Does Your Blood Need Iron?

How to Make the Test That Tells. A pale face, a nervous irritable disposition, a lack of strength and endurance—these are the warning signals that Nature gives when your blood is getting thin, pale, watery and starving for iron.

Not A Blemish mars the perfect appearance of her complexion. Permanent and temporary skin troubles are effectively concealed.

SO WEAK LIFE A MISERY

Florida Lady Would Have Aching Pains In Side, Back and Shoulders—Took Cardui and Soon Noted Great Improvement.

Odessa, Fla.—"About two years ago," writes Mrs. J. D. Powell of this place, "I took several bottles of Cardui as a tonic, for I was run-down in health. In fact, I could hardly do anything at all; could only drag around and couldn't do my work."

"Life was miserable to me, and I knew I must have some relief, as I was so very weak. I would suffer from aching pains in my right side, back and shoulders. I would have such terrible nervous spells which would come on me and I would fall down wherever I was standing."

"My friend recommended that I try Cardui. I began using it and soon saw and felt a great improvement. My appetite became good. I could rest well at night, and I got so I could do all my household work in a short time. I praise Cardui to all my friends."

If you suffer from ailments peculiar to women, it would be well for you to give Cardui a trial. For more than forty years it has proven beneficial to thousands of suffering women, and what it has done for others, it should do for you.

Take Cardui, the Woman's Tonic, today. Your druggist keeps it.

Before that little skin eruption becomes serious apply Resinol. Even in severe cases of eczema, or other like skin troubles, Resinol Ointment, aided by Resinol Soap usually brings quick relief and in a reasonable time, clears away the trouble completely.

BRIA-CEA. A medicine possessing tonic, alterative and reconstructive properties. Useful in treatment of debilitated conditions caused by overwork or prolonged mental strain or nervous irritability, sleeplessness, brain lag, or general depression of the nervous system.

LIFT OFF CORNS!

Drop Freezone on a touchy corn, then lift that corn off with fingers.

Doesn't hurt a bit! Drop a little Freezone on an aching corn instantly that corn stops hurting, then you lift it right out. Yes, magic! No lumbago!

A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.

Freezone is the sensational discovery of a Cincinnati genius. It is wonderful.
