Mrs. Flora Gustason Joins The Olson Coffee Co.

MRS. FLORA A. GUSTASON.

Mrs. Flora A. Gustason, who for the past four years has been demonstrating in many of Omahas's principal stores the proper way to make and serve coffee so as to get the best results, has joined the Olson Coffee Company, the roasters and blenders of Happy Hollow Coffee.

Mrs. Gustason, who is known to thousands of Omahans as The Woman to White," and ranks as one of the foremost coffee demonstrators in the west, feels that in Happy Hollow Coffee she has a brand of coffee that only needs to be tried to become a prime favorite. So many people miss the real flavor of coffee by not knowing the proper way of preparing it, and yet it is a very simple process. Mrs. Gustason invites anyone attending her demonstrations to ask for any information they require about coffee, or to phone her at Douglas 1909.
