Field Club District's Best Buy

On Woolworth avenue is a home where the cost of labor and material was not considered in the construction; the same applies to the development of the grounds—a corner lot 137x140 feet. The arrangement comprises four spacious rooms and hall on the first floor, finished in quarter-sawn golden oak and mission; walls decorated in oil over canvas. Second floor, six sleeping rooms and two baths; large attic. The basement is completely finished and includes a large billiard room; laundry room, fruit room, Rudd heater, air-tight coal room. Hot water heat, plate glass windows throughout. Garage for two cars; house entrance from the drive. The price is right and the ground is worth half of it. If you can use a home of this character it will pay you to investigate at once.
