

# PERSHING Is a Nebraskan--- ARE YOU?

Patriotism State Loyalty  
Common Sense

ALL these call upon every Nebraskan, of whatever group or faction, to unite tomorrow in the discharge of the greatest trust ever placed in the hands of the voters of the state.

That trust is the presidential candidacy of Nebraska's own citizen, John J. Pershing.

*There will be no middle ground tomorrow for Nebraskans. They will either vote for the fulfillment of this trust or its betrayal.*

Other issues are of no importance. What Nebraska does in the case of outside candidates can have but slight effect on the action of the National convention.

What Nebraska does in regard to the candidacy of its own citizen, Pershing, is of the most supreme importance to this State—to the Nation—and to the World.

The other candidates are already in the field. The Nation will have plenty of chances to pass on THEIR merits—

**But—the Nation's opportunity to pass on the presidential qualifications of Pershing---to decide whether it wishes to reward him for services with the highest of honors---DEPENDS UPON NEBRASKA'S ACTION AT THE POLLS TOMORROW.**

## Personal Choice Must Come Second

Private and partisan considerations may go by the board. TOMORROW, AS NEVER BEFORE, THE PEOPLE OF THIS STATE MUST SPEAK AS ONE AND FOR ONE.

NEBRASKANS! Do not sacrifice the great opportunity which belongs to you and this State, merely to add a few convention votes to those already held by the outside candidates.

If you are a real Nebraskan, do your part to see that this state casts its vote for its own great and deserving citizen,

# PERSHING

## IMPORTANT!

The "Johnson-Wood combine," of which you have heard so much, has for its purpose the election of a set of delegates who are pledged to the two outside candidates, and are united in their opposition to Pershing. To be sure that the will of the people of this state is not thwarted by this political grouping, VOTE FOR PERSHING AND THE FOLLOWING REAL NEBRASKA DELEGATION:

The Following Delegates Are Pledged to No "Combine" and Can Be Trusted to Carry Out the Will of the People of Nebraska

<p><b>First District Delegates</b> Vote for 2 MARK W. WOODS ANDREW P. MORAN Alternate IDA M. DUNBAR</p>	<p><b>Delegates at Large</b></p>	<p><b>Fifth District Delegate</b> HARRY F. RUSSELL</p>
