

"MUST FORGET LARGE PROFITS TO CUT COSTS"

**Kiwanis Club Speaker Says
Nation Will Face Grave
Crisis Unless Prices Are
Brought Down.**

"We've got to drop the idea of big profits and help bring the cost of living down," declared Edwin Dale White of the Union Pacific railroad, speaking at the weekly Monday meeting of the Kiwanis club in the Hotel Fontenelle yesterday.

"Unless high prices are brought down the country will reach one of the gravest crises in its history," Mr. White declared. "Strict adherence to the good old constitution will also help us in our present condition of unrest."

The Kiwanis club will meet again in the Hotel Fontenelle next Friday night. Council Bluffs business men are invited to attend the meeting, which is called to plan for the formation of a Kiwanis club in Council Bluffs.

J. L. Correa and W. H. Bubb were named delegates to the International Kiwanis convention at Portland, Ore., from June 18 to 22. Dwyer Yates and W. B. Tagg are alternates.

Kiwanians to Take Active Interest In Free Bridge Plans

The Kiwanis club of Omaha will take a lively interest in promoting the free bridge proposition which has been started by the mayors of Omaha and Council Bluffs.

During the last week of this month the club will hear two speakers on this subject, J. J. Hess of Council Bluffs to represent the city across the river and another man, yet to be selected, to speak for Omaha.

Mayor Smith has written to Congressman A. W. Jeffers, to learn whether there are any provisions in the grant for the Douglas street bridge, which might be taken advantage of. The mayor advised the congressmen to anticipate a request for an act of congress to authorize the construction of the proposed free bridge here.

4,497 Queries on Omaha To C. of C. in 16 Months

In the 16 months ending April 1 just 4,497 answers to Omaha advertisements were received by the Chamber of Commerce, according to figures tabulated yesterday by Arthur Thomas, manager of the publicity bureau of the chamber.

Of the number, 116 inquiries were from foreign countries, located on every continent on the globe. The greatest number of inquiries from a single city came from New York with 243 communications. Chicago was second with 179, and Philadelphia third, with 138.

New Building Ready.

Phil Kruml, proprietor of the Whistle Bottling Works, announces the completion of the new building at 1131 North Eighteenth street. The plant is to be equipped with the latest sanitary bottling machinery. Installation of this equipment is delaying the moving of the organization from its present quarters at 1507 Webster. The plant will soon be running full capacity. Whistle, although a comparatively new beverage on the market, has acquired considerable popularity.

WOMEN ASKING 31 DELEGATES TO CONVENTION

**Fair Voters on Republican
County Committee in Cau-
sus Friday Frame Re-
quests for Convention.**

The republican women's committee will ask the republican county convention next Tuesday to allow the women to name 31 of the 63 delegates which Douglas county will be entitled to in the state convention at Lincoln, May 18.

This course of action was decided on yesterday afternoon at a caucus of republican women at their headquarters, 310 South Nineteenth street.

The caucus named a nominating committee which will consist of the ward captains, Mrs. Draper Smith, chairman of the women's committee, two representatives from the county precincts and one woman to represent the colored women voters.

Indorse Ure as Chairman

W. G. Ure was endorsed as chairman of the new county central committee and Mrs. Draper Smith will be recommended to the county convention for vice chairman of the central committee. "The women who will be selected as delegates to the state convention should understand that they will be expected to go to Lincoln, help write the state platform and do other wonderful work," Mrs. Smith announced.

When Mrs. Smith told the women that she thought they should select a younger woman than herself for vice chairman of the county central committee Mrs. E. C. Townley reported by saying, "You told us that experience is a good teacher, so we think we should have you serve for our vice chairman."

Endorse Maternity Bill.

The women voted to send to the Nebraska representatives in congress a telegram endorsing the

Shepherd-Towner bill, which is in the interests of maternity welfare. When the chairman announced that she expected that the women would work for the election of the republican nominees the attendants expressed their approval by applauding.

Announcement was made that the republican women's committee will maintain headquarters indefinitely.

Grocer Gets Postponement On Sugar Hoarding Charge

Preliminary hearing for Hymie Milder, South Omaha grocer, charged with hoarding 85,000 pounds of sugar, was postponed by United States Commissioner R. D. Neely yesterday by agreement between Milder's attorney and Assistant

United States District Attorney Peterson. Preliminary hearing for Isidore Nathan, arrested with Milder on sugar hoarding charges, is set for next Wednesday.

To Recount Progress of Talmud Torah Society

A full report based upon the spiritual and financial standards of

the City Talmud Torah, Jewish institution, since its reorganization in 1917, will be read at the semi-annual meeting of the organization to be held Sunday night at the Jewish synagogue, Nineteenth and Burt streets. This announcement was made by Dr. Phillip Sherer, president of the City Talmud Torah.
