

Nonpartisans in Valley County to Hire Manager
 Ord, Neb., April 2.—(Special.)—Valley county nonpartisan leaguers have voted to adopt the county manager system of league organization and have already made their organization with E. S. Coates, chairman; J. C. Meese, treasurer, and F. L. Cushing, secretary. The manager will be hired at a later date. His work will be to take up the organization work of the league formerly carried on by the organizers, and to see that all league matters are taken care of.

ASPIRANTS FOR WILSON'S BERTH TO TOUR STATE

Johnson, Wood, Hitchcock and Bryan Will Speak to Nebraska Before Primary.

A galaxy of national speaking talent is in prospect for Nebraska during the week before the primary and it is anticipated that the hills and prairies of the Antelope state will reverberate with political thunder. Frank A. Harrison, Hiram Johnson's manager in Nebraska, has inserted notices in the state newspapers calling for men and women to assist in a prospective itinerary of the California statesmen. It is understood that Johnson will be in this state during the week of April 12. Information received at the

Leonard Wood headquarters here indicates that Senator Borah and Senator Norris also will be here during the same week in the interests of Johnson. On the strength of that information the local Wood managers are endeavoring to get Major General Wood to come here during the week before the primary. **Hitchcock Dates Made.** Arthur F. Mullen, democratic national committeeman, today announced that the speaking itinerary for Senator Hitchcock has been partially completed. Dates arranged are: Columbus, Neb., Monday, April 12; Grand Island, Tuesday, April 13; Hastings, Wednesday, April 14. The senator will speak in the Omaha Auditorium on Saturday evening, April 17.

Governor S. R. McKelvie holds a permit to speak at the northeast corner of Fifteenth and Farnam streets Saturday night, April 17. **Other Speakers Expected.** W. J. Bryan announced during his recent visit here that he will finish the primary campaign in Nebraska during the week before primary. Mr. Bryan is a candidate for delegate-at-large to the democratic national convention at San Francisco. Other speakers of state-wide and national reputation are expected in

MAN WHO WANTED GIFTS RETURNED GOES ON HIS WAY
 Wooser of Winsome Widow Shakes Dust of Omaha From His Feet.

William H. Winchell, wealthy retired farmer of Ainsworth, Neb., has left Omaha, presumably to escape the limelight in which he was plunged by his efforts to recover a \$1,375 diamond ring from Mrs. Grova E. Shipley, 28-year-old widow who, he claims, "vamped" him. He had checked out of the Paxton hotel yesterday. Friends reported he had given up hope of obtaining Mrs. Shipley's consent to a marriage ceremony and had "gone east."

Mrs. Shipley, from her home at 630 South Seventeenth avenue, announced she was able to bear his departure with equanimity. "I hope he has a good time on his trip," she remarked. Friends of the disillusioned Mr. Winchell said he probably would return to Omaha within a week or so, after the publicity connected with his affair with the winsome widow has "blown over."

Big Gymnasium Started For Hebron High School
 Hebron, Neb., April 2.—(Special.)—Excavations are under way for the basement of the high school gymnasium, with plans for a 50x80-foot basement and a 10-foot ceiling. The building used at present for gymnasium work will be moved to the new location.

Seed Corn Tests High.
 David City, Neb., April 2.—(Special.)—The Butler county farm bureau has been busy testing seed corn and reports that the tests are above the average. This year the average was 88 per cent.

Attend the "Cook by Gas" Demonstration featuring the Detroit Jewel Gas Range Every Day This Week

Mary E. Bookmeyer, graduate of the University of Nebraska, and since 1913 teacher of Household Arts at South High, will deliver 30-minute talks on food values and the preparation of food. Miss Bookmeyer will devote special attention Saturday to Pastries. An expert demonstrator will give practical demonstrations from 10 a. m. to 2:30 p. m.

If You Would Know

- What kind of utensils should be used for various dishes.
- What causes baking failures. The secret of quick breads.
- When it is safe to open an oven door.
- How to tender meats.
- How to make a good cake frosting.
- The art of successful cookie making.
- When to use a hot and when to use a slow oven.
- What makes crisp waffles.
- How to make appetizing salads.

Attend This Demonstration

A factory expert will be on hand to advise customers as to the STYLE of range most suited to their needs.

FREE with coupon properly filled out.

For two hours only each day—one White Enamel Flour Sifter to each adult attending the demonstration. The hours: 10 to 11 a. m.—3 to 4 p. m.
