

NEW YORK BOMB CASE SUSPECT TAKES OWN LIFE

Eludes Guards and Jumps 14 Stories to Death—Identified With Nationwide Plot Last Year.

By The Associated Press.
New York, May 3.—Tony Tazio, 30 years old, detained by the Department of Justice as an important witness against a number of radicals involved in the bomb outrages last June, committed suicide early today by hurling himself from a window on the 14th floor of a Park Row office building, where the department headquarters are located.

Chief William J. Flynn of the department, said today that Tazio was one of the several anarchists who were arrested in connection with the bomb explosions of June 2 last, and had been detained at headquarters as a government witness for six weeks.

Revealed First Attacks.

The June bomb attacks included the homes of Judge Charles C. Nott of general sessions court in New York, and Attorney General Palmer at Washington. The explosions resulted in the death of two persons. Tazio's suicide revealed, for the first time that any important arrests ever had been made in connection with the case.

Chief Flynn said that the man's

HOW TO RAISE BABY CHICKS

Put Avicol in the drinking water.

Most people lose half of every hatch, and seem to expect it. Chick cholera or white diarrhoea is the trouble. The U. S. Government states that over half the chicks hatched die from this cause.

placed in the drinking water, will positively save your little chicks from all such diseases. A trial of 48 hours the sick ones will be as lively as crickets. Avicol keeps them healthy and makes them grow and develop.

Mrs. Fannie Thacker, R. F. D. 3, St. Paul, O., writes: "I had 20 chicks and they all died but 2. Then I commenced on Avicol and haven't lost any since. They have grown wonderfully." It costs nothing to try Avicol. If you don't find that it prevents and cures white diarrhoea, chick cholera, and all bowel diseases of poultry, tell us and your money will be refunded by return mail. Avicol is sold by most druggists and poultry remedy dealers, or you can send 50c or one dollar for a package by mail postpaid. Burrell-Dugger Co., 373 Columbia Bldg., Indianapolis, Ind.

How to Gain Flesh

A simple but sure way to increase the weight. It is asserted by several well known physicians, is to take regularly for several months, one of two grain hypo-nutrient tablets after each meal. These little tablets have the distinguished merit of increasing the red and white blood corpuscles, aiding digestion and promoting assimilation and absorption of the elements in the food which go to make blood and solid tissues. They are obtainable in sealed packages from well stocked apothecary shops.

Winners in State Contest Spell Every Word in Text

Winners in the state spelling contest, reading left to right, front row: Crede Baker of Weeping Water, Mary Johnson of Fordyce, Madeline Wilcox of Burr. Rear row: Reuben Nelson of Phelps county, Clarence Heider of Hampton.

Lincoln, Neb., May 3.—(Special.)—After successfully spelling every word in the special contest text prepared by R. W. Eaton of Omaha, Madeline Wilcox of Burr, won the first prize in both written and oral spelling contests held here Friday. Sixty-seven contestants, representing 38 counties were entered.

Other winners were Clarence Heider of Hampton, Crede Baker of Weeping Water, George Hayden of Ruskin, Mary Johnson of Fordyce, Julia Kosteca of Richardson county, and Ruby Nelson of Phelps county. The Lincoln Commercial club furnished the cash prizes.

real name was Andrae Salsedo. He admitted, according to Chief Flynn, that it was he who printed the pink circulars, copies of which were found in the vicinity of homes wrecked by the bombs. Salsedo was a printer and writer. He was sleeping with another government witness when he got up, went to the wash room and jumped from the window without rousing his companion.

Mr. Flynn admitted that several other men had been arrested in connection with the plots, that they had confessed to participating and that they had agreed to turn government witnesses. He declined, however, to give the names or to explain what part they had played.

Worked in Spare Time.

From Chief Flynn and N. C. Donato, Salsedo's lawyer, it was learned that the circulars had been printed in an Italian printing establishment in Brooklyn, where Salsedo was employed.

Was Ordered Deported.

According to Donato, Salsedo, who came to this country about five years ago, did not know English and was not "a man of action." His attorney said that when anarchists he did not appreciate the gravity of his act.

Immigration officials at Ellis Island said that a warrant for Salsedo's deportation had been granted on March 10 on representation by the Department of Justice that he was an anarchist. The prisoner was not surrendered however, to the Ellis Island authorities, nor was his warrant returned.
