Omaha Fighter Claims He Was Fouled Three Times in Fatal Round—Referee Says "No."

### "Chick" Fewster May Never Be Able to Play Ball Again

Wilson "Chick" Fewster, star pitcher of the Brooklyn Nationals, was struck in the head by a pitch from a New York Yankee, and is slowly recovering in a Baltimore hospital.

#### Base Ball Notes

Fred Thomas is a fine fielder, but his weakness as a hitter may mean a new third baseman for the Athletics.

Pitcher Grimes expects to do a lot of work for the Brooklyn team this season, having declared that he will pitch 36 games.

Marsans, the Cuban player, has found it a tough job trying to regain his old playing form after his long layoff.

With pitchers Joe Bush and Harry Harper lined up, Manager Barrow looks for a big improvement in the Red Sox pastime.

A rather tough season is in store for Babe Ruth if he tries to deliver all the wonderful stunts expected of him by Gotham fans.

Having two complete and equally good infielders, Manager Cavath of the Phillies, is now puzzled as to which one he shall keep.

Lemberg examined Sundenberg. Lemberg said he could find no sign that would support the fighter's claim.

The army doctor pointed out an abrasion on Sundenberg. Three other doctors were called and the final decision was against the Omahaan.

Eddie Creighton, Dave Shanahan and Dick Kitchen acted as judges.

Battling Garrison and Ralph Spellman put on an interesting six-round draw for a preliminary. Tommy Vaughn won a decision over Young Dunner.

Jimmy Wilde Defeats Zulu Kid in Ten-Round Bout

Windsor, Ont., April 13.—Jimmy Wilde, the British flyweight boxing champion, defeated Zulu Kid of Brooklyn in a 10-round bout tonight.

The British boxer held the lead throughout, knocking down his opponent for a count of eight in the second round.

A clean left sent the American down and it appeared as though the bout had ended. He arose and lasted the round with a good rally.

The American came back strong in the third round and performed well in the seventh, eighth and ninth, but was outclassed. Wilde tried hard for a knockout in the tenth, in which his opponent hugged at every opportunity.

### BIG PARADE TO OPEN AMATEUR BALL SEASON

Several "Stunts" Planned for Opening Day of Commercial League—Other Circuits Open Sunday.

ROUTE OF PARADE. Start at 2 o'clock from Isten Biscuit Co., Twelfth and Capitol avenue, west to Sixteenth, south to Howard, east to Fifteenth, north to Harney, east to Eleventh, north to Farnam, west to city hall and disband.

At 2 o'clock Saturday afternoon, weather conditions permitting, a big automobile parade of officials of the Municipal Amateur Base Ball association, Commercial league officials, city officials, players and backers of the various teams will mark the opening of the Commercial league for the 1920 season.

Last night a committee was appointed, consisting of President Robert Kroll, Secretary Bell and Manager Cooney of the Western Union team, last season's Commercial league champions, to arrange the details for the opening day.

Auto trucks will be furnished to carry the players and two bands, while the backers of the various teams will use their cars and also furnish cars for the employees.

City officials and resident Al C. Scott of the Muncy association will pitch the first balls at the opening games, with the exception of the Western Union-Isten Biscuit Co. tangle at Fontenelle park, where H. G. Horner, assistant manager of Isten Biscuit Co., will pitch the first ball and W. W. Watt, plant superintendent of the Western Union, will catch the ball.

Other stunts are planned for the opening day, but will not be announced until Thursday.

All opening contests should prove fast and snappy. The Swift-Kirkendall Shoe Co. contest will be staged at Thirty-second and Dewey avenue and the Orchard-Wilhelm-Bemis Bag Co. fray at Miller park.

All of the games are scheduled to start at 3 o'clock.

After considerable wrangling the City league managers decided to open their season next Sunday as per schedule, if weather conditions permit.

However, the Union-Union fitting Co.-Regis Optical game is still in doubt, as Manager Jesse Custard of the Outfitters, last season's City league champions, is still in doubt as to his lineup.

Other games in the City league will be played as per schedule. Nebraska Power Co. against Drive-It-Yourself Co., and Paxton-Vierling against Bowen Furniture Co.

### ROTUND SQUAWS AND BOLD BRAVES SEE "BIG FIGHT"

Fort Omaha Transformed Into Indian Reservation Last Night for Lamson Scrap.

Fort Omaha was transformed into an Indian reservation Monday night when a whole tribe, more or less, of Indians flocked into the balloon school garage to see George Lamson, favorite chief, fight Johnny Sundenberg.

Aged, rotund squaws who saw their fathers fight with tomahawks brought their papooses to the boxing bout Monday night to see Chief Straight-Standing-Elk fight with padded gloves.

Monday night's fight was tame compared to the Indian fights of a former day. But it was permissible to bet on Monday night's fight where it was hardly right to make a wager on previous scraps.

The betting feature livened things up a bit. \$7,000 Placed on Indian.

According to an accurate estimate, \$7,000 in cash was placed on the Indian pugilist Monday.

The entire settlement of Walthill, Neb., attended that fight Monday night. Even the city marshal as present. He "seconded" the Indian pug. The city marshal of Walthill is none other than Kid Graves, also the Indian pugilist's manager.

Sundenberg backers found it hard agreeing with their Indian takers on terms of the bet.

#### Falls to Filter In.

"If it ends with a foul," cautioned one Sundenberg booster, "we'll split the money."

"Ugh!" grunted the Indian. "What did you say?" queried the Indian when the remark began to sink in.

"I said if the bout ends with one fighter winning a decision on a foul, we'll draw the money."

"Another brief pause. "Hey! What you mean, foul?" queried the Redskin.

### Former Officer Held For Theft of Woman's Dainty Silk Lingerie

Three women's silk union suits, a corset, three women's night dresses and numerous other articles

of lingerie are enumerated in the complaint which charges Anton Inda, 2723 Dorcas street, former policeman and father of eight children, with larceny. The complaint was filed in Central police court yesterday by Mrs. Josephine Janiewicz, a former roomer at the Inda home.

Detectives who went to his home with a search warrant, said one of Mrs. Janiewicz's silk dresses was being worn by Inda's daughter, Jean, 17 years old.

## Station-to-Station Calls Are the Cheapest and Quickest Long Distance Telephone Service

Two principal classes of long distance telephone service are in use. They are known as "STATION-TO-STATION" and "PERSON-TO-PERSON" service.

Station-to-station service should be used when you are willing to talk to anyone at the distant telephone called. Person-to-person service is intended for use when you wish to talk to a particular person or persons.

Station-to-station service is not only cheaper, but it is more rapid and less subject to error than person-to-person service. On station-to-station service the call can be completed as soon as the distant telephone is answered, while on person-to-person service the particular person wanted must be located and summoned to the telephone.

The charge for a station-to-station call cannot be reversed; that is, it cannot be charged to the telephone called, for in that case the telephone operator would have to locate a particular party to approve the charge, which would make it a person-to-person call.

#### HOW STATION-TO-STATION CALLS SAVE MONEY

Station-to-station calls, no doubt, can always be used for a large part of your business or social calls, but you may be able to make greater use of this lower-priced service if, just before you place your call, you will analyze the probable conditions in the office or home of the person wanted.

For example, if it is possible that Mr. Brown may be out, but his clerk can give you the information you want, a station-to-station call will meet your needs. Or if you are reasonably sure Mr. Jones will be at home at a certain hour, a station-to-station call could be made advantageously.

Then, too, by making previous arrangements, the person you want could be near the telephone at the time you put in your call.

For example, if Mrs. Jones calls her daughter regularly once a week, it could be arranged between them that the call will be made at a specified time, so that the daughter can be near the telephone to receive the call. Or if it is an occasional call, a postal card could be sent to the daughter telling her what time the call will be made.

#### HOW TO MAKE A CALL

When making a STATION-TO-STATION call, you would say, for example, "I want to make a Station-to-Station call to George Smith's store at (give town and state and, if known, the street address and telephone number)."

If you want to use PERSON-TO-PERSON service you would say, for example, "I want to make a Person-to-Person call to John Smith at George Smith's store at (give town and state and, if known, the street address and telephone number)."

#### EXAMPLES OF DIFFERENT RATES

Following are examples showing the station-to-station and person-to-person rates for distances up to sixty-four miles:

Miles	Station-to-Station	Person-to-Person
0-12	\$0.10	\$0.15
12-18	.15	.20
18-24	.20	.25
24-32	.25	.30
32-40	.30	.40
40-48	.35	.45
48-56	.40	.50
56-64	.45	.55

#### APPOINTMENT AND MESSENGER RATE

Appointment calls and messenger calls are special kinds of person-to-person calls.

An APPOINTMENT CALL rate, which is about 50 per cent higher than the station-to-station rate, is quoted for service when an appointment is made by the calling party to talk at a particular time.

When a person who does not have a telephone is called over long distance and a messenger must be sent to summon the party to the telephone, the MESSENGER CALL rate, which is about 50 per cent higher than the station-to-station rate, is charged, and to this is added the necessary messenger charges.

#### THE REPORT CHARGE

When you place a call for a particular person or persons and for any reason they cannot be reached the same day at the address given, or will not talk, or if you make a call and you are not ready to talk when the other person is ready within an hour, a REPORT CHARGE is made. The report charge is about one-fourth the station-to-station rate. It is intended to cover part of our expense of handling the uncompleted call.

#### SPECIAL EVENING AND NIGHT RATES

The EVENING rate, between 8:30 p. m. and 12 midnight on station-to-station calls, is about one-half the day rate. The NIGHT rate, between midnight and 4:30 a. m., is about one-fourth the day station-to-station rate.

However, no evening or night rates are quoted on station-to-station calls where the day rate is less than 25 cents. On such short-haul calls the day rate applies. For longer distances special evening and night rates are quoted.

Because it is difficult to reach particular persons at night, when many are away from their homes and places of business, there are no special evening or night rates quoted for person-to-person calls.
