REPUBLICANS IN LANCASTER COUNTY MEET

Endorse Actions of State and National Representatives—Woman Organizer Speaks Briefly.

Lincoln, May 11.—(Special)—The Lancaster county republican convention, held in the city auditorium, was well attended. Ralph P. Wilson was chairman and Miss Anna Miller, secretary. Addresses were delivered by Chairman Wilson, Miss Nettie Bauer of Connecticut, woman organizer; A. B. Messer of Massachusetts, representing the national committee, and Gov. S. R. McKelvie.

Miss Bauer said that the republican party represented the things which the country needed and that the women of the country owed their enfranchisement to the republican party and should affiliate with it. Mr. Messer said that nothing would please National Chairman Hays more than if he could tell him that Nebraska would be safely in the republican column in November.

Beginning his address, Governor

NURSES ALARMED BY SHORTAGE IN TRAINING SCHOOLS

New Lines Opened to Profession Blamed—Relief Must Come In More Students.

The acute shortage of girls in nurses' training schools, a cause of great concern in the ranks of that profession throughout the United States, was the chief topic under discussion at a meeting of the Nebraska State Nurses' association held in the Y. W. C. A. auditorium.

"Nurses of tomorrow will be harder to obtain than they are at present," Miss Lucile Larsen, president of the Nebraska State Nurses' association, declared. "The present shortage of nurses for private practice has been caused by the new avenues of work open to the profession, the various departments of public nursing and health service, but the public will face a serious situation during the next few years unless a campaign is put on in schools and other institutions which reach young girls to induce these girls to enter the nursing profession."

Miss Frieda Johnson of the Visiting Nurse association spoke on "Infant Welfare Work."

Officers of the district association are: President, Miss Lucile Larsen of Clarkson hospital; secretary, Miss Laura Allen of Methodist hospital; treasurer, Mrs. Jennie Gillespie of the Methodist hospital.

A brief service to commemorate the 100th anniversary of the birth of Florence Nightingale took place yesterday afternoon. Her favorite hymn, "Who Follows in His Train?" was sung and Miss Grace Shearer read the life story of the great nurse.

The program included an address by Dr. Newell Johns on "Fever and Its Relation to Symptoms in Children," and an address by Miss Josephine Albright, a nurse, on "My Experience in Japan and Russia."

Prominent Auburn Horticulturist Tries to End Own Life

Auburn, Neb., May 11.—(Special)—Ray Hasseltine, well-known young horticulturist of southeastern Nebraska, is unconscious at his home in Peru, from two self-inflicted bullet wounds, one in the head and the other in the abdomen. He is not expected to live.

The young man, who is a bachelor, and about 30 years old, was found by his mother. He was still conscious when she ran to his side. He murmured to her that he had left two letters for her. She opened them, but refuses to divulge the contents. It is thought the young man attempted suicide while in a condition of mental depression resulting from the flu. The great damage done to the fruit crop in his large orchard, too, is supposed to have had something to do with his act.

One Killed, 3 Injured as Autos Race Near Lincoln

Lincoln, Neb., May 11.—Lena Daek, eighteen years old, with a fractured skull, is thought to be dying and three girl companions were badly injured tonight when an automobile in which they were racing another car with a male driver was forced into a ditch and overturned. The man did not stop to learn the extent of their injuries.

Find Prehistoric Pottery.
Auburn, Neb., May 11.—(Special)—A. C. Cattlett while plowing on his farm west of Berada turned up a large quantity of human bones and prehistoric pottery. They are thought to be relics and remains of people who antedated the Indian.

Guide Rock Dedicates Two Trees as Soldier Memorial

Guide Rock, Neb., May 11.—(Special)—Guide Rock united in services Sunday and dedicated two spruce trees, planted on the library lawn and donated by the woman's club and the Commercial club, in commemoration of the boys who gave their lives and for those who returned safely from war. The services were in charge of Rev. A. F. Howell. Rev. Mr. Luscher spoke in behalf of those boys who returned and G. R. Borland, president of the Commercial club, spoke in behalf of those who made the supreme sacrifice.

County Clerks' Convention

Columbus, Neb., May 11.—(Special)—Columbus will probably entertain the county supervisors, clerks and registers of deeds at their annual state convention to be held the first week in December, due to the lack of hotel facilities in Norfolk.

The conventions were slated for Norfolk, but Secretary Beals of the Norfolk Commercial club has written Secretary Harrison Elliott of the local Commercial club asking that Columbus, which has ample hotel facilities, take the meeting. The suggestion has found favor here among the county officials and members of the club and arrangements will be made for the meeting.

Delies Age by Using Howard's Buttermilk Cream for Complexion

This Pretty Girl Tells Druggists Not to Take Anyone's Money Unless This Delightful New Vanishing Cream Quickly Shows a Decided Improvement.

Buttermilk Cream creates beauty almost like magic. The most wonderful thing about it is the fact that whilst it turns the dull, most lifeless complexion to radiant beauty and makes red or rough hands or arms snowy white, yet there is not the slightest sign of its use after application. It actually banishes from sight and the most heated atmosphere will not produce the least shininess or greasiness of the skin.

No matter whether you are troubled with a poor complexion, wrinkles, puffiness around the eyes, freckles, crows feet or lines around the mouth, ugly finger nails, or just a simple roughness of the face, hands or arms caused by wind or sun, you will find that any or all these troubles will quickly disappear with the use of Howard's Buttermilk Cream. Manufactured by Howard Bros. Chemical Co., Buffalo, N. Y.
