ANTI-FAT

I.
Art thou stout and getting stouter? Stop reprinting—cease to moan; Hie thee to the nearest drug store—Ask for "Tablets Arboline."
II.
Arboline will stop that craving. Make thee normal—that's well known. Thou'lt forget that hungry feeling After taking Arboline.
III.
And the pounds away will dwindle—Waist no longer like a zone; Thou'lt be thankful to the maker Of those Tablets Arboline.
Note—This little poem was written by a literary woman of Los Angeles, Calif., as a testimonial to Tablets Arboline. It so aptly and truthfully describes the virtues of this well-known anti-fat that the proprietors use it for advertising. Facts and gratitude are both expressed with admirable rhythm and meter.

Miss Nilsson's Beauty Secrets

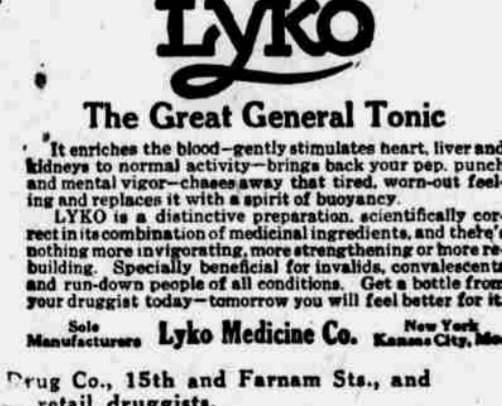

Anna Q. Nilsson, the wonderful motion picture actress, who is writing a series of articles on beauty secrets, to appear in this paper, says that a beautiful rosy-white skin and complexion is the very best asset any girl or woman can have. She further states that the best and quickest way to obtain this is to use a simple toilet preparation, familiar to every well known actress. It is called deriwoll and can be obtained at the toilet counter of any up-to-date drug or department store. This wonderful deriwoll is used by over five hundred thousand discriminating girls and women throughout the country and is rapidly becoming a regular fad. It takes the place of face powder, stays on better and its use cannot be detected. Perspiration does not affect it and it will not rub off on clothing. Deriwoll is especially recommended for dark, sallow, rough skin, freckles, tan, wrinkles and many other facial blemishes. Be sure to read Miss Nilsson's next article. In the meantime get deriwoll and try it today, you are sure to be delighted.

Be Young In Body, Mind and Looks Despite Your Years

How often you have wished that you could indulge in the strenuous exercise of out door sports with the vigor and enthusiasm of youth! But the end of the week finds you all in—you are tired, listless and lack the energy to get out for a vigorous walk or a round of the links—or any other exercise that requires much physical exertion. Many a man, even in his middle forties, has a vague feeling that he is "getting old"—and right at a time when he should be at his very best physically. And he is growing old, not in the sense that the years are pressing heavily upon him—but in the sense that his vital forces are wasting away faster than Nature replaces the worn out tissues.

Thousands—yes millions—of people find themselves in this condition early in life. And there is no excuse for it. You can check that tendency to grow old. You can carry your youth with its vigor and enthusiasm into your 70's and 80's. But you must give Nature all the help you can. The best assistance you can find—assistance of a sound, constructive character—is in the use of

SULPHUR IS BEST TO CLEAR UP UGLY, BROKEN OUT SKIN

Any breaking out or skin irritation on face, neck or body is overcome quickest by applying Mentho-Sulphur, says a noted skin specialist. Because of its germ destroying properties, nothing has ever been found to take the place of this sulphur preparation that instantly brings ease from the itching, burning and irritation. Mentho-Sulphur heals eczema right up, leaving the skin clear and smooth. It seldom fails to relieve the tormenting eruptions. A little jar of Mentho-Sulphur may be obtained at any drug store. It is used like cold cream.

To Get Strong and Put on Flesh

People who have tried it say that one of the quickest and surest ways in which those who are weak, thin, nervous and thin down can grow strong and put on pounds of solid stay-there flesh, is to take a 5-grain tablet of Blood-Iron Phosphate with each meal. This is doubtless due to the well known fact that Blood-Iron Phosphate quickly builds up depleted nervous energy and at the same time supplies the iron necessary to make rich, red strength building blood. If you are weak, thin, nervous or lacking in the old time vigor, endurance and optimism, go to Sherman & McConnell Drug Co., or any other good drug store and get enough Blood-Iron Phosphate to last three weeks and take as directed. If at the end of three weeks you don't feel one hundred per cent better and aren't in every way satisfied you can have your money back for the asking. Fair, isn't it? Better try it today.

Blood Poverty
is responsible for inability of the body to rebuild and repair its cells as well as to defend itself against disease. The blood carries life-giving and health-preserving oxygen to every body cell, hence when the blood is poor, the body suffers. Father John's Medicine supplies the body with Nature's great food-medicine, which can be easily and quickly made use of by blood, nerves, brain and other tissues. It contains no drugs and no alcohol. In use for over sixty years. Get a bottle and try it—today.

HAVE COLOR IN CHEEKS
Be Better Looking—Take Olive Tablets
To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days, you must keep your body free from poisonous wastes. Dr. Edwards' Olive Tablets (a vegetable compound mixed with olive oil) act on the liver and bowels like calomel—yet have no dangerous after effect. Take one nightly and note results. They start the bile and overcome constipation. That's why millions of boxes are sold annually. 10c and 25c.

JUST GAVE UP SUFFERED SO

Weakness, Pains and Other Troubles Had Discouraged This Arkansas Lady. She Took Cardui, Found It Helpful. Got Well!
Harrisburg, Ark.—After serious symptoms had become apparent, Mrs. Belle Wilkerson of Route 1, this place, says she "got worse and worse."
"I wasn't able to stand on my feet and had to go to bed," she explains. The ... grew worse, and for about three weeks nothing seemed to do me any good. I grew so weak and nervous and could not sleep. I began to have pain in the lower part of my body, and all across my back. There was a great deal of soreness and pain in my left side. ... I just gave up, for I suffered so. I grew discouraged and thought I was not going to get well.
"My head not only ached, but would feel so light and dizzy. ... I decided then I would take Cardui, as I read of how many women it had benefited, and some whose case was like mine. When I began Cardui, just after a few doses, I noticed a change. I slept better at night. ... and felt like I could eat something. I got up and began to do the work in the house and yard, and after three or four bottles of Cardui I was well."
If you suffer from disorders peculiar to women, take Cardui—the Woman's Tonic.
It should help you, like others.
