

Faces Made Young

The secret of a youthful face will be told to any woman whose appearance shows the signs of illness or any other cause is showing her the signs of old age. A well chosen beauty treatment, such as the one given by the 'Beauty Examiners' at the 'Kathryn Murray, Inc.' will give you a new look and a new life. This information is free to all who ask for it.

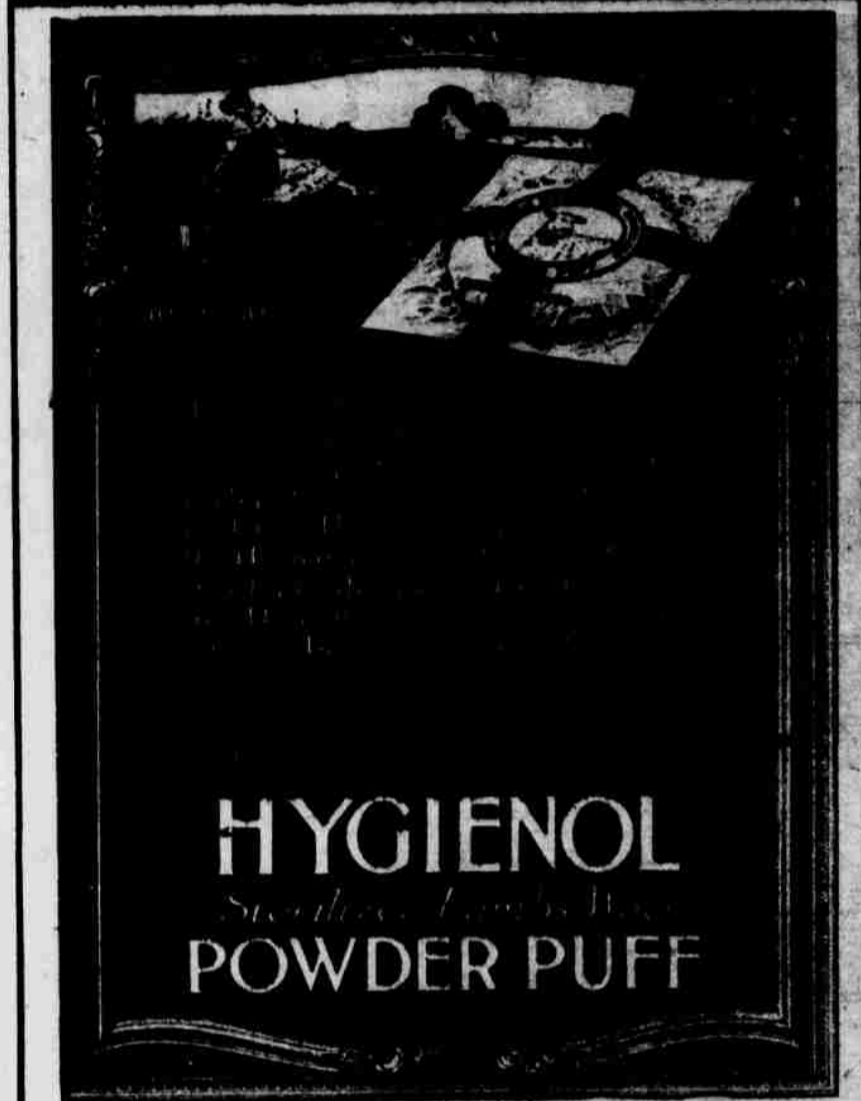

Beauty Examiners

which remove lines and 'wrinkles' and make the face look young. It is a scientific treatment of the face and does not depend on any artificial means. It will give you a new look and a new life. This information is free to all who ask for it.
