## CIRCUIT COURT HEARS NEBRASKA APPEALS IN MAY

### Grammer Case Will Be Settled As Will Appeal From Omaha "Wild Horse" Trial.

Lincoln, April 7.—(Special.)—The hearing in the appeal of Allen Vincent Grammer to the United States circuit court at St. Louis will be held May 24, according to a message received here. The appeal was made by Grammer's attorneys after Judge Munger of the district court for the Nebraska district had denied the motion for a new trial. The points in the case cover the regularity of the trial held in Howard county, where he was jointly tried with Alton B. Cole for the murder of Grammer's mother-in-law, Mrs. Lulu Vogt. The clerk of the federal court here has also received notice that the case in which Collector of International Revenue George C. Loomis is seeking to collect an additional \$2,000 income tax from C. W. Wattle's of Omaha for the year 1918, will be heard in May. Mr. Wattle's defense is that the \$2,000 represented stock dividends which are not taxable as income. The circuit court will also hear Charles M. Thompson and Clyde Smith, convicted in Omaha in the federal court in the famous "wild horse" case, on May 3.

## LINCOLN LAWYER COMES OUT FOR GEN. PERSHING

### Claude H. Wilson Advocates Unanimous Endorsement of A. E. F. Leader's Candidacy by Nebraskans.

Lincoln, Neb., April 7.—Claude H. Wilson, prominent attorney of Lincoln, today announced support of Pershing for president, and advocated endorsement of the general's candidacy by Nebraska republicans. "Nebraska has been honored greatly by Pershing," said Mr. Wilson, "and we should not fail this opportunity to honor him by presenting his name to the republican convention. I cannot believe that Nebraskans will falter in the support of the candidate of their own state." Following is Mr. Wilson's statement: "I am expressing my preference for Pershing of Nebraska chiefly because I have faith in his administrative ability. No one can logically say that Pershing is not qualified as an administrator, diplomat and statesman for the presidency. On the contrary, he has given greater proof of his ability in these lines than any of his opponents. "There is no doubt that Pershing would appreciate fully the honor conferred upon him by his home state, by a unanimous endorsement at the primaries, and it is entirely fitting that we, as fellow Nebraskans, should unite in conferring that honor. "We cannot overlook the fact that Pershing is 'Pershing of Nebraska' before the voters of the United States, and we may profitably reflect on how the other states of the union will scorn Nebraska if she fails in support of her own son, or how they will recognize Nebraska and respect her action if she follows the course of a loyal state in granting overwhelming support to a loyal son. I hope Nebraska will do her full duty and give to Pershing an overwhelming endorsement for the republican presidential nomination at the primaries."

## Aunt Fights Father For Possession of His 9-Year-Old Child

Lincoln, Neb., April 7.—(Special.) Mrs. Anna Guthmann of Plattsmouth has filed in district court an answer to the habeas corpus proceedings instituted against her by William Lemke to obtain possession of his 9-year-old son, Paul. Mrs. Guthmann, who is the boy's aunt, alleges that he was given to her by his mother on her deathbed, when only 3 weeks old. Her answer states that the boy was taken to Plattsmouth with the consent of the father and that he has been given schooling and a good home. Mrs. Guthmann alleges that the father, though financially able, is not a proper person to have custody of the boy. He has no desirable home, she states, no person to care for the child, and has failed to provide his other children with proper schooling.

him a woman whom he expects to marry when her divorce time runs out on April 18. He was returned to the penitentiary and will probably stay there until his wedding bells ring again.
