HOWE RESTRAINS DIRECTORS FROM HAVING MEETING

Skinner Head Obtains Second Court Order Preventing Session of Board to Oust Him From Office.

A second temporary restraining order against officers and directors of the Skinner company was granted yesterday when District Judge Leslie, on application of Robert C. Howe, president and general manager of the company, granted an order restraining Lloyd M. Skinner, Paul F. Skinner and DeWitt C. Robertson from holding a meeting of the board of directors of the Skinner company in the court house or anywhere else during the pendency of the application of Mr. Howe for a temporary injunction to keep the Skinners from removing him from his position.

The meeting would have preceded the hearing of the injunction case by just half an hour.

County commissioners said no permission has been secured to hold the board of directors' meeting in the court house.

Text of New Order.

The restraining order reads as follows: "Upon application of the plaintiff, it is ordered that the defendants, Lloyd M. Skinner, Paul F. Skinner and DeWitt C. Robertson, be temporarily restrained from holding a meeting of the directors of the Skinner company in court room No. 6 of the district court of Douglas county, Nebraska, on April 10, 1920, and from passing any resolution at any meeting of said board of directors, during the pendency of the application for temporary injunction, purporting or pretending to remove the plaintiff as president or a director.

"This temporary restraining order to remain in effect until the further order of the court in connection with the restraining order heretofore issued in this cause, and to be disposed of on the application for a temporary injunction."

Mr. Howe states in his petition filed yesterday that after the restraining order was granted to him last Wednesday night, preventing Lloyd M. Skinner from removing him from office as president and general manager of the Skinner company, he received notice of a directors' meeting to be held in equity court room No. 6 "for the consideration of the removal of Robert C. Howe from the presidency of the company and from membership on the directory of the company and for the transaction of such other business as may require attention."

The notice was directed "To Robert C. Howe, G. W. Megeath, Lloyd M. Skinner, Paul F. Skinner and D. C. Robertson." It is dated April 8, 1920, and is signed by "Paul F. Skinner, chairman of the board of directors of the Skinner company and D. C. Robertson, secretary of the Skinner company."

Four Women Drowned as Car Plunges Into River

Beaumont, Tex., April 9.—Four women were drowned at Port Arthur last night when an automobile in which they were riding plunged through an open bridge and fell into the ship canal. None of the bodies have been recovered and the identity of the women could not be learned. The car was from Beaumont and it is presumed all the women reside here.

Bonds Voted to Operate Kansas-Nebraska Railway

Beatrice, Neb., April 9.—(Special.)—Sumnerfield, Kan., has voted bonds in the sum of \$46,000 to assist the Kansas City and Northwestern railroad running between Kansas City, Kan., and Virginia, this county, in putting the company in such financial condition that it can again operate trains over its line.

Convicted Check Artist Given Penitentiary Term

North Platte, Neb., April 9.—(Special.)—Ray Jacobson, 30 years old, who was found guilty of passing bogus checks on the Henry Ogier company this week, was given a sentence of from one to seven years in the state penitentiary and taken there last evening by Deputy Roy Wilson.

Switchmen Await Vote on Walkout

(Continued From Page One.)

strike. The vote taken was held in check by the more conservative members, however, it was stated.

"Watchful Waiting."

Switchmen are seeking an increase of 32½ cents an hour. They are now paid 62½ cents an hour.

Better working conditions and uniform adoption by all roads of the latest safety devices, will also be sought by the new association.

Railroad officials in Omaha have adopted a policy of "watchful waiting."

George W. Holdrege, general manager of the Burlington, stated this morning that he had received no communications from switchmen. Officials here are in the dark as to the true condition of affairs in the local yards.

E. E. Calvin, vice president of the Union Pacific, likewise has received no communications. It was announced from his office.

Members of the Brotherhood of Railway Clerks said there was no agitation in Omaha for a sympathetic walkout of office employees.

Mr. Whitney that a vote would be taken within 24 hours with a view to ending the strike on that railroad by Saturday night. Brotherhood officers said that a number of strikers returned to work and predicted that the movement of freight in the Chicago area would be near normal by next week.

Leaders of the insurgents said the strike was not only not broken but would be carried on until a new union was completed.

30,000 Men Out.

Reports from rail centers throughout the country indicated that nearly 30,000 railroad men were on strike. Freight embargoes were declared in a number of cities. Breaks in the strike were reported in a few places. Switchmen and brakemen on the Missouri Pacific railroad at Sedalia, Mo., who walked out this morning, returned to work this afternoon.

Railroad officers in the New York area reported that strikers were returning to New Jersey yards where about half the workers struck.

Heads of the brotherhoods tonight denounced the strike as purely an attempt to disrupt the old unions. More time in which to break the strike was asked in a letter addressed to the Western Association of Railroads by the five big railroad brotherhoods.

Important developments of the day were the ordering of an investigation of the strike by the United States senate and an announcement by W. G. Lee, president of the Brotherhood of Railroad Trainmen, that the brotherhood would oppose any attempt to settle the walkout by mediation.

Clearcut Fight.

The strike had become a clearcut fight between the recognized rail-

road organizations and the radical element among the rail workers. Brotherhood claim that freight traffic in Chicago was 50 per cent of normal today was countered by the rebels' assertion that the tonnage had become more nearly complete.

The labor brotherhoods continued to bring in members of their organizations from outside points to fill the places of the strikers and there is good reason to believe conditions in the Chicago district will continue to improve rapidly within the next few days.

In the St. Louis district, including East St. Louis and Madison, Ill., an embargo on all incoming and outgoing freight traffic was ordered. Yardmen on 27 roads were on strike.

All railroads in Kansas City operating under contracts with the Brotherhood of Railway Trainmen were affected. An embargo was declared on incoming freight and packing plants curtailed their output from 50 to 75 per cent.

Summary of Conditions.

The following conditions were reported in the cities affected:

Chicago, 8,000 men out; New York and Jersey City, 3,600; St. Louis, 5,000; Toledo, 4,000; Detroit, 1,500; Los Angeles, 1,400; Buffalo, 2,000; San Francisco, 440; Pittsburgh, 1,000; Kansas City, 440; Gary, 300; Syracuse, 250; Salt Lake City, 200; Saginaw, Mich., 200; Ogden, Utah, 150; Decatur, Ill., 107; Pueblo, Colo., 102; Springfield, Ill., 50; Joliet, Mo., 50; Scranton, Pa., 50; Pocahontas, Idaho, 100; Fort Wayne, Ind., 300.

Railroad employes of the Valley Junction yards of the Rock Island, near Des Moines voted not to strike. Three thousand employes of the Pennsylvania railroad shops at Fort Wayne, Ind., on strike since April 1, returned to work today.

HAND MADE BLOUSES FROM FRANCE

MADE lovely by rows of hemstitching, by clusters of infinitesimal tucks, sewn all by hand even to the seams and hems and fashioned from soft handkerchief linens and French voiles; dainty, since they are so carefully handmade; fashionable, since they come from France.

The blouse on the left is of soft white voile, with a profusion of tiny tucks and hemstitchings, a frilly net ruffle down each side of the front and neat black bows to give the tailored touch. It is priced \$25.

patterns the front and edges the cuffs. This blouse, also to be had in lavender, is wonderfully fine for \$15.

A very odd fluting in double rows should be attractive enough, but when a wide navy blue ribbon ties itself about the throat, supporting the collar in a most becoming way, the result is irresistible. Flesh color and white are the colors, the price, \$16.50.

Other styles equally engaging have arrived—they are well worth viewing

Separate Skirts of Wool or Silk

Offer the widest of selections, both as to color and style—pleating, of course, is very fashionable, but slim, patch-pocketed skirts are also in evidence.

In silks, the glistening white satins suggest warm summer days and Baronet satins, Fan-ta-si, and alternating crepe and satin stripes offer themselves in rose, bronze, gray, blue, Nile green, violet, pink and many other lovely shades. The light Jersey tub skirts in white and pastel shades are splendid for sports wear.

In wool, black and white plaids and stripes deserve mention, while plaids, both gay and somber, run the gamut of color harmonies.

The fitting complement to any Blouse may be found in these Extensive Showings.
