RAMSEY AND FUHR STAGE PITCHING DUEL

Oklahoma Hurler Holds the Rourke to Two Hits for Eight Innings—Ramsey Weakens in Ninth.

After holding the Rourke to two hits for eight innings yesterday Joe Ramsey, Oklahoma City twirler, weakened in the ninth and with the aid of an error by Hughes lost a pitching duel to Omaha, score, 1 to 0.

It was the best game the Rourke has taken part in on the home grounds this season.

Oscar Fuhr and Ramsey pitched great ball. Fuhr allowed but five hits and whiffed four men. Ramsey allowed four hits and whiffed a like number.

Omaha had a man on third in the first inning and another on third in the second inning, but were unable to tally.

In the eighth Fuhr found himself in a bad hole. Cole, the visitor's first man to the plate in the eighth, singled through second, Ramsey sacrificed him to second, Hughes singled to center, Cole taking third. With one man out and two on, Fuhr whiffed Lindmore, a dangerous hitter. Covington lofted an easy fly to Gislason, retiring the side.

Gislason started Omaha's half of the ninth inning by grounding out. Cole to Shannon. Donica hit a long fly along the third base line. Moore got his hands on it after a hard run, but the pellet oozed through his mitts and Donica was safe at second. The "hit" might have been called an error for Moore, but the Oklahoma left fielder was playing left center for Donica, a left-handed hitter, and the hit was almost on the foul line.

The fact remains that that marked the rise of the ballroom. Lelivelt singled through second. Donica going to third. Platte drew a pass. With three men on and one down the Indians' infield closed in for a play at the plate. Lee rolled one down to Hughes and that gentleman fumbled it long enough for Donica to score the winning run. Joplin will open a three-game series here today.

LITTLE MODISTE GAINS 17 POUNDS IN THIRTY DAYS

Was On Verge of Nervous Breakdown When She Began Taking Tanlac—Well and Happy, Now.

"I was on the verge of a complete nervous breakdown, but in only one month's time I have gained seventeen pounds in weight and am now enjoying fine health," said Mrs. Mabel Van Name of 319 1/2 West Twelfth street, Kansas City, Mo., while telling of her remarkable recovery by taking Tanlac. Mrs. Van Name has been a modiste in Kansas City for thirty years and also is a professional nurse.

"For three years I suffered from a dreadful case of stomach trouble and it had pulled me down to where I simply lived in dread of breaking down altogether. My appetite had gotten so poor that I never felt hungry and I didn't relish a thing I ate. I would load up with gas terribly and it pressed up into my chest so that it affected my heart. I was subject to frightful spells of headaches and dizziness. I could get but little sleep, as I was so nervous and restless and sometimes I lay awake all night long. I also had other troubles due to going through that period in life which taxes a woman's strength to almost beyond endurance. I fell off until I weighed only one hundred thirteen pounds and I was so weak and despondent I felt that I might give out just any time."

"One month ago I started taking Tanlac, and I'll declare I have never seen or heard of anyone that has improved so rapidly as I have. It seems almost too good to be true, but today I weigh one hundred thirty pounds and am a well and happy woman. My appetite is simply wonderful. I can digest everything I eat without a particle of trouble. I am no longer bothered with headaches or dizziness. I am not nervous in the least and am enjoying sound, restful sleep every night. My whole system has been built up and my general health is better than it has been for years. I have recommended Tanlac to a number of my friends and in every case those who have taken it are highly pleased with the fine results."

Tanlac is sold in Omaha at all Sherman & McConnell Drug Company's stores, Harvard Pharmacy and West End Pharmacy. Also Forest and Meany Drug Company in South Omaha and the leading druggist in each city and town throughout the state of Nebraska.

DEAN OF STATE UNIVERSITY TO QUIT TEACHING

Sweeping Changes in Law College Forecasted by Removal of Dean Hastings by Regents.

Lincoln, Neb., May 11.—(Special.)—Dean O. V. T. Stout of the University of Nebraska engineering college tendered his resignation to the regents Tuesday to take effect July 1. He will be granted a leave of absence until that time, although his services will be retained in an advisory capacity.

He will become affiliated with a business organization at a salary said to be double what he is now receiving from the state. Professor Ferguson, who acted as his assistant during Dean Stout's absence in war work, will be in charge of the college. He made an enviable reputation in the military training of the students during the war.

The regents also voted to make Dean W. G. Hastings of the law college professor of law and dean emeritus. This change is in line with the request of the board some time ago
