Omaha Middleweight to Meet Indian Pug Monday

Johnny Sudenberg and George Lamson Headliners On Attractive Card at Fort Omaha—Spellman and Garrison to Settle Old Dispute In Preliminary.

Johnny Sudenberg, clever, hard-hitting Omaha middleweight, and George Lamson, the Walthill Indian heavyweight, are headliners on a big boxing program scheduled for Fort Omaha Monday night under the auspices of the fort athletic committee.

The main event promises to be one of the most interesting fistic battles fought here in years.

Sudenberg is a hard hitter and can take a world of punishment. He is clever on his feet and knows how to use his head.

His Indian friends and neighbors claim he is the world's greatest and will back him with every cent they own.

Two clever youngsters, are scheduled for six rounds. Harry Reed and K. O. Anderson are carded for six rounds, and Soldier Hanley and Carl Emmett for a bout of the same length.

LELIVELT AND ROURKE BEAMING OVER PROSPECTS

Omaha Team Takes to the Southern Bushes Tomorrow—Pitchers and Catchers Look Great.

Pa Rourke's pets will fold up their tents and hit the road today.

Fort Smith, Ark., will be the first stop on the Rourke's excursion into the southern bush.

Letters from Rourke and Manager Jack Lelivelt indicate that the executives of Omaha's Western league representatives are highly satisfied with the preliminary appearance of their hired hands.

And despite the fact that Palmero hails from parts where that which is there is not here he is reported to be in good condition and ready to play regularly.

With Oscar Fuhr in harness, the southpaw department of the hurling corps is sound as a nut.

Charlie Kopp is exhibiting symptoms of his old form, which promises no great good for ambitious batsmen.

But it is his catching corps that tickles Lelivelt. He has Cy Lingle and George Hale and Charlie Brown.

Pa and Lelivelt are still angling for a right-handed pitcher. If they land the man they want they believe they will be fixed for pitchers for the season.

Howard Turner, who won the high jump last year, has promised to break the record this year.

The base ball squad is getting ready for its first game with South High on April 27.

Spur Cigarettes

There's always room at the top

That's why Spur Cigarettes have won. There are plenty of cigarettes of merit, some claiming one pleasing feature, some another. But there was room—at the top—for a still better cigarette—one that had all the goodness of the others and then some!

Spur Cigarettes were made with that object in view—to fill that place at the top.

The choicest American and Imported tobaccos were blended by a new method that brings out to the full that good old tobacco taste that smokers are always seeking.

Satiny, imported paper was used. It is crimped, not pasted, to make an easier-drawing, slower-burning cigarette

Then these super-cigarettes were put into a smart "brown-and-silver" package, three-fold, to keep them fresh and rich in that good old tobacco taste.

Lastly, Spurs were priced at twenty for 20c—the lowest possible price for a cigarette of highest possible quality.

Smokers tried Spurs. Their verdict, everywhere, has been: "A high-bred cigarette!"
