Nebraska to Have A Memorable Convention

Plans for the state convention of the Nebraska State Woman Suffrage association and the League of Women Voters have flowered. The date is set for June 14 and 15, and the place is to be Omaha. These particular dates have been chosen with both the republican and democratic national conventions and the Des Moines biennial convention of the General Federation of women's clubs in mind. The state meeting falls between the republican convention and the biennial. Mrs. Charles Dietrich of Hastings, president of the State Suffrage association, says that all 10 directors in the League of Women Voters expect to attend the democratic and republican conventions and some of them, if not all, can stop in Nebraska en route to San Francisco. Also it is thought that some of the club women who will attend the biennial in Des Moines, beginning June 16, will be attracted to stop in Omaha and take advantage of the strong program which will be presented.
