aroused so much sympathy that W. W. Bradley, superintendent of the Humane society, is considering applying for a pardon or parole.

"I don't know whether I shall apply to Mayor Smith or to Governor McKelvie," Mr. Bradley stated. "But I should think that the gov-

ernor would have to pass on a case of this kind." Dick was born in Texas and his mother was poisoned, leaving him an orphan when a puppy.

CHIEF WILL CLIP WINGS OF MORALS SQUAD OF POLICE

Case of Officer Samardick Probably to Go Before City Council—Patrolman Presses Charges.

Supplementing personal charges filed Monday by Policeman Fred Bilyeu against Robert P. Samardick, head of the police morals squad, Chief of Police Eberstein said yesterday that action would probably be taken to curb the responsibilities of the morals squad.

Samardick is charged with conducting unbecoming officer and exceeding authority in the arrest Saturday night of Mrs. Lulu Rand and her daughter, May, 815 North Twenty-first street, relatives of Policeman Bilyeu. Samardick placed charges of disorderly conduct against them.

Case is Withdrawn. Upon the advice of Chief Eberstein and Inspector of Police Patullo the case was withdrawn from Central police court Monday.

Policeman Bilyeu filed charges against Samardick immediately. Mrs. Rand and her daughter are said to have resented Samardick's questions put to them Saturday night when he came upon them waiting in a cafe at Sixteenth and Webster streets. Their refusal to answer the questions brought about their arrest.

Before City Council. "I cannot commend such action of an officer in a case like that," Chief Eberstein said yesterday. "A policeman should use at least some judgment as to when and when not to make an arrest."

Chief Eberstein has given Policeman Bilyeu permission to take his case before the city council. Officer Samardick asserts he displayed his badge before he questioned Mrs. Rand and her daughter.

Only 106 Naturalized Japs And 25 Chinese In Canada

Ottawa, March 30.—Only 106 Japanese and 25 Chinese have become Canadian citizens by naturalization, although the immigration of the two nationalities has been fairly steady since 1911, according to information furnished the House of Commons by the secretary of state. The last census showed that 9,201 Japanese and 27,774 Chinese resided in the Dominion.

Man Gives Home Address as County Jail; Given 30 Days

In again, out again, in again, is the condition of Edward O'Decker, who was arrested Monday night by South Side police on a charge of being drunk and throwing broken glass on the street. Edward gave his address as the county jail. He was sentenced in police court Tuesday to 30 days in jail. His brother, George, charged with being drunk was fined \$10 and costs.

Omaha Pole Who Believes Bryan Governs State And Wilson Makes Laws Denied Citizenship

Question—Who is the governor of Nebraska?

Answer—Bryan.

Q.—What are the two houses of congress?

A.—Hitchcock and Norris.

Q.—Who makes the laws of this country?

A.—President Wilson.

These were answers given in naturalization court before Judge Sears yesterday by an Omaha of Polish birth, seeking to become a citizen of the United States. He was not admitted, but was told by the judge to study up on the government of the country and come back again at the next sitting of the naturalization court.

But, for the one who failed, 76 Omahans of foreign birth succeeded in gaining citizenship in this grand and glorious country, where the air of freedom—etc. They knew who make the laws, what are the two houses of congress and other deep and hidden mysteries.

Nine women were among the new citizens. Eight of these renounced allegiance to the King of Sweden. They are Anna Leotina Larson, Anna Christina Monson, Bettie Anderson, Ida Maria Anderson, Elin Constantia Hultin, Krestin Peterson, Krestin Monson and Elizabeth Anna Anderson. The last four are nurses at the Swedish Immanuel hospital.

Margaret Damm, a music teacher, renounced allegiance to King George V of England.

"Will you vote if you are admitted to citizenship?" the judge asked.

"Certainly will," was the decided answer of each. Antonio Rotelle, born in Italy, and later lived a number of years in Egypt, didn't know exactly whose

subject he was. And, as it would take too long to write the rulers of both countries and they might not remember him if they did get a letter about him, he renounced allegiance to both "His Majesty, King Victor Emmanuel III, King of Italy, and His Imperial Majesty, George V, King of Great Britain and Ireland, Emperor of India and Ruler of Egypt."

Fort Omaha Wireless Telephone Message Heard 96 Miles Away

Experiments conducted by Dr. Frederick Millner, in charge of wireless work at Fort Omaha, to increase the sending capacity of the army field wireless telephone, have resulted in extending its range six times the normal rating of the set, limited to a 15 mile range.

A report that the instrument had been heard at Stromberg, Neb., a distance of 96 miles, was received yesterday. The set is supposed to be limited to a 15 mile range. According to Dr. Millner, a special amplifier is responsible for the extraordinary sending qualities developed.

Architect and Physician to Speak Before Omaha Rotary

Dr. Irving S. Cutter and Charles W. Steinbaugh will be the principal speakers at the regular Wednesday noon meeting of the Omaha Rotary club in the ball room of Hotel Fentelle.

Dr. Cutter will speak on the "Philosophy of Rotary," while Mr. Steinbaugh has prepared an instructive talk upon "Architecture as a Business."

Diplomas for Work At Evening Schools To Be Given Thursday

Robert H. Lee, negro, has attended the public evening school at

Central High school for three seasons without missing an evening. He will have concluded this season's work next Friday evening when commencement exercises of the evening school will be held in the auditorium of Central High school. Mr. Lee is now engaged in the insurance business, and is physically handicapped by having lost a leg.

His perseverance, however, has won admiration from teachers and associate students. Friday evening he will tell what the public evening school has done for him and what it will do for others who have the determination to win. Evening school commencement exercises will be held Thursday evening at Comenius and South

High schools. J. H. Beveridge, superintendent of schools, will distribute certificates at South High; Belle M. Ryan, assistant superintendent, at Comenius; Arthur R. Wells, member of Board of Education, at Central High.

Germans Agree Not to Send More Troops Than Allowed Into Ruhr

Paris, March 30.—Assurances have been given by the German government that it will not send into the Ruhr valley more regular troops than are allowed by the terms of the Versailles treaty. A German delegation called on Premier Millerand late last night, told him the German troops in the Ruhr district did not exceed the number allowed and declared no more such troops would be sent there without authorization from the allies.

Receiving members of the French press last evening, M. Millerand declared if the Germans violated the terms of the treaty by sending a strong armed force into the Ruhr district, France would occupy part of the neutral zone, whether the allies agreed or not.

People Own City Hall; Let Them Use It, Asserts Mayor

Mayor Smith, during yesterday's meeting of the city council, asserted that he favored the holding of political meetings in the city council chamber, and any meetings at which public questions were discussed came within the scope of his approbation.

"The people own the city council chamber and why shouldn't they use it every night in the week if they wish?" he asked.

The occasion for the mayor's remarks was a written application from Jerry Howard, asking for the use of the council chamber next Thursday night, for a meeting of women to discuss ways and means for participation in the ratification of the suffrage proposal passed by the constitutional convention.

Mr. Howard's request was approved unanimously.

BURGESS-NASH COMPANY.
