

FATHER OF GIRL MAN ATTACKED TAKES HER HOME

Maid in Bluffs Home Cannot Determine Whether or Not Her Assailant Was White or Colored.

Notified by telephone of the attempted assault against his 18-year-old daughter, Mildred, in Council Bluffs Friday night, Charles Johnson, farmer, living near Loveland, Ia., arrived early yesterday and took her home.

Miss Johnson, who has been a maid in the home of Mrs. George Purchase, 912 Military avenue, Council Bluffs, for several days, was attacked by a man about 9 o'clock last night in front of the old Gen. G. M. Dodge residence on Third street.

Council Bluffs police are working on the case. They have a fair description of the girl's assailant. Miss Johnson had been previously employed in the Lucius Pryor home, 130 Fairview avenue, and was on her way to that place to obtain some mail when the assault occurred.

Attempts to Choke Her.
The man seized her, she said, and attempted to choke her into submission. She fought him off with her fists until he tripped her and she fell to the ground. A desperate struggle followed, in which the girl's glasses were broken, clothing torn and she sustained many bruises. She says she struck him several times in the face and finally succeeded in breaking away from him. She ran screaming to the Pryor home, a block away, and

fainted when they opened the door for her.

Gave No Description.
Miss Johnson was unable to give police a good description of the man. He was young, she said, but she does not know whether he was a negro or a white man. Edwin R. Jackson, former assistant county attorney, and Dr. Ericson Hill accompanied the girl to the Purchase home. Her condition is serious. This is the third attack upon women that has occurred in Council Bluffs within the past week or 10 days. A description which a 45-year-old woman gave of a man who attacked her Wednesday night on Benton street, tallies with that of Miss Johnson's assailant.

Third Commencement At Central High Has Thirteen Graduates

The third annual commencement exercises of the Central evening high school were held Friday night in the school auditorium. Thirteen pupils received diplomas.

The following pupils graduated: Marie Anderson, Lillian Black, Anna Burbridge, Hannah Cusick, Charles Drida, Mary Corezlanski, Walter H. Hansen, Lillian Hoffman, Anna Larson, Robert H. Lee, Lester Pestal, Maud Pay and Stella Saunders.

Diplomas were presented by Superintendent J. H. Berveridge and a short talk was given by Arthur R. Wells, chairman of teachers and course of study committee of the school board.

During the evening several graduates told the audience the value of their night work and what it had done toward helping them earn a larger salary.

Robert H. Lee, negro, has the distinction of attending every class during the three-year course of study.

The United States has nearly five times as many automobiles as all the other countries combined.

DRIVER OF AUTO THAT HIT GIRL IS OUT ON BOND

Iowa Contractor Charged With Maiming and Disfiguring Young Woman Now In Hospital.

Clarence Leach, grading contractor from Ricketts, Ia., was bound over in South Side police court Saturday under \$2,500 bond, charged with seriously maiming and disfiguring Ruth Stauffer with a speeding automobile while going at an unlawful rate.

Miss Stauffer, who is 22 years old and lives at 2814 Bailey street, was struck and seriously injured last Sunday morning at Twenty-fourth and A streets while enroute to church, by an automobile driven by Leach.

Miss Stauffer lies in a serious condition at her home, according to physicians, and it is feared she is suffering concussion of the brain. James Fox, 1716 California street, who was with Leach when he was arrested, was discharged Saturday.

Vladikavkaz, Rail Center, Is Captured by Bolsheviki

Constantinople, April 3.—Vladikavkaz, an important military station and trading center in Circassia, has been captured by the Russian bolsheviki, according to Russian received here.

Vladikavkaz is situated on the Terek river about 95 miles due north of Tiflis. Its capture, together with that of Petrosk, on the west shore of the Caspian sea, which was reported this week, shows an advance of bolsheviki toward the great oil center of Baku and the frontier of the Georgian republic.

BOYS EXCELLED IN HONOR ROLL RACE BY GIRLS

Twenty-Six Girls and Twelve Boys Stand High in Studies At Commerce School.

Thirty-eight students of the High School of Commerce who excelled over 1,000 other students in studies were placed on the school's honor roll by Principal Dwight E. Porter. This quarter's honor roll exceeds that of any other quarter in the history of the school. The girls outnumbered the boys, 2 to 1, for having higher marks in their studies. Twenty-six girls and 12 boys were placed on the honor roll.

Only 2 out of 21 students who have graduated were placed on the honor roll for the coming school quarter. They are Grace Gille and Edwin R. Anderson. Miss Gille, who was the valedictorian of her graduating class, made the four-year course in two and one-half years. The following is the list of students placed on the honor roll:

Edwin R. Anderson, Russell Anderson, Helen Bernstein, Viola Berg, Grace Camero, Ruth Djureen, Clifford Elliston, Helen Endert, Esther Finkelstein, Charlotte Funk, Grace Gille, Frances Gordon, Anna Grant, Mildred Greeling, Celia Greenspin, Roman Hrushka, Louise Huster, Hilda Johnson, Esther M. Johnson, Irene Larsen, Edna Moore, Joel Nelson, Marie Nemets, Glen Olander, Rose Ostronic, Anne Robinowitz, Helen Rose, Lorena Sallander, William Saunders, Otto Schagun, Kate Schultz, Marguerite Shockley, Anne Selicow, Ruth Souders, Helen Verlautz and Fannie Wezelman.

Bank Clearings Here
Bank clearings this week reached a total of \$69,784,790, as compared to \$58,487,499, for the same week in 1919. Clearings last week totaled \$72,956,381.

The Roadster, Too, Has All the Noted Essex Qualities

Speed—Power—Endurance—Economy—Utility.
It is an Ideal Car for Business as Well as Pleasure

A glance at the illustrations will show the wide business uses for which the Essex Roadster is adapted. Its utilities are many. But note no evidence of them is revealed when the Roadster is used as a pleasure car. Every line is smart, trim and graceful. It takes but a moment to make the change.

A World Endurance Record Proves Essex Dependability

Economy, durability and train-like regularity are the standards set by Essex. These things have been shown in the hands of more than 25,000 owners, many of whom have driven their cars from 18,000 to 20,000 miles. It was more dramatically proved on the Cincinnati Speedway, when an Essex stock chassis set the world's long distance endurance record of 3037 miles in 50 hours. The same car, in three separate

tests, travelled a total of 5870 miles at an average speed above a mile a minute. Another stock Essex set the world's 24-hour road mark of 1061 miles over snow-covered Iowa roads.

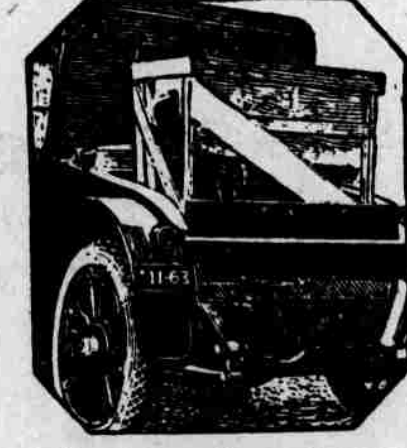

A large class of the Roadster buyers are business men. They choose it for utility and dependable transportation. It becomes in fact a part of their business system. It must be on the job, keep all engagements on time, and be as responsible as an engineer's watch.

It is specially suited for salesmen, inspectors and others who must cover wide territory, quickly and frequently. Though not large, the Essex is commodious. There is plenty of room for passengers, and special arrangements for carrying sample cases, unseen, and even a trunk if desired.

Come see the Essex Roadster. Ride in it. Try its paces. Whether you want it for business or pleasure, you will appreciate why Essex in its first year set a new world's sales record.

By removing four screws the entire rear deck cover may be taken off.

This affords ample room for carrying bulky articles such as trunks, crates, etc.

By lifting the small cover in the rear deck, space is given for carrying small articles such as a doctor's case, sample cases, etc.
