

JOSEPH A. YORK, well-known business man of Portland, Me., who says he feels twenty years younger and has gained sixteen pounds on four bottles of Tanlac. Declares he can now eat three square meals a day.

"I am now able to eat three square meals a day, for the first time in two years, was the emphatic statement made recently by Joseph A. York, well-known business man and highly respected citizen of Portland, Maine.

"I am now sixty-nine years of age, and in all my life I have never run across a medicine that I consider in a class with Tanlac. I have just finished my fourth bottle and this medicine has benefited me even beyond my greatest hopes. Besides gaining sixteen pounds in weight, I have been built up and strengthened until I feel all of twenty years younger.

"For the past two years I have been in a miserably run-down condition, and was compelled a short time ago to give up all idea of business, as I was too weak to look after anything. I was nervous, worn-out, had no appetite, and suffered most all the time with indigestion. Some days I would eat scarcely anything; in fact, I was afraid to eat because I knew I would suffer afterward. Sometimes I had such severe crampings pains after eating that I would almost die. My nerves were all unstrung and the least thing would worry me and I never could get a good night's sound sleep. In fact, I just lost interest in everything and was greatly discouraged over my condition.

"The ordinary treatment failed to do me any good, and as I had read so many statements from people I know here in Portland who had been benefited by Tanlac I decided to give it a trial. And now I know for myself what it will do, for I have simply taken a new lease on life. I am now able to look after my work as usual, and never felt better in my life. I am able to eat three hearty meals a day and everything agrees with me perfectly. I eat anything I want and never feel a touch of indigestion. I never thought there was a medicine that could do me so much good, and I am only too glad to have the facts about my case given to the public."

Tanlac is sold in Omaha at all Sherman & McConnell Drug Company's stores, Harvey Pharmacy and West End Pharmacy. Also Forest and Meany Drug Company in South Omaha and the leading druggist in each city and town throughout the state of Nebraska.—Adv.
