

RURAL COUNTY BOYS AND GIRLS FORMING CLUBS

Youth of Douglas District Show Keen Interest in Extension Work of University of Nebraska.

The boys and girls of the rural districts of Douglas county have shown keen interest in the extension work of the University of Nebraska. Six standard clubs have been organized, it was announced yesterday.

Preparations are now being made for a Pure Bred Holstein Heifer Calf club in the southeastern part of the county with Henry C. Meyer of the Farmers State bank, Millard, as local leader. Five boys and two girls have made application for membership. A buying committee consisting of Ben Schomer, C. E. Kuehl, D. H. Propps and the county agent recently visited several Holstein herds near Lincoln and purchased four well bred calves for club members. Two 5-month-old calves, sired by a son of the King of the Pontiacs, were purchased of Robert Engel of Fremont. One well bred calf for the club comes from Friesland farm of Dr. B. B. Davis. The calves will be distributed about the middle of April.

Plans are being made for a Pure Bred Shorthorn Heifer Calf club in the western part of the county. Well bred registered heifer calves will be selected from good Shorthorn herds by a local committee. The calves will range from 9 to 12 months old and in price from \$150 to \$250. The banks at Valley will take notes for the calves at the usual rate of interest.

One Poland-China, one Chester White and one Duroc Jersey Pig club will be organized in the near future. Local breeders have offered to furnish pure-bred sow pigs to club members. Otto Pfeiffer of Elkhorn will have charge of a Poland-China Pig club, C. B. Ritchie, Florence, a Chester White Pig club, and Ernest Hall, Waterloo, of a Duroc Jersey Pig club.

Premiums will be offered at the county fair this fall for boys' and girls' club exhibits. Some keen competition and lively interest is expected in the different club classes. Club members will compete for prizes separate from premiums offered by the fair association.

Suffragists Believe Opposition Backbone in Delaware Broken

Chicago Tribune-Omaha Bee Leased Wire. Washington, April 8.—The backbone of suffrage opposition in Delaware is believed by leaders of the National Woman's party to be broken. The announcement by Silas Warrington of Harborside, Sussex county, who has heretofore opposed the amendment that he would follow the will of his party and vote for ratification is believed to be the beginning of a rush of votes to the suffrage side.

Contrary to the claim of the anti-suffragists that the amendment could not be reconsidered after the third legislative day following action upon it, the amendment may be reintroduced at any time in the senate and sent from that body to the lower house. Under a ruling made at the time of the civil war amendments an amendment to the federal constitution is always pending before a legislature until ratified. Delaware itself ratified the civil war amendments nearly 50 years after they had become laws.

Says I. W. W. Considered Arizona Ex-Governor "Pretty Good Wobbly"

Tombstone, Ariz., April 8.—George W. P. Hunt, former governor of Arizona, was considered by the Industrial Worker of the World as a "pretty good wobbly," according to Mrs. Margaret Bentley of Bisbee, who testified at the trial of Harry E. Wootton, charged with kidnaping in connection with the Bisbee deportations of July 12, 1917.

Mrs. Bentley's testimony relating to the former governor was given while she was purporting to repeat a conversation she held with two I. W. W. adherents, one of them being Charles Bentley, who she testified was her divorced husband.

"We have good friends on the outside," one of the men was quoted by the witness as having said. "Governor Hunt during the Clifton strike sent his personal check for \$500 to win the strike."

Nebraska Senator Guest At Dinner for De Valera

Washington, April 8.—Senators and representative were among the guests at a dinner given here for Eamonn De Valera, provisional president of the Irish republic, prior to his departure for a tour of the south. Senators Phelan of California, France of Maryland and Norris of Nebraska, and former Governor Folk of Missouri were among the speakers. The dinner was given under the auspices of the Lafayette club of this city.

Sugar Company Boosts Price \$1.30 Per Hundred Pounds

San Francisco, April 8.—The basic price for refined cane sugar was set at \$15.30 per 100 pounds by the California-Hawaiian Sugar Refining company, an advance of \$1.30 since Tuesday. The new price applies to the 11 western states covered in the company's allocation, the dealers elsewhere being permitted to add the freight price from this seaboard.
