

GOOD FRIDAY IS CELEBRATED BY CITY CHURCHES

Special Service Held in Kountze Memorial, St. Johns and Other Places of Worship.

Services lasting three hours were held in several Omaha churches yesterday in commemoration of the hours of suffering endured by Christ on the cross.

Yesterday was Good Friday, which commemorates the date of Christ's crucifixion. It is considered the saddest in the Christian year, and especially in Catholic, Episcopal and Lutheran churches was carefully observed today.

At Kountze Memorial Lutheran church a service, conducted by the pastor and assistant pastor, began at 12 o'clock to continue until 3 o'clock. Last evening, "The Crucifixion," by Sainer, was sung at the church. It is a sacred cantata on the sacred passion.

St. Johns Exercises.

St. Johns Catholic church observed the devotion of the "Three Hours' Agony," beginning at noon yesterday and lasting till 3 o'clock. These exercises of the "The Orem" consist principally of prayer, sacred music and seven short sermons on the seven words uttered by the Savior from the cross, each discourse being preceded by a musical treatment of these words.

The sermons yesterday were preached by Rev. Father Claude J. Perrin, S. J., a lecturer in the school of sociology in Loyola university, Chicago. The prayers and readings were conducted by Rev. Father John F. McCormick, president of Creighton university.

Admission by Card.

This devotion has been held at St. Johns church each Good Friday for years. So great is the demand for seats that admission was by card and the doors were not opened after 12 o'clock until 3 o'clock.

Holy communion was observed in many churches at various hours during the day. Most churches had services last night.

Today, which is known in some churches as "Silent Saturday," marking the day when Christ was in the grave, will be observed with special services preparatory to Easter Sunday.

Nature Plays April Fool Joke On Omaha Burglars

Mother Nature's April Fool joke in the form of a toy blizzard Thursday night caught Omaha burglars unawares, as evidenced by the number of overcoats stolen from citizens during the night.

Fred Thomas, Twenty-fourth and Erskine streets, L. W. James, living at the Y. M. C. A., C. S. Allison, 1609 California street, and Henry McArdle, 1909 Webster street, reported overcoats stolen from their rooms.

McArdle found an old ragged coat in place of his own. Police hope to identify the thief by the coat he left behind.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c.
