## DOUBLE SET OF G.O.P. DELEGATES Chief of Police Called to Main-

tain Order at Meeting in Atlanta-One Faction Is Headed by Negro.

Atlanta, Ga., April 8 .- Two sets of Georgia delegates were elected to the republican national convention, and will make a contest there

for recognition. The break came after turmoil in which Police Chief Beavers took a hand on complaints of officials in the state capitol where the meeting was held. One of the factions, headed by Roscoe Pickett, state chairman, elected four delegates at large, instructed for Major General

Leonard Wood. The other, headed by Henry Lincoln Johnson, negro, formerly collector of internal revenue here, and C. P. Gorce, a lawyer, of Atlanta,

elected uninstructed delegates. The meeting was called for noon in the house of representatives but the police were called. Governor

be opened to all.

Shouting and singing the Hohnson-Goree faction marched into the hall and proceeded to take charge. Johnson, himself mounted the platform, called the meeting to order and tried to make a speech against factionalism, but was almost drowned out by a chorus of shouts.

Pickett was chosen as nationala committeeman and Greer state chairman by the Pickett followers, while Johnson was selected by his element as national committeeman with Goree as state chairman. These officers also are expected to be decided finally by recognition at the

Chicago convention.

By E. C. SNYDER

Washington Correspondent Omaha Bee. Washington, April 8.—(Special Telegram.)—The house military affairs committee ordered that a favorable report be made on the bill of Representative Reavis authorizing the secretary of war to transfer road making material to the Department

state legislature using said property shall pay to the Dopartment of Agriculture 20 per cent of the estimated value as fixed by the secretary of agriculture, against which the state may set off all freight charges paid

not to exceed 20 per cent." The necessity for the legislation rose out of a ruling of the comptroller who held that legislations of this character was without any law.

On N. Y. Primary System New Brunswick, N. J., April 8 .-Senator Hiram W. Johnson, candidate for the republican presidential nomination, in an address here at-tacked New York's primary system as "merely a left-handed way by which the bosses get at the situa-

vent, rather than permit, of the voters' choice for president. The law was engineered by the machine organization which hoped by passing a law of that sort to prevent the adoption of a real primary system."
