### DOCTOR ADVISED CHANGE OF CLIMATE

Run Down and Lungs Hurt—Stayed Home and Gained 22 Pounds.

"In November, 1911, I had a severe cold and in grips, which left me with a bad cough. My lungs, and shoulder blades hurt so I couldn't sleep and I finally had to give up my job and was ordered to change climate. In April, 1912, I began taking Mils Emulsion. On the second bottle I could see a change. My appetite was better and I commenced to gain strength and weight. Now, (August, 23, 1912) I have used 23 bottles, have increased 22 pounds in weight and believe I am permanently cured."—W. F. Bourland, Route 5, Wolf City, Texas.

Mr. Bourland was coming in commencing to use Mils Emulsion when he did. A run-down system invites disease. Mils Emulsion costs nothing to try. Mils Emulsion is a pleasant, nutritive food and a corrective medicine. It restores healthy, natural bowel action, doing away with all need of pills and physics. It promotes appetite and quickens the digestive organs in shape to assimilate food. As a builder of flesh and strength, Mils Emulsion is strongly recommended to those whose sickness has weakened, and is a powerful aid in restoring and repairing the effects of wasting diseases. Chronic stomach trouble and constipation are promptly relieved—usually in one day.

This is the only solid emulsion made, and so palatable that it is eaten with a spoon like ice cream. Truly wonderful for weak, sickly children.

No matter how severe your case, you are urged to try Mils Emulsion under this guarantee. Take six bottles home with you, use it according to directions and if not satisfied with the results, your money will be promptly refunded. Price 60c and \$1.20 per bottle. The Mils Emulsion Co., Terre Haute, Ind. Sold by druggists everywhere.

### HOW TO RAISE BABY CHICKS

Put Avicol in the drinking water.

Most people lose half of every hatch, and seem to expect it. Chick cholera or acute diarrhoea is the trouble. The U. S. Government states that over half the chicks hatched die from this cause.

An Avicol tablet, placed in the drinking water, will positively save your little chicks from all such diseases. Inside of 48 hours the sick ones will be as lively as crickets. Avicol keeps them healthy and makes them grow and develop.

It costs nothing to try Avicol. If you don't find that it prevents and promptly cures white diarrhoea, chick cholera and all bowel diseases of poultry, tell us and your money will be refunded by return mail. Avicol is sold by most druggists and poultry remedy dealers, or you can send 50c or \$1.00 today for a package by mail postpaid. Burrill-Dugger Co., 373 Columbia Bldg., Indianapolis, Ind.
