Apply Sulphur as Told When  
Your Skin Breaks Out.

Any breaking out of the skin on face, neck, arms or body is overdone by applying Mentho-Sulphur. The pimples seem to dry right up and go away, declares a noted skin specialist. Nothing has ever been found to take the place of sulphur as a pimple remover. It is harmless and inexpensive. Just ask any druggist for a small jar of Mentho-Sulphur and use it like cold cream.

### From Thin to Plump—Girls

The expressions of happiness and gratitude of several of his young lady patients for whom he prescribed the recently successful flesh forming product, known as three-grain hypo-nuclein tablets, is related by a physician in one of the medical publications and it comes as a surprise to the ordinary layman to learn the heart throbs of distress which seem to afflict so many young people who are abnormally thin. Also to know that the weight can be so readily increased by the use, regularly for several months, of this peculiarly named preparation, now obtainable of the best apothecary shops in sealed packages with complete instructions for self-administration.

### Dandruff Surely Destroys the Hair

Girls—if you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't.

It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips. By morning most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it.

You will find, too, that all itching and digging of the scalp will stop and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails.

### SUFFERED TEN YEARS FROM INDIGESTION

Trouble Gone, Appetite Strong, and Eats Anything Without Distress

"I had a case of catarrh and indigestion, of ten years standing. I had been treated by the best medical men in Michigan. When I commenced taking Miks Emulsion, I was in bed. I improved so fast that I kept the neighbors wondering. I am now up and working every day. My cough is gone. My appetite is great, and I can eat anything without hurting me."—H. D. Lovelace, Rockford, Mich.

Indigestion is seldom cured by "helping" the stomach digest food. Digestives, like phlegm pills, usually make slaves of the stomach and bowels.

Miks Emulsion is a pleasant, nutritious food and a corrective medicine. It restores healthy, natural bowel action, doing away with all need of pills and purgatives. It promotes appetite and puts the digestive organs in shape to assimilate food. As a builder of flesh and strength, Miks Emulsion is strongly recommended to those whose sickness has weakened, and is a powerful aid in resisting the effects of colds, influenza, and other wasting diseases. Chronic stomach trouble and constipation are promptly relieved—usually in one day. It produces remarkable results in colds, coughs and bronchial asthma. This is the only solid emulsion made, and so palatable that it is eaten with a spoon like ice cream. Truly wonderful for weak, sickly children. No matter how severe your case, you are urged to try Miks Emulsion under this guarantee—Take six bottles home with you, use it according to directions and if not satisfied with the results, your money will be promptly refunded. Price 50c and \$1.20 per bottle. The Miks Emulsion Co., Terre Haute, Ind. Sold by druggists everywhere.

Anna Q. Nilsson, the wonderful motion picture actress, who is writing a series of articles on beauty secrets soon to appear in this paper, says that a beautiful rosy-white skin and complexion is the very best asset any girl or woman can have. She further states that the best and quickest way to obtain this is to use a simple up-to-date drug or department store. This wonderful derwillo is used by over five hundred thousand discriminating girls and women throughout the country and is rapidly becoming a regular fad. It takes the place of face powder, stays on better and its use cannot be detected. Perspiration does not affect it and it will not rub off on clothing. Derwillo is especially recommended for dark, sallow, rough skin, freckles, tan, wrinkles and many other facial blemishes. Be sure to read Miss Nilsson's next article. In the meantime get derwillo and try it today, you are sure to be delighted.

### Lovelorn By BEATRICE FAIRFAX.

Startling Discipline.  
Dear Miss Fairfax, Omaha Bee: I read your column often and like your advice.

I am a young western girl and a lonesome one sometimes. I live on the Indian reservation. I have lots of company, but there are not many girls around here, only one that comes five miles, and we don't see much of one another. Most all my nice boys, but do you think it is right to go horseback riding with them? Sometimes I help to herd the cattle.

Also, Miss Fairfax, a few days ago a cowboy came and stayed until 10 o'clock. When he was ready to go home or to his camp he asked me to walk out to the gate. I did so, and he said he was going farther north and didn't think he would come back. When I said I was sorry he must go, the first thing I knew he had kissed me. I slapped his face and ran into the house. Was that the right thing to do? I am waiting to see this in print and to obey your answer. I remain,

LONESOME WEST WIND.  
Your method of disciplining the young man was rather startling, but I can't say I think you did wrong. He did wrong to take a personal liberty with you, and under those circumstances I think a girl has a right to use any spontaneous means of defense within reason.

Name Cards—Do you mean place cards, or calling cards? For the latter always use "Miss" or "Mrs." For place cards at table use these terms unless you know the women very well, in which case it would be all right to use the women's name, as Mary Smith, without the Miss or Mrs., or just "Mary," would do in an intimate group.
