CUTICLE ICE

Your Charm Lies In Your Hands

ONLY when conscious that your hands are well groomed, your nails exquisitely kept, can you be at your best. Otherwise, your instinctive attempts to keep them concealed make you awkward and ill at ease.

Why be so handicapped, when healthy and lasting nail beauty is so easy to secure? With *Lustrite* Cuticle Ice (the cuticle softener) you can bring out the dainty half-moons at the base of each nail in full perfection without removing the cuticle, which is simply softened so that it can be *trained* back.

Prove for yourself how lovely your nails can be made by the *natural Lustrite* method—how delightful it is to have each nail surrounded by a firm, unbroken rim of cuticle. The four *Lustrite* essentials—*Lustrite* CUTICLE ICE, *Lustrite* NAIL WHITENER, *Lustrite* SALVE ENAMEL, and *Lustrite* NAIL CAKE—are on sale at all drug and department stores at 35c each. You can also buy a handsome BOUDOIR SET containing all of these products for $1.50, and a convenient Traveling Set for 50c.
