SENATE WILL **DEBATE KNOX PLAN TODAY**

Republican Leaders Supporting Resolution to End War With Germany Expect to Reach Vote Soon.

WILSON ALMOST SURE TO EXERCISE VETO

Hitchcock Announces No Attempt Will Be Made to Delay Action by Filibuster-Colby Upholds Opposition. 4

Washington, May 4 .- The senate ill begin debate tomorrow on the Knox peace resolution with the general expectation of its adoption and certain veto by the president. Republican leaders suporting and

democrats opposing the resolution. introduced by Senator Knox as a substitute for the house measure, said a vote probably would be reached within two weeks, or just before the contemplated recess for the political conventions. Veto Anticipated.

There did not seem to be muchi doubt among members as to its passage, but leaders of both parties said they anticipated that with his veto message, President Wilson probably would return the treaty of Versailles to the senate.

Senator Knox will call up his rese

olution tomorrow and deliver a pre-

pared speech, after which, accord-

ing to present plans, it will lie over for a few days, unless senators desire to discuss it at odd times.

No Filibuster. Senator Hitchcock, ranking minrity member of the foreign relations committee, announced after a democratic conference today, that no attempt would be made to delay action on the measure by a filiister. The democrats of the committee conferred with Secretary Colby and Senator Underwood, minority leader, and it was said that Mr. Colby agreed with the demo-cratic plan of opposition to the

Knox resolution. Besides pointing out what he regarded as its constitutional ob-jections, Mr. Colby is said to have stated it was likely to draw criti-cism from America's associates on

President of Brazil Urges Sale of Vessels Taken From Germany

Rio Ianeiro, May 4 .- Sale of former German ships which were seized by Brazil during the war was urged by President Pessoa, in his message to congress today. Twenty-eight of these steamers were borrowed by France, and the president said France was noncommittal when asked by Brazil if it desired to purchase the ships on the same terms offered by North American firms, He said France requested a renewal of the loan agreement between the two countries and suggested that the ship, question be

settled by the reparations commis-Brazil replied, the president said, that the ownership of the steamers was settled by the Versailles treaty and refused to renew its loan to France. At the same time it asked that country to return the ships to Brazilian harbors. No response has as yet been received from Paris.
