

RAPS OFFICIALS FOR FAILURE TO OUST RADICALS

Montana Senator Declares Activities to Undermine Government Are Increasing—Country Full of Seditious.

Washington, April 28.—Declaring that sympathizers with radicals bent on the overthrow of the government are to be found "even in high places," Senator Myers, democrat, Montana, speaking today in the senate, criticized the government in general and the Department of Labor in particular for failure to take adequate steps to prevent the spread of radicalism.

"The activities of those who would undermine and overturn our government are undoubtedly increasing," he said. "In my opinion, this country is reeking and seething with the machinations of disloyal seditious and bolshevism."

Referring to the recent miners' strike at Butte, Montana, Senator Myers said that aside from the government keeping temporary order by the use of troops, he did not know what would come toward going to "the bottom of this nest of anarchy and rooting out the moving force."

"There is one thing," he said "that the government appears to be extremely reluctant to do and that is to measure strength to a final test with any organized body of persons affiliated with organized labor or calling themselves a branch of organized labor."

"The government may promise to do so, may threaten to do so, may start to do so, but when the time for the actual test comes, it seems there is almost certain to be, by the government, some way found of avoiding the test."

The senator declared congress was too "subservient to the decrees of organized labor," adding that since Samuel Gompers had said the Sterling anti-sedition bill must not be enacted nor anything like it, he did not believe it would be.

Man Says He Killed Girl Who Asked Him To Do It as a Favor

Ontario, Mich., April 28.—Anson Best, formerly of Flint, Mich., confessed early this morning to Prosecutor Glenn C. Gillespie, that he killed Miss Vera Schneider, 18-year-old telephone operator, whose body was found early Sunday morning on the porch of an unoccupied dwelling.

Best, according to the prosecutor, had been questioned throughout the night and broke down after being identified by a workman as having been seen washing his hands in the Clinton river, near the scene of the crime, a few minutes after its discovery.

"She asked me to kill her," Best was quoted as saying. He even declared, according to the prosecutor, that he met Miss Schneider for the first time late Saturday night.

She even drew the handkerchief from his pockets and asked him to tie them together and place them about her neck, Best said. Her only reason, he said, was she was "simply in the way of others."

Negro Is Taken to Prison Under Guard; Goes to Chair August 5

Indianapolis, Ind., April 28.—William Ray, colored, sentenced to die in the electric chair for the murder of 14-year-old Martha Huff in this city nine days ago, was taken to Michigan City prison today under a heavy guard.

Ray, who confessed to stabbing the little girl 13 times, was arraigned, tried and sentenced to die August 5 in criminal court late yesterday. The jury was out only 20 minutes, and took only one ballot, it was said.

762 Deportation Warrants Issued Since Drive On Reds

Washington, April 28.—The total of 762 deportation warrants have been issued by the department of labor as a result of the so-called radical raids by the Department of Justice, Assistant Secretary Post said today in a letter to Chairman Johnson of the house immigration committee. He wrote in reply to an inquiry by Mr. Johnson.

A total of 6,350 warrants of arrests were issued, Mr. Post said, and approximately 3,000 of these were executed. The number cancelled was 1,293. Since November 1 a total of 263 aliens have been deported, including 211 of the "soviet ark" Buford.

Large Catholic University Is Planned Near Chicago

Chicago, April 28.—Combination of Catholic institutions in Chicago with additional departments and buildings on a 1,000-acre tract at Area, Ill., will result in the formation of a large Catholic university, according to plans announced today by Archbishop George W. Mundelein.

The announcement followed acceptance of a gift of \$500,000 from Edward Hines, in memory of his son, Edward Hines, jr., who died in France.

Mr. Hines' gift will be used for construction of a chapel on the new tract and many departments will be assembled there, although some will remain in Chicago.

Only One Air Squadron to Patrol Forests This Year

Washington, April 28.—Because of the depleted personnel only one aviation squadron will be detailed for forest observation this year, the War department announced today. The ninth squadron will be based at Meador field and will cover the various forest reserves of California. No squadrons will be available, it was said, for the reserves of Washington, Oregon, Nevada, or Utah.

The Child's Foot Will Be Correctly Formed by The Brown Shaping Last

The Buster Brown shoe is made to fit the natural lines of the foot. That is why the Buster Brown last is better than any other last for growing boys and girls.

There is nothing mysterious about the Buster Brown shoes that makes them better than other shoes. It is simply this—a good shoe cannot be made by guess work. The perfectly fitting shoe must be made over a form which corresponds in size and shape to the human foot, and this form is called the "Last."

Be Safe—Buy Buster Brown Shoes

You cannot afford to experiment or take a chance on shoes for the children. Be sure by letting them wear the Brown Shaping Last.
